Independent Auditors' Report

The Retirement Plan Committee, Plan Administrator and Plan Participants
Bon Secours Mercy Health Retirement Savings Plan 401:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Bon Secours Mercy Health Retirement Savings Plan 401 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2013. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has not maintained sufficient accounting records and supporting documents related to certain annuity contracts and custodial accounts of current and former employees prior to January1, 2013. The investment income and distributions related to such accounts are also not included in the accompanying statement of changes in net assets available for benefits. The amount of these annuity contracts and custodial accounts and the related income and distributions are not determinable. U.S. generally accepted accounting principles require that these accounts and the related income and distributions be included in the accompanying financial statements.

KPMG LLP, a Delaware limited liability partnership and a member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2013. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2013. The investment income and distributions related to such accounts are also not included in the 2020 financial statements. The amount of these annuity and custodial accounts and the related income and distributions are not determinable. U.S. generally accepted accounting principles require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 5, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the Plan's 2020 financial statements.

(1) Description of Plan

The following description of the Bon Secours Mercy Health Retirement Savings Plan 401 (the Plan) provides general information about the Plan's provisions. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor. Effective January 1, 2019, as a result of the 2018 merger of Mercy Health and Bon Secours Health System, Inc., Bon Secours Mercy Health (the Company) became the plan sponsor. Effective January 1, 2020, in order to reflect the merger of Mercy Health and Bon Secours Health System, Inc., the Plan was amended and restated to change the name of the Plan to be Bon Secours Mercy Health Retirement Savings Plan 401.

New Vision Medical Laboratories, LLC, a majority-owned subsidiary of the Company, previously established, effective January 1, 2001, a retirement savings plan subject to Section 401 of the Internal Revenue Code (the Code), known as the New Vision Medical Laboratories Retirement Plan. Effective September 28, 2012, the Company assumed sponsorship of the New Vision Medical Laboratories Retirement Plan and elected to restate and rename it as the Plan. In addition, the Company consolidated the plan design, implemented various new features, and merged other 401 plans of the Company, including the Community Mercy Health Partners Base and Matching 401 Plan, Lourdes Hospital Retirement Plan and Trust, and Marcum & Wallace Memorial Hospital 401(k) Profit Sharing Plan into the Plan effective September 28, 2012.

Effective December 31, 2013, the Company approved the merger of the Money Purchase Pension Plan for Employees of Allen Medical Center (for non-union employees, employees represented by the Ohio Nurses Association, and all former employees) and the Mercy 401(k) Matched Savings Plan into the Plan, and in January 2014, the net assets held in these plans were transferred into the Plan. Additionally, effective January 1, 2014, the Company approved the merger of the Money Purchase Pension Plan and the Mercy 401(k) Matched Savings Plan into the Plan for Employees of Allen Medical Center for employees who are members of the Service Employees International Union.

Effective July 3, 2017, the Company established the Ensemble Retirement Savings Plan 401 (the Ensemble 401 Plan) for employees of Ensemble RCM, LLC, doing business as Ensemble Health Partners (Ensemble), and participant accounts for employees of Ensemble were transferred to the Ensemble 401 Plan.

Effective September 30, 2020, the Retirement Plan of Bon Secours Health System, Inc. (BSHSI Plan), as well as its assets and liabilities, were merged into the Bon Secours Mercy Health Retirement Savings Plan 401, formerly known as the Mercy Health Retirement Savings Plan 401.

(a) General

The Plan is a defined contribution plan covering eligible employees of the Company and its participating employers. Employees must have at least six-months commencing on an employee's employment commencement date of service in order to become eligible for employer contributions outlined in the Plan. This begins on the first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Bon Secours Mercy Health Retirement Plan Committee (the Committee or the Plan Administrator) is responsible for the general administration of the Plan. As of December 30, 2019, Fidelity Management Trust Company served as the Plan Trustee. Effective September 30, 2020, as a result of the merger of the BSHSI plan into the Bon Secours Mercy Health Retirement Savings Plan 401, Fidelity Management Trust Company, Brighthouse Life Insurance Company, and Lincoln National Life Insurance Company now serve as the Plan trustees (collectively, the Trustees). Fidelity Investments serves as the recordkeeper of the Plan.

(b) Contributions

Participants may contribute up to 75% of their eligible pay in 1% increments on a pretax basis, or as a Roth contribution on an after-tax basis. Participants are eligible to receive employer matching contributions after completing one year of service during which the participant is credited with at least 1,000 hours. Effective January 1, 2021, upon eligibility, the employer will match 50% of the participant's pretax or Roth contributions on the first 4% of eligible pay. In addition, effective January 1, 2021, the employer will provide, on an annual basis, an employer non-elective contribution of an amount equal to $1,500 multiplied by a fraction, not to exceed one, the numerator of which is the participant's hours of service for the plan year and the denominator is 2,080 hours provided the participant meets the initial eligibility and ongoing eligibility requirements as described by the Plan. The Company may make a retirement shared success contribution in an amount determined on an annual basis. All contributions are subject to certain limitations of the Code.

Effective January 1, 2014, eligible employees are automatically enrolled in the Plan at 1% of eligible pay and their contributions are invested in the applicable life cycle fund based on their age until they change their election. Eligible employees have the first 30 days of initial eligibility to increase deferral or opt out of the auto-enrollment program for the Plan year.

Effective January 1, 2014, for the first payroll period that begins on or after April 1, any participant who has not affirmatively elected a different contribution percentage, including zero, or who has not affirmatively elected a contribution percentage of less than 6% of eligible pay shall have their deferral contribution percentage increased by 1%, provided that the participant was not automatically enrolled within the last six months prior to April 1. The automatic increase shall continue to be made each April 1 until the participant's deferral reaches 6% of his or her eligible compensation.

With respect to each merged plan participant, each such eligible employee shall continue to be or shall become a participant on the merger date (September 30, 2020, January 1, 2014, December 31, 2013, and September 28, 2012), if such eligible employee was eligible to receive an allocation of employer matching contributions under the terms of the merged plan or prior plan in which he or she was a participant on the day immediately preceding the merger date. Participants may also roll over or transfer amounts representing distributions from other qualified defined benefit or defined contribution plans. See the Plan document for additional plan provisions related to other contributions that are based on certain circumstances for participants.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution or rollovers, the allocations of the Company's discretionary, non-elective, and matching contributions, and allocations of the Plan's earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated

based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct contributions, specifying whole number percentages with the entire amount so allocated equal to 100%, to any investment option in the Plan available during the year.

(e) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. For participants hired after September 28, 2012, they are vested in the employer's matching contributions, non-elective contributions, and discretionary contributions, and any earnings on them, after the participant completes three years of service.

(f) Forfeitures

Any discretionary, non-elective, and matching contributions forfeited by participants who terminate employment prior to becoming fully vested are used first by restoring the amount of previous forfeitures and then by either reducing the amount of employer contributions or by paying Plan administrative expenses. As of December 31, 2021, and 2020, respectively, unallocated forfeited non-vested accounts were $888,131 and $802,442. Forfeitures used to reduce employer contributions and offset administrative expenses during 2021 were $21,430.

(g) Participant Loans

The Plan allows participants to apply for and obtain loans limited, to 50% of the participant's vested account balance, not to exceed $50,000, from the vested balance of the participant's account. All loans must be repaid within five years unless the loan is used to finance the participant's primary residence, in which case, the Plan Administrator shall have the discretion to determine the repayment period for such loan. Each loan shall bear interest at a rate to be fixed by the Plan Administrator, and in determining the interest rate, the Plan Administrator shall take into consideration interest rates currently being charged by commercial lending institutions. Interest rates shall be fixed for the term of the loan at the time the loan is made, and the Plan Administrator shall determine periodically the interest rate to be charged on new loans.

(h) Payment of Benefits

On termination of service due to death, disability, or retirement, participants may elect to receive a distribution equal to the value of their vested interest in their account or defer receipt of their account balance until age 70½. At the later of 70½ or termination of employment, minimum required distributions are required to commence.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a

participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

(i) Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

(j) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

As discussed in footnote 1, the Plan was established in 2001 and has had various other 401 plans merged or net assets of other 401 plans transferred into the Plan, since that time. Certain historical records and supporting documents related to certain participant accounts of current and former employees, related to merged plans prior to January 1, 2013, were not sufficiently maintained. The Plan is not able to estimate the impact to which the financial statements may have been affected by these conditions.

(b) Payment of Benefits

Benefits are recorded when paid.

(c) Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Loans deemed to be distributions were approximately $92,575 for the year ended December 31, 2021, which is included in benefit payments in the statement of changes in net assets available for benefits.

(d) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

(e) Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See footnote 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(3) Information Certified by the Trustees

Amounts contained in the accompanying financial statements and supplemental schedule, which was obtained or derived from information provided by the Plan Administrator, was certified by the Trustees as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, is as follows:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in the fair value of investments
- Interest and dividend income
- Interest income on notes receivable from participants
- Investment information included in footnote 4, excluding fair value levels
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year).

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

A summary of the Plan's financial information, which has been certified by the trustees, is presented as follows:

	December 31, 2021	December 31, 2020
Investments:		
Lincoln National Life Insurance Company – separate accounts	$ 38,001	37,179
Brighthouse Life Insurance Company – separate accounts	307,445	281,332
Fidelity Trust Management Company	237,732,405	219,085,695
Receivables:		
Notes receivable from participants	1,146,052	1,125,152

Investment activity for the year ended December 31, 2021 is summarized as follows:

	Lincoln National Life Insurance Company	Brighthouse Life Insurance Company	Fidelity Trust Management Company	Total
Net appreciation in fair value of investments	$ 848	42,464	28,202,779	28,246,091
Interest and dividend income	25	205	1,956,810	1,957,040
Interest income on notes receivable from participants	—	—	58,679	58,679

(4) Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:
  - Quoted prices for similar assets and liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in markets that are not active
  - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)

(Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan:

Money Market funds and Mutual Funds – Valued at the closing price reported on the major market on which the individual securities are traded.

Self-directed brokerage accounts – Valued at the quoted market price of publicly traded investments held by the Plan at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Money market	$ 7,901,283	—	—	7,901,283
Self-directed brokerage accounts	5,471,637	—	—	5,471,637
Mutual funds	224,614,404	90,527	—	224,704,931
Total assets at fair value	$ 237,987,324	90,527	—	238,077,851

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Money market	$ 7,852,729	—	—	7,852,729
Self-directed brokerage accounts	5,141,649	—	—	5,141,649
Mutual funds	206,326,834	82,994	—	206,409,828
Total assets at fair value	$ 219,321,212	82,994	—	219,404,206

For the year ended December 31, 2021, there were no transfers into or out of Levels 1, 2 or 3.

(5) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(6) Related-Party and Party-in-Interest Transactions

The Plan holds units of mutual funds managed by the Trustees. The related transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

(7) Tax Status

The Plan has received a determination letter from the IRS dated February 23, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Subsequent Events

Effective September 30, 2022, the Mercy Health Savings Plan 401, as well as its assets and liabilities of approximately $73,000,000 in net assets available for benefits, were merged into the Bon Secours Mercy Health Retirement Savings Plan 401.

Management evaluated subsequent events for the Plan through October 14, 2022, the date the financial statements were available to be issued.
