**Independent Auditor's Report**

Trustees and Plan Participants  
Colliers Mortgage Holdings LLC Employee 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Colliers Mortgage Holdings LLC Employee 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### Notes to Financial Statements

#### Note 1. Description of the Plan

**General:** The following brief description of the Colliers Mortgage Holdings LLC Employee 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

The Plan is a defined contribution 401(k) plan sponsored by Colliers Mortgage Holdings LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees of the following companies are eligible to participate in the Plan: Colliers Mortgage Holdings LLC, Colliers Securities LLC, Colliers Funding LLC, Colliers Mortgage LLC, and Colliers Insurance Agency LLC (collectively referred to as Participating Employers).

**Participation:** To be eligible to participate in the Plan, a full-time employee must have attained the age of 21. A temporary employee must complete 1,000 hours of service and also attain the age of 21. Participants are automatically enrolled in the Plan with a pretax contribution of 4%. However, participants have the option to elect a different deferral percentage or opt out of the automatic enrollment. To be eligible for the employer match and regular and discretionary profit-sharing contributions, an eligible participant must have completed one full year of service, as defined by the Plan, and be employed at the end of the plan year.

**Contributions:** The plan agreement provides for the following contributions:

**Employee voluntary pay deferrals and rollover contributions:** Active participants may make voluntary contributions of an amount from 1% to 50% of their gross compensation on a pretax and/or Roth (after-tax) basis. This is subject to Internal Revenue Service (IRS) limitations. Active participants who receive a distribution in a lump sum from a former employer's qualified retirement plan or from a conduit individual retirement account, subject to certain requirements, may deposit the distribution with the Plan. All participant contributions are always 100% vested.

**Employer matching contributions:** For participants making voluntary contributions the Participating Employers will make matching contributions equal to 50% of compensation deferrals of up to 4% of eligible compensation. The participant is 100% vested in the employer match and related earnings thereon at all times.

**Employer regular and additional discretionary profit-sharing contributions:** For all employees of the Participating Employers, the employer may contribute a discretionary profit-sharing contribution, which is immediately 100% vested. There were regular discretionary profit sharing contributions for the plan years ended December 31, 2021 and 2020, of \$514,077 and \$330,583, respectively.

For all employees of the Participating Employers, the employer may contribute an additional discretionary profit-sharing contribution, which is immediately 100% vested. There were no additional discretionary profit-sharing contributions for the plan years ended December 31, 2021 and 2020.

At December 31, 2021 and 2020, forfeited nonvested amounts totaled approximately \$10 and \$68, respectively. These accounts may be used to fund future employer contributions to the Plan. During 2021, the Plan used approximately \$68 of forfeited nonvested accounts to fund employer contributions.

#### Note 1. Description of the Plan (Continued)

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Participating Employers' contributions, as well as allocations of Plan earnings. Participants are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one loan is permitted per participant at a time. Loan terms are not to exceed five years. The loans are secured by the balance in the participant's account. The loans bear interest at a rate commensurate with local prevailing rates plus 1%. Interest rates on current outstanding loans range from 4.25% to 6.50% with maturities through January 2027. Principal and interest are paid ratably not less frequently than quarterly.

**Benefits:** Participants whose termination of employment occurs for any reason shall be entitled to benefits equal to 100% of the employee contributions, rollover contribution accounts, employer contributions, and related earnings thereon. Distributions of participants' benefits are made to the participants or their beneficiaries in a lump sum, annuity, or in installments at the election made by the participant, within certain guidelines, as defined in the Plan. Accounts with less than \$1,000 will automatically be distributed in a lump sum directly to the participant. Accounts with less than \$5,000 but more than \$1,000 will be distributed with a direct rollover to an individual retirement plan, unless the participant elects otherwise. Voluntary withdrawals of participants' pretax contributions are allowed for reasons of financial hardship, as defined, or upon attainment of age 59 1/2.

**Administrative fees:** The Plan's administrative expenses are paid by either the Plan or the Participating Employers, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by Colliers Mortgage Holdings LLC and are excluded from these financial statements.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Investment valuation and income recognition:** Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, Fair Value Measurement, for further information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Payment of benefits:** Benefits are recorded when paid.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Notes receivable from participants:** Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year).

**Use of estimates:** The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

#### Note 3. Fair Value Measurement

The Plan applies fair value measurements in accordance with the FASB Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement. Under this standard, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by ASC 820, are used to measure fair value. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## Colliers Mortgage Holdings LLC Employee 401(k) Plan

### Notes to Financial Statements

---

#### Note 3. Fair Value Measurement (Continued)

In measuring fair value, the Plan used valuation techniques that maximize the use of observable inputs.

The valuation techniques used by the Plan are summarized as follows, but generally consider pricing reflected on trades, from industry-standard pricing vendors or directly from issuers. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Registered investment companies (mutual funds):** Registered investment companies (mutual funds) are based on quoted market prices at net asset value. The registered investment companies held by the Plan are deemed to be actively traded.

**Money market deposit account:** Short-term money market deposit accounts are valued at cost, which approximates fair value based on quoted market prices available. The Schwab Bank Savings account is a type of savings deposit which intends to provide a variable yield in the form of interest from the bank. Funds deposited in the Schwab Bank savings at various Schwab Banks are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 when aggregated with all the deposits held by the participant in the personal choice retirement amounts in the same capacity at Charles Schwab Bank.

**Personal choice retirement accounts:** Personal choice retirement accounts are self-directed brokerage accounts available to participants. Prices are provided in accordance with the applicable agreements between each client and Charles Schwab Trust Bank. The accounts primarily consist of money market accounts, mutual funds and common stocks that are valued on the basis of readily determinable market prices. The accounts also primarily consist of corporate bonds that are valued based on multiple quotes from multiple dealers.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments carried at fair value are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

|                                     | Assets at Fair Value as of December 31, 2021 |              |         |               |

For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

#### Note 4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested.

#### Note 5. Income Tax Status

The underlying nonstandardized prototype plan has received an opinion letter from the IRS dated September 21, 2020, stating that the form of the prototype plan is qualified under section 401(a) of the Internal Revenue Code (the Code) and, therefore, the Plan's related trust is tax-exempt. In accordance with Revenue Procedures 2013-6 and 2011-49, the Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

#### Note 7. Party-in-Interest Transactions and Related-Party Transactions

Transactions resulting in Plan assets being transferred to or used by a related-party are prohibited under ERISA unless a specific exemption applies. Charles Schwab Trust Bank funds are a party-in-interest, as defined by ERISA, as a result of plan assets being invested in Schwab investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

#### Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

#### Note 9. Subsequent Events

The Plan's management has evaluated subsequent events for the Plan through October 5, 2022, the date the financial statements were available to be issued.
