Independent Auditors' Report

To the Plan Administrator of W Services Group, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of W Services Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of W Services Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about W Services Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of W Services Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about W Services Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of W Services Group, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

W SERVICES GROUP, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

1. Description of Plan

The following is a general description of W Services Group, LLC 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of W Services Group, LLC (the "Company") who have attained the age of 21 years and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and has been amended as required by law. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Trustees.

Contributions – Each year, participants may contribute up to 100 percent of annual compensation on a pre-tax basis and/or an after-tax (ROTH) basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions, which are amounts representing distributions from other qualified benefit plans. Participant contributions receivable amounted to \$24 and \$52 as of December 31, 2021 and 2020, respectively.

The Company may make matching safe harbor contributions to eligible employees under the terms of the Plan. Participant deferrals are matched 100% up to 3% of the participant's compensation, plus 50% of the amount of the participant's deferrals that exceed 3% of the participant's compensation but not in excess of 5%. The matching safe harbor contributions paid for the year ended December 31, 2021 totaled \$195,447. The matching safe harbor contributions receivable for the years ended December 31, 2021 and 2020 totaled \$623 and \$41, respectively.

Participants direct the investments of their contributions and the matching safe harbor contributions into various investment options offered by the Plan.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts – Each participant's account is credited with the participant's contributions and Company matching contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

W SERVICES GROUP, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

1. Description of Plan (continued)

Vesting – Prior to beginning the safe harbor matching contributions on January 1, 2018, employer contributions received by the participants were subject to the vesting schedule below. Each participant's elective account shall be fully vested for participant contributions, safe harbor matching contributions, and the earnings thereon, at all times and shall not be subject to forfeiture for any reason. The following table illustrates the percentage of any employer contribution received prior to the safe harbor election that a participant is entitled to, based upon the number of years of continuous credited service with the Company:

Years of Service	Vested Percentage
Less than 2	0%
After 2 years	20%
After 3 years	40%
After 4 years	60%
After 5 years	80%
After 6 years	100%

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payments of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of time, as defined. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan also provides for in-service distributions subject to conditions and limitations provided for in the Plan document.

Under the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), which was enacted on December 20, 2019, with certain provisions becoming effective January 1, 2020, participants who reach age 70 ½ after December 31, 2019 must begin taking minimum distributions from the Plan by April 1 of the calendar year following the year in which they reach age 72, increased from age 70 ½.

W SERVICES GROUP, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

1. Description of Plan (continued)

Coronavirus Aid, Relief, and Economic Security Act – On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was passed by Congress, which included provisions relating to retirement plans. Effective April 15, 2020, the Plan adopted certain temporary relief provisions for qualified individuals (as defined under the CARES Act), including penalty-free coronavirus-related distributions of up to \$100,000 per individual, increasing the maximum participant loan limit to the lesser of \$100,000 or 100% of the participant's vested account balance, allowing the suspension of loan payments on outstanding loans for one year, as well as the waiver of 2020 required minimum distributions. These temporary relief provisions were effective through December 31, 2020.

Forfeited accounts – As of December 31, 2021 and 2020, there were no forfeited non-vested accounts. There were no forfeitures used to reduce employer contributions or plan expenses for the year ended December 31, 2021.

2. Significant Accounting Policies

Basis of accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in accordance with U.S. generally accepted accounting principles (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan management determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

W SERVICES GROUP, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021

2. Significant Accounting Policies *(continued)*

Payments of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurements and Disclosures, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

3. Fair Value Measurements (continued)

Pooled separate account: The pooled separate account is valued, as a practical expedient, based on net asset value ("NAV") of units held by the Plan at year end. The calculated NAV is directly related to the net asset value of the underlying investment adjusted for dividends or distributions received by the custodian and the daily equivalent of any fees charged. The investments held by the pooled separate account are traded on an active market.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Total assets in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV	-	-	-	2,451,580
Investments at fair value	\$ -	\$ -	\$ -	\$ 2,451,580

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Total assets in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV	-	-	-	1,613,340
Investments at fair value	\$ -	\$ -	\$ -	\$ 1,613,340

For years ended December 31, 2021 and 2020, there were no transfers between Level 1 and Level 2 and no transfers in or out of Level 3.

4. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by John Hancock Life Insurance Company of New York ("John Hancock"), the custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions. As discussed in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Of the \$6,146 the Plan paid in administrative expenses, \$5,276 was for management fees to John Hancock for the year ended December 31, 2021.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subjected to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Based on the current market conditions the near term losses could range from 15% to 25%.

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in declines in the value of investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. The Plan implemented certain provisions under the CARES Act and the SECURE Act as described in Note 1.

7. Risks and Uncertainties *(continued)*

ERISA law requires the Plan to be insured with a fidelity bond of no less than 10% of the Plan's assets. This requirement was not met by the Plan during the year ended December 31, 2021. Subsequent to the year end the Company has increased their fidelity bond coverage accordingly.

8. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by John Hancock Life Insurance Company of New York.

	2021	2020
Investments at fair value	\$ 2,451,580	\$ 1,613,340
Notes receivable from participants	58,164	2,816
Total assets	<u>\$ 2,509,744</u>	<u>\$ 1,616,156</u>

In addition, for the year ended December 31, 2021, \$260,531 in net appreciation in fair value of investments, \$1,810 in interest income on notes receivable from participants and \$451 in other income have been prepared and certified to us as complete and accurate by the custodian.

9. Subsequent Events

The Plan evaluated subsequent events through October 12, 2022, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
