Independent Auditor's Report

The Plan Administrator
Center for Reproductive Rights
401(k) and Profit Sharing Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Center for Reproductive Rights 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Center for Reproductive Rights 401(k) and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective February 1, 1994, is a contributory defined contribution plan covering all eligible employees of The Center for Reproductive Rights, Inc. (the Organization or the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

On June 1, 2021, the Plan assets and record keeping services were transferred from Fidelity Management Trust Company, the trustee, to Principal Financial Group (Principal).

Contributions

All of the Organization's employees are eligible to participate in the Plan. Upon enrollment in the Plan, a participant may direct contributions in a variety of investment options offered by the Plan. Participants may change their investment options at any time. Participants may make contributions to the Plan subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions of amounts from other qualified defined benefit or defined contribution plans.

The Organization may, at its discretion, make a qualified nonelective employer contribution on behalf of eligible participants. All employees are eligible to receive the qualified nonelective employer contribution on the first day of the month following one year of employment with the Organization. For the years ended December 31, 2021 and 2020, the Organization contributed 7.50% of an eligible employee's compensation to the Plan, totaling \$1,188,354 and \$1,044,556, respectively.

Participant Accounts

Each participant's account is credited with the allocations of (a) the Organization's contribution and (b) the participant's share of Plan earnings. Plan income and expenses are credited or debited to participant accounts based on the pro-rata share of the participant's individual account balance to total Plan assets. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

Investments are participant-directed, and the Organization controls and manages the operation and administration of the Plan. Principal Financial Group (Principal) is the trustee of the Plan.

Vesting

Both employer and participant contributions are fully vested immediately.

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

Payment of Benefits

On termination of service due to disability or retirement, a participant (or a designated beneficiary) may elect to receive the vested interest in his or her account in either a lump-sum amount or annual installments (including interest) for life. If the participant dies before distribution begins, the entire interest earned in the Plan will be distributed to the spouse or the named beneficiary by December 31 of the calendar year immediately following the calendar year of the participant's death. For termination of service resulting from other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or maintain his or her vested interest within the Plan. If a participant terminates service and the value of the participant's vested account balance is not greater than \$1,000, the participant will receive a lump-sum distribution of the value of the entire vested portion of such account balance.

Notes Receivable from Participants

Participant loans are available to all participants on a reasonable equivalent basis. A participant may have only one outstanding loan at any time and may not apply for a new loan until any existing balance is paid in full, with a limit of one loan request per calendar year. Participants may not refinance an existing loan. Loans to any participant shall not exceed the lesser of (a) \$50,000 reduced by the excess (if any) of the highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of plan loans on the date the loan is made, or (b) one half the present value of the participant's vested interest in his or her account. For purposes of the above limitation, plan loans include all loans from all plans maintained by the Organization. All loans shall bear a reasonable rate of interest, as determined by the trustee, based on the prevailing interest rates charged by persons in the business of lending money for loans, which would be made under similar circumstances.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to Plan participants under the CARES Act and had implemented the following provisions during the year ended December 31, 2020:

- Special coronavirus distributions up to \$100,000.
- Increase the available loan amount, as described in Note 1, to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.
- Suspend required minimum distributions for 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenue, and expenses, as well as the disclosures of contingent assets and liabilities. These estimates include the fair value of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. As applicable, interest income is recorded on the accrual basis, and dividend income is accrued on the ex-dividend date. The income or loss of each investment option, including the change in market value of investments, is allocated to participant accounts based on each participant's proportionate interest in the investment option. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are deemed as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants and beneficiaries are recorded upon distribution.

Administrative Expenses

Administrative expenses are paid for by the Organization, except for loan issuance fees and distribution fees, which are paid by the Plan. Fees paid to Principal for investment management services on the mutual funds were recorded as a reduction of the investment income on the statements of changes in net assets available for benefits.

3. Certified Investments

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity and Principal, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments reflected on the accompanying statements of net assets available for benefit certified by Fidelity as of December 31, 2020 and Principal as of December 31, 2021.
- Net appreciation in fair value of investments and dividend and interest income reflected on the accompanying statement of changes in net assets available for benefit certified by

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

Fidelity for the period January 1, 2021 through May 31, 2021 and Principal for the period June 1, 2021 through December 31, 2021.

- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule, is certified by Principal.

4. Fair Value Measurements

U.S. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable, as follows:

Level 1 - Valuations are based on unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Valuations are based on: (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted prices that are observable for the asset or liability, and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Valuations are based on inputs that are unobservable and significant to the fair value measurement, and they reflect management's best estimate of what market participants would use as fair value.

The following is a description of the valuation methodologies used for these items, as well as the general classification of such items, pursuant to the fair value hierarchy. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Investments in mutual funds accounts are valued at net asset value of shares held by the Plan at year-end. The mutual funds are traded at quoted prices through the National Securities Clearing Corporation. These investments are priced using nationally recognized pricing services based on observable market data.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

The following tables present the level within the fair value hierarchy at which the Plan's financial assets are measured:

December 31, 2021

	Level 1		Total
Mutual funds	\$	22,214,623	\$ 22,214,623
Total Investments, at fair value	\$	22,214,623	\$ 22,214,623

December 31, 2020

	Level 1		Total
Mutual funds	\$	18,096,120	\$ 18,096,120
Total Investments, at fair value	\$	18,096,120	\$ 18,096,120

The Plan had no financial assets that were measured at fair value on a nonrecurring basis during the years ended December 31, 2021 and 2020.

5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Principal. Any purchases and sales of these funds are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

6. Tax Status

The Plan is a Volume Submitter Profit Sharing Plan with cash or deferred arrangement drafted by Fidelity Management Trust Company. The IRS has issued an advisory letter dated March 31, 2014 to Fidelity Management Trust Company that the form of the Plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC) and that the Plan is exempt from federal income taxes. Although the Plan has been amended since receiving the advisory letter, the Plan administrator and Principal believe that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Center for Reproductive Rights 401(k) and Profit Sharing Plan

Notes to Financial Statements

7. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts for both employer and employee contributions.

8. Risks and Uncertainties

The Plan offers a number of investment funds available for participants, which invest in various types of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

For purposes of determining the effects of subsequent events on these financial statements, management has evaluated events subsequent from the date of the financial statements through October 14, 2022, which is the date the financial statements were available to be issued. There were no subsequent events requiring disclosure.
