INDEPENDENT AUDITOR'S REPORT

To the 401(k) Plan Administrator
Retirement Savings Plan of Flad Affiliated Corp.
Madison, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Retirement Savings Plan of Flad Affiliated Corp., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Retirement Savings Plan of Flad Affiliated Corp.'s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Retirement Savings Plan of Flad Affiliated Corp. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Savings Plan of Flad Affiliated Corp.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retirement Savings Plan of Flad Affiliated Corp.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retirement Savings Plan of Flad Affiliated Corp.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Retirement Savings Plan of Flad Affiliated Corp.. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significant of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Description of plan and significant accounting policies

The following brief description of the Retirement Savings Plan of Flad Affiliated Corp. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The employers, as described below, have adopted, with subsequent amendments, the OneAmerica Financial Partners, Inc. (OneAmerica) Defined Contribution Volume Submitter Plan and Trust with the most recent restatement dated March 1, 2016.

Effective May 2021, the Plan changed its trustee and asset custodian from BMO Harris Bank, N.A. (BMO) to Matrix Trust Company (Matrix).

General

The Plan is a defined contribution plan covering employees who have obtained the completion of 3 continuous months of employment during which the employee completes at least 250 hours of service and are age 20 ½ or older. If the 3-month requirement is not satisfied following the employee's hire date, an employee is deemed to satisfy this condition upon completing one year of service. The Plan is a multiple-employer profit sharing plan with elective deferral 401(k) features covering eligible employees of FAC Services, LLC, Flad & Associates, Inc.; Flad & Associates of Florida, Inc.; Flad & Associates of California, Inc.; Affiliated Engineers, Inc. (AEI); Affiliated Engineers SE, Inc.; Affiliated Engineers W, Inc.; Affiliated Engineers NW, Inc.; Affiliated Engineers Metro DC, Inc.; Affiliated Construction Services, Inc.; Flad Development & Investment Corp.; Flad Architecture & Engineering, P.C.; and Facility Leaders in Architecture/Engineering Design, P.C. (herein referred to as "the employers"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan and the Plan's Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan sponsor's employer identification number is 46-1574498, and the Plan's number is 001.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the limits set by the Internal Revenue Code (IRC). Participants may elect all or a portion of their deferral contributions to be treated as after-tax, or Roth 401(k) deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRC. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in targeted retirement date funds until changed by the participant. Annually, participants deferring less than 6% are automatically reenrolled at 6% and the deferrals of participants deferring 6% or more are automatically increased 1% (up to a maximum 12% deferral), subject to a participant's right to affirmatively elect a different deferral percentage.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Description of plan and significant accounting policies (Continued)

The employers make a discretionary matching contribution equal to 50% of the first 6% of participant deferrals, up to 3% of eligible compensation.

Flad & Associates, Inc. and its subsidiary and affiliate (Flad), Affiliated Engineers, Inc. and its subsidiaries and FAC Services, LLC employers may make a discretionary employer contribution, contributed as a uniform flat dollar amount to all eligible employees age 20 ½ or older who are employed on the date the discretionary employer contribution is allocated.

Annual contributions from all sources are subject to certain limitations defined by the IRC.

Participant accounts and “rollovers”

Each participant's account is credited with the participant's contribution and allocations of (a) the discretionary matching contribution, (b) discretionary employer contribution, if applicable, (c) Plan earnings and (d) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocation of discretionary employers' contributions for Flad are based on a uniform flat dollar amount, as provided in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are immediately vested in their contributions and the employers' contributions, plus actual earnings thereon.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Generally, loans are payable in five years or less but can be for longer terms if proceeds are used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate. Interest rates on outstanding participant loans as of December 31, 2021, range from 3.25% to 5.50%. Principal and interest is paid ratably through payroll deductions.

Benefits

On termination of service a participant may elect either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a partial lump sum of \$1,000 or more, installment payments, or a combination of partial lump sum and installment payments. Installment payments cannot exceed the participant's life expectancy, or joint life expectancy of the participant and designated beneficiary. A participant with an account valued at less than \$1,000 receives a lump-sum distribution or direct rollover to another qualified plan. The Plan permits hardship distributions and in-service distributions if certain criteria are met.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Description of plan and significant accounting policies (Continued)

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Cash

The Plan maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. Management believes it is not exposed to any significant credit risk on cash and cash equivalents.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits

Benefits are recorded when paid. At December 31, 2021 and 2020, amounts for distributions to participants who have requested a distribution from the Plan prior to the Plan year end but were not yet paid at the Plan year end were \$4,459 and \$0, respectively.

Administrative expenses

The employers pay some of the administrative expenses of the Plan which are excluded from these financial statements. The major administrative expenses are payroll and related expenses and accounting fees.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

NOTE A -- Description of plan and significant accounting policies (Continued)

Subsequent events

These financial statements have not been updated for subsequent events occurring after October 14, 2022, which is the date these financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after that date.

NOTE B -- Information certified by the asset custodian and trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments, cash and cash equivalents, and notes receivable from participants held at December 31, 2021 and 2020, and interest, dividends, net appreciation, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by BMO and Matrix, the asset custodians and trustees of the Plan.

NOTE C -- Fair value measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

¹ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE C -- Fair value measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Stable principal collective trust fund. A stable principal fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE D -- Party-in-interest transactions

BMO and Matrix are the trustees and asset custodians of the Plan in 2021, OneAmerica Retirement Services, LLC (OARS) is the Plan recordkeeper, and Francis Investment Counsel, LLC provides ERISA Section 3(21) investment advisory services to the Plan and are therefore designated parties-in-interest.

Recordkeeping fees, trustee/custodial service fees, and other administrative fees were paid by the Plan to OARS and investment advisory fees were paid by the Plan to Francis Investment Counsel, LLC for services provided in 2021. OARS pays trustee/custodial service fees to BMO and Matrix on the Plan's behalf. These party-in-interest transactions occur in the course of ordinary business and are exempt transactions. Amounts paid during the year for services rendered by parties-in-interest were based on customary and reasonable rates for such services.

NOTE E -- Plan termination

The employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE F -- Tax status

The employers have adopted the OneAmerica Defined Contribution Volume Submitter Plan and Trust, as described in Note A, which received a favorable opinion letter from the Internal Revenue Service (IRS) on November 30, 2020, that states the Plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The Plan has been amended subsequent to adoption. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable sections of the IRC.

NOTE G -- Concentration of market risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE H -- Plan amendments

Effective January 1, 2020, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), the Plan raised the required minimum distribution age to age 72 for participants who reach age 70½ after December 31, 2019.

Effective April, 2020, the Plan implemented certain provisions permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act): (1) a “qualified individual” may take a coronavirus-related distribution of \$100,000 or less before December 31, 2020; (2) a “qualified individual” may have an outstanding loan balance only from March 27, 2020 to September 22, 2020 of \$100,000, with the maximum loan being 100% of the account balance; (3) employees were provided the option to opt-out of the 2020 required minimum distribution; and, (4) a “qualified individual” may opt to suspend loan repayments due through December 31, 2020 with the loan term lengthened by the term of the suspension period. Effective June 2020, subsequent to the issuance of IRS Notice 2020-50, the Plan included as a “qualified individual” an employee’s spouse/registered domestic partner who experiences adverse financial consequences.

Written amendments to the Plan to reflect these operational changes related to the SECURE and CARES Acts will be adopted at a later date in accordance with applicable law and IRS guidance.

Effective May 21, 2021, the Plan was amended to change its trustee and asset custodian from BMO to Matrix.
