INDEPENDENT AUDITOR'S REPORT

To the Trustees of
McFarland Clinic, P.C. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of McFarland Clinic, P.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2020 Financial Statements

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated September 17, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The image shows a handwritten signature in black ink that reads "UHY LLP". The letters are stylized and cursive.

McFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the McFarland Clinic, P.C. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of McFarland Clinic, P.C. (the "Company" and the "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the applicable current Internal Revenue Code ("IRC") provisions. Employees are eligible to participate in the Plan if they have attained the age of 18. To be eligible for discretionary profit sharing and safe harbor matching contributions, participants must have one year of service (1,000 hours minimum). Eligibility date is the first day of the Plan year quarter following the employee meeting the eligibility requirements.

Contributions

The Plan allows for participants' contributions up to 50% of their pre-tax annual compensation, subject to certain IRC limitations. Participants may also contribute amounts representing distributions from other qualified plans. Eligible employees are automatically enrolled with a deferral rate of 5% unless an alternate election is made. Participants who contribute at a rate less than 10% are automatically increased by 1% annually unless they elect to opt out of the automatic increase.

The discretionary profit sharing contribution made by the Company is determined by resolution of its Board of Directors. This contribution is allocated to individual participants based upon an individual's ratio of annual compensation to total compensation of all Plan participants, subject to specific limitations. In order to maintain the Plan's safe harbor status, the Company commits to make 100% vested matching contributions for the first 4% of salary deferral. Participants may elect to contribute to either a Roth or traditional 401(k) account or both.

Investments

Participants direct their contributions into various investment options offered by the Plan including mutual funds and common collective trusts. Participants may change their investment options daily. A participant-directed brokerage account option is also available to allow participants to select investment options not specifically offered by the Plan.

MCFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their elective deferrals and the Company's safe harbor matching contributions, plus earnings thereon. Vesting in the Company's discretionary profit-sharing contributions, plus earnings thereon, is based on years of continuous service. A participant vests at the rate of 20% per year-end and is 100% vested after five (5) years of credited service.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's matching contribution, and allocations of the Company discretionary contributions, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) notes receivable from participants. Loan terms range up to five (5) years from the date of the loan, unless the loan is used to purchase a dwelling unit to be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon retirement, death, or termination of employment, participants or their beneficiaries may elect to receive a lump-sum distribution, partial payments as requested from time to time, or equal installments over a specified period of time. Active employees may also receive a distribution of all or a portion of their account balance upon reaching age 59 1/2 or for specific hardship circumstances.

Forfeitures

Forfeited accounts may be used to pay administrative expenses or to offset the Company's matching or profit-sharing contributions. Employer contributions and administrative expenses were reduced by \$56,801 and \$92,530 from forfeited accounts for the years ended December 31, 2021 and 2020, respectively. As of December 31, 2021 and 2020, there was \$10,685 and \$9,747 respectively, available to offset future expenses and Company contributions.

MCFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, the accrued benefits of all participants shall be distributed to participants as provided in the Plan.

CARES Act

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus ("COVID-19") as a pandemic, the effects of which have caused significant volatility in U.S. and international financial markets. On March 27, 2020, in response to the global COVID-19 pandemic, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") became effective, to address financial pressures facing individuals, businesses, and state and local governments due to the pandemic. The Plan adopted the provisions of the CARES Act with regard to distributions and participant loans under the Plan. Specifically, the 10% early withdrawal penalty was waived for distributions up to \$100,000 for purposes related to COVID-19 until December 31, 2020. Income tax on such distributions may be spread over a three-year period. Additionally, participants had the option to repay the distributions. With regard to loans, the maximum loan amount increased from \$50,000 to \$100,000 for individuals impacted by COVID-19. Affected individuals had the option to delay loan repayments until December 31, 2020. These provisions of the CARES Act, with regard to distributions and participant loans under the Plan, ended on December 31, 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

McFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable is recorded on the accrual basis.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment balances will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company. Certain investment-related expenses are deducted from income earned on a daily basis and are reflected within net appreciation in fair value of investments.

3. Certified Information

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Bank and Charles Schwab Trust Bank (collectively, "Schwab") have certified that the following data included in the accompanying financial statements and supplementary schedule as of and for the years ended December 31 is complete and accurate.

MCFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (continued)

3. Certified Information (continued)

	2021	2020
Investments, at fair value:		
Common collective trusts	\$ 245,805,623	\$ 223,146,051
Mutual funds	116,272,201	104,687,210
Participant-directed brokerage accounts	127,738,104	109,445,602
Investment income:		
Interest and dividends	\$ 7,427,796	\$ 3,745,727
Net appreciation in fair value of investments	55,899,574	51,175,784

4. Fair Value Measurements

GAAP establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority): Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities; Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value.

- *Mutual funds*: Valued based on quoted prices in active markets.
- *Common collective trusts*: Valued at the net asset value ("NAV") of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.
- *Participant-directed brokerage accounts*: These investments include a money market fund, common stocks, mutual funds, exchange traded funds, and unit investment trusts which are valued at quoted prices in active markets and classified as Level 1. The account is also comprised of U.S. government securities and certificates of deposit, which are classified as Level 2 because their value is based on yields currently available on comparable securities of issuers with similar credit ratings in active markets.

4. Fair Value Measurements (continued)

The following tables show assets measured at fair value as of December 31, 2021 and 2020 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

Description	Level 1	Level 2	Level 3	Total
December 31, 2021:

		Investments measured at NAV		<u>245,805,623</u>
		Investments, at fair value		<u>\$ 489,815,928</u>
Description	Level 1	Level 2	Level 3	Total
December 31, 2020:				
Mutual funds	\$ 104,687,210	\$ -	\$ -	\$ 104,687,210
Participant-directed brokerage	109,050,174	395,428	-	109,445,602
	<u>\$ 213,737,384</u>	<u>\$ 395,428</u>	<u>\$ -</u>	<u>214,132,812</u>
		Investments measured at NAV		<u>223,146,051</u>
		Investments, at fair value		<u>\$ 437,278,863</u>

Fair Value of Investments that Calculate NAV

The following table summarizes the investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

	Fair Value at December 31:		Unfunded	Redemption	Redemption
	2021	2020	Commitments	Frequency	Notice
Common collective trusts:					
Stable value (a)	\$ 39,814,240	\$ 37,690,491	None	Daily	(a)
Debt and equity funds (b)	<u>205,991,383</u>	<u>185,455,560</u>	None	Daily	None
	<u>\$ 245,805,623</u>	<u>\$ 223,146,051</u>			

- a) As of December 31, 2021, the Plan's stable value trust investment is the Vanguard Retirement Savings Trust IV, a collective trust that invests in the Vanguard Retirement Savings Master Trust, which invests in traditional and synthetic investment contracts backed by investments issued by insurance companies and banks. The fair value is determined based on the underlying investments of the common trust as traded in active markets or valued using significant observable inputs. The NAV for the investment contracts is \$1 per share. Participant directed withdrawals are made daily. Certain plan-directed withdrawals may be subject to market value adjustments calculated in accordance with the provisions of the investment contracts. The Trust may be subject to certain circumstances that impact its ability to transact at NAV. As of December 31, 2021, Plan management believes the occurrence of an event outside the normal operation of the Trust that would cause the Trust to transact at less than NAV is not considered to be probable.

MCFARLAND CLINIC, P.C. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Fair Value of Investments that Calculate NAV (continued)

- b) The BlackRock collective investment funds invest in other collective funds managed by BlackRock that invest in bond and equity index funds and other short-term investments. The information in the table above is the same for each common collective trust the Plan invests in, and has, therefore, been condensed to a single line.

5. Income Tax Status

The Plan was created from a prototype plan developed by Schwab. The Internal Revenue Service has issued an opinion letter, dated June 19, 2014, that the prototype plan is qualified, and the trust established under the Plan is tax-exempt under Section 401 of the IRC. The Plan Administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC under the prototype.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. As of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

6. Party-In-Interest Transactions

A portion of the Plan's participant-directed brokerage accounts are invested in funds managed by Schwab, trustee of the Plan. Additionally, a participant who acquires a participant loan is a party-in-interest. However, these transactions are exempt from the prohibited transaction rules of ERISA.

7. Reconciliation to Form 5500

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2020:

Employer contributions per the financial statements	\$ 10,075,916
Change in unapplied forfeitures	<u>(2,040)</u>
Employer contributions per Form 5500	<u>\$ 10,073,876</u>

8. Subsequent Events

The Plan evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued.
