Bogush/Wallington Plumbing 401(k) Retirement Savings Plan
Wallington, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Bogush/Wallington Plumbing 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Bogush/Wallington Plumbing 401(k) Retirement Savings Plan

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 1 - Description of the Plan

The following description of the Bogush/Wallington Plumbing 401(k) Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering eligible employees of Bogush, Inc. and Wallington Plumbing & Heating Co., Inc. (the "Company"). An employee becomes eligible to participate in the Plan and for an employer safe harbor non-elective matching contribution upon the first day of the first and the seventh month upon completing one year of service during which the employee completed at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan assets are currently held by Fidelity Management Trust Company, Trustee of the Plan. Company contributions, participant elective deferrals, and participant accounts are also held by the Trustee, who invests cash received and income from investments based on written instructions from the Company and participants and makes distributions to participants. The Plan's Trustee is responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC"). Participants may also make Roth 401(k) contributions into the Plan. The maximum participant deferral for the years ended December 31, 2021 and 2020 was \$19,500. Participants age 50 and over are also eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company makes a safe harbor contribution to the Plan equal to 100% of the first 3% and an additional 50% of the next 2% of the participants' eligible compensation contributed into the Plan. A safe harbor matching contribution is a minimum contribution made by the Company that allows the Plan to be exempt from certain 401(k) non-discrimination tests.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings and charged with an allocation of administrative expenses, if any, that are incurred by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, and the Company's safe harbor non-elective contribution, plus actual earnings thereon.

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 1 - Description of the Plan - Continued

d. Vesting - Continued

Employees became eligible for an employer discretionary matching contribution under the same requirements stated in Note 1a in addition to earning 1,000 hours. As of January 1, 2019, the Plan no longer offers a discretionary matching contribution.

Vesting in the Company's discretionary contribution is based on years of continuous service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance. A participant shall have a vested and nonforfeitable interest in the employer's discretionary contribution portion of his or her account balance determined by the number of years of credited service as follows:

Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

e. Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Participant notes are secured by the balance in the participant's accounts and bear interest in the range of 3% to 5.5%. Principal and interest are paid ratably through regular payroll deductions. In general, loans must be repaid within five years; however, if the loan is used to purchase a principal residence, the repayment period may be longer. Participants may take out one loan at a time.

f. Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or elect to rollover funds into an investment retirement account ("IRA") or other retirement account.

Prior to termination, a participant may withdraw their pretax contributions in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

g. Forfeited Accounts

A forfeiture is the non-vested portion of a participant's account which the participant loses upon termination of employment. Forfeitures are used to reduce employer contributions to the Plan or pay Plan expenses. Forfeitures totaling \$13,400 and \$0- were used to reduce administrative expenses to the Plan during the years ended December 31, 2021 and 2020, respectively. Net assets available for benefits include \$60 and \$5,808 of forfeitures at December 31, 2021 and 2020, respectively.

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for defined contribution plans.

b. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Loans treated as distributions totaled \$19,327 and \$9,145 for the years ended December 31, 2021 and 2020, respectively.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

g. Subsequent Events

The Plan evaluated subsequent events for potential recognition and disclosure through October 12, 2022, the date the financial statements were available to be issued.

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 3 - Information Certified and Provided by Plan Trustee (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, Trustee of the Plan, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplementary schedule:

	December 31,	
	2021	2020
Mutual funds	\$ 28,033,097	\$ 22,312,174
Money market fund	\$ 1,784,546	\$ 1,675,775
	Years Ended December 31,	
	2021	2020
Investment income		
Net appreciation in fair value of investments	\$ 3,541,688	\$ 2,318,017
Interest and dividends	\$ 1,045,275	\$ 852,105

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Bogush/Wallington Plumbing 401(k) Retirement Savings Plan

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 4 - Investments and Fair Value Measurements - Continued

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value:

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 28,033,097	\$ -	\$ -	\$ 28,033,097
Money market fund	1,784,546	-	-	1,784,546
Total investments at fair value	<u>\$ 29,817,643</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,817,643</u>
	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 22,312,174	\$ -	\$ -	\$ 22,312,174
Money market fund	1,675,775	-	-	1,675,775
Total investments at fair value	<u>\$ 23,987,949</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,987,949</u>

Note 5 - Related Party and Party-In-Interest Transactions

The Company paid expenses in connection with the administration of the Plan in the amount of \$15,000 for the years ended December 31, 2021 and 2020.

Certain administrative functions are performed by employees of the Plan sponsor who do not receive compensation for such functions.

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee of the Plan.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

Bogush/Wallington Plumbing 401(k) Retirement Savings Plan

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

Note 7 - Tax Status

The Internal Revenue Service has ruled in an advisory letter dated March 31, 2014 that the Prototype Non-Standardized Profit-Sharing Plan with CODA adopted by the Plan constitutes a qualified plan under Section 401(a) of the IRC and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examinations for years prior to 2018.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - CARES Act

In response to the COVID-19 pandemic, in March 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act allows defined contribution plans to waive required minimum distributions otherwise required to be paid in calendar year 2020. The CARES Act also permits tax-advantaged withdrawals and the suspension of certain loan repayments by certain participants affected by COVID-19. The Plan decided not to implement these provisions.
