INDEPENDENT AUDITOR'S REPORT

To the Administrators and Participants of the
TrueNorth Companies, L.C. 401(k) Profit Sharing Plan
Cedar Rapids, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financials Statements

We have performed an audit of the financial statements of the TrueNorth Companies, L.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TrueNorth Companies, L.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TrueNorth Companies, L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TrueNorth Companies, L.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TrueNorth Companies, L.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Roth elective deferrals are accounted for separately in the respective participant’s account. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

1. Description of the plan, continued

Contributions

The Plan is funded by contributions from participants in amounts up to 100% of eligible compensation, limited to the maximum amount deductible under the Internal Revenue Code. Participants are automatically enrolled with a 3% deferral rate on the first eligible entry date immediately following meeting the age and service eligibility requirements, if no election is made by the participant. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan is also funded by discretionary matching contributions, safe-harbor non-elective contributions and discretionary non-elective contributions. During 2021 and 2020, the Company elected to pay discretionary matching contributions equal to 50% of each participant's elected salary deferral up to 2% of the participant's compensation for the Plan year, also limited. In addition, the Company made non-elective contributions equal to 3% of each eligible participant's compensation to qualify the Plan under relevant safe-harbor requirements. There were no discretionary non-elective contributions made during 2021 and 2020. Participants may also rollover or transfer amounts representing distributions from other qualified retirement plans.

Participant accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, or specific participant transactions, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions including employer matching contributions, non-elective contributions, and safe-harbor contributions, plus actual earnings thereon.

Investment options

Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. For participants who are automatically enrolled, their contributions are invested in default investments as defined in the Plan Agreement. Participants may change their investment options at their discretion; changes become effective the next business day.

Forfeited accounts

In 2021 and 2020, there were no forfeited nonvested accounts, however, excess employer contributions identified during the Plan years were transferred to forfeitures for future use. Forfeitures, to the extent available, may be used to pay Plan expenses and to reduce Company matching contributions. Forfeitures in the amount of \$49 and \$7,992, were used to pay Plan expenses and reduce employer contributions during 2021 and 2020, respectively. As of December 31, 2021 and 2020, there were \$52,128 and \$42,738, respectively, in forfeitures available for future use.

1. Description of the plan, continued

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years, unless used to purchase a personal residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate 1% above the prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon retirement, death, disability, or termination of service, participants will receive an amount equal to the value of their vested benefit. The Plan provides for lump-sum distributions or installment payments for required minimum distributions. Participants receive automatic lump-sum distributions for accounts with a value of \$1,000 or less. In addition, participants automatically have balances rolled into an individual retirement account for accounts with balances between \$1,000 and \$5,000, if no election form is completed.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America using the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the contract.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Concentration of investment risk

As of December 31, 2021 and 2020, substantially all of the Plan's investments were in Transamerica sponsored or affiliated investments.

2. Summary of significant accounting policies, continued

Investment valuation and income recognition

Pooled separate accounts are valued at net asset value (“NAV”) which is used as a practical expedient to estimate fair value and the guaranteed interest general account is valued at contract value. The Plan administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of investment valuation.

Net appreciation in value of investments includes the sum of undistributed net investment income, undistributed realized gain or loss and the unrealized appreciation or depreciation of investment securities held in the pooled separate investment accounts and the Plan’s gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on an accrual basis.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of benefits

Benefits are recorded when paid.

Income tax status

The Plan is a nonstandardized prototype plan. The Internal Revenue Service (“IRS”) has determined and informed the custodian in a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent events

Plan management has evaluated subsequent events through October 7, 2022 the date the financial statements were available to be issued.

3. Information prepared and certified by Transamerica Life Insurance Company, Inc. (“Transamerica”), a party-in-interest

All assets of the Plan were held by Transamerica, a party-in-interest discussed at Note 7, as of December 31, 2021, and 2020. All transactions during the years ended December 31, 2021 and 2020 were executed under formal custody agreements between the Plan and Transamerica. All securities bought, sold or exchanged were executed under these agreements. Such financial information has not been audited by independent auditors.

3. Information prepared and certified by Transamerica Life Insurance Company, Inc. (“Transamerica”), a party-in-interest, continued

In accordance with the provisions of Section 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, Transamerica has certified the following unaudited financial information to be complete and accurate with respect to the Plan’s assets held by them as of December 31, 2021 and 2020 and activity for the years then ended, respectively:

	<u>2021</u>	<u>2020</u>
Investment at contract value:		
Guaranteed interest general account	<u>\$ 1,604,186</u>	<u>\$ 2,425,682</u>
Investments at fair value:		
Pooled separate investment accounts	<u>\$ 50,757,767</u>	<u>\$ 43,673,260</u>
Investment income:		
Net appreciation in value of investments	\$ 6,915,666	\$ 12,021,691
Interest	13,084	16,088
Total investment income	<u>\$ 6,928,750</u>	<u>\$ 12,037,779</u>
Notes receivable from participants	<u>\$ 246,896</u>	<u>\$ 229,546</u>
Interest on notes receivable from participants	<u>\$ 13,295</u>	<u>\$ 14,735</u>

4. Investments, risks and uncertainties

The Plan invests in various investment securities, which in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In addition, the novel coronavirus (“COVID-19”) outbreak, which was declared a pandemic by the World Health Organization on March 11, 2020, negatively impacted the world economy during 2020. The outbreak of COVID-19 is still on-going and the extent of the impact of COVID-19 on the Plan’s net assets available for benefits and changes in net assets available is uncertain.

For the years ended December 31, 2021 and 2020, all investments held by the Plan were in pooled separate investment accounts and a guaranteed interest general account, which are valued at net asset value (“NAV”) and contract value, respectively. The Plan held no investments in any level of the fair value hierarchy as of December 31, 2021 and 2020.

The following is a description of the valuation methodologies used for Plan investments. There have been no changes in the methodologies used at December 31, 2021 and 2020.

4. Investments, risks and uncertainties, continued

Guaranteed interest general account: Valued based at contract value as determined by Transamerica using the interest crediting rate of the contract.

Pooled separate investment accounts: Valued at the NAV of shares held by the Plan in the pooled separate account at year-end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments. Investments in the pooled separate accounts can be redeemed immediately at the current net asset value per share. There are no unfunded commitments or significant restrictions on redemptions.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Guaranteed interest general account

The Plan has a fully benefit-responsive investment contract with Transamerica Life Insurance Company (“Transamerica”). Plan assets invested in this stable value option are commingled with assets in Transamerica’s general account. The account is credited with earnings at the interest rate based on an effective annual rate of interest established for the corresponding six month period following January 1 and July 1 and charged for participant withdrawals and administrative expenses. There is no stated minimum or maximum interest rate for this stable value investment option. The Plan’s ability to receive amounts due in accordance with this contract is dependent on Transamerica’s ability to meet its financial obligations which may be affected by future economic and regulatory developments.

The investment contract is fully benefit-responsive for participant-initiated transactions. The average yield earned by the Plan during 2021 and 2020 under this contract was 0.75% and 0.83%, respectively. Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include: termination of the group annuity contract, amendments to the Plan document including partial or complete termination, changes to the Plan’s prohibition on competing investment options and failure of the trust to qualify for exemption from federal income taxes. The plan administrator does not believe any events which would limit the Plan’s ability to transact at contract value with participants are probable of occurring. The contract may be terminated by the Plan or Transamerica with at least 30 days written notice. Additionally, Transamerica holds the right to delay payments of certain benefits upon termination of the contract for 3 months or 9 months depending on the rate of interest realized over a 12 month period as defined in the contract.

6. Administrative expenses

The Plan pays substantially all administrative expenses, including fees for the maintenance of investments, contributions and distributions records, processing of related transactions and investment advisory fees. Fees paid to Transamerica, a party-in-interest, were \$64,106 and \$49,238, for the years ended December 31, 2021 and 2020, respectively. Loan processing fees and distribution fees are charged directly to respective participant accounts when incurred and are included in administrative expenses.

7. Related party and party-in-interest transactions

The Company has an agreement with Transamerica Life Insurance Company to provide record-keeping, administrative, custodial, investment advisory and transaction processing services for the Plan's investments. The Company also utilizes Mesirow Financial Investment Management, Inc. as investment management fiduciaries to aid in the selection of investment funds available to participants. Other party-in-interest transactions are described in Notes 3 and 6.

During the 2021 plan year, the Company failed to remit employee contributions and loan payments of \$147,323 to the trust within the time frame required by the Department of Labor under the plan asset rules.

During the 2019 plan year, the Company failed to remit employee contributions of \$24 to the trust within the time frame required by the Department of Labor under the plan asset rules.

During the 2017 plan year, the Company failed to remit employee contributions of \$85 to the trust within the time frame required by the Department of Labor under the plan asset rules.
