## **Independent Auditor's Report**

To the Plan Administrator and Participants  
T. Rad North America, Inc. Savings Plan and Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the T. Rad North America, Inc. Savings Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audit"). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note C to the 2021 financial statements, is complete and accurate.

### **Opinion for the 2021 Financial Statements**

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion for the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Independent Auditor's Report (Continued)**

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

## **Independent Auditor's Report (Continued)**

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - 2021 Supplemental Schedule Required by ERISA**

The 2021 supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and to other additional procedures in accordance with GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter - Report on the 2020 Financial Statements**

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and, accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**T. Rad North America, Inc. Savings Plan and Trust**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

**Note A - Description of Plan**

The following description of the T. Rad North America, Inc. Savings Plan and Trust (the "Plan") provides only general information. Participants and others interested in more complete descriptions of the Plan's provisions should refer to the Plan Document.

1. General: The Plan is a defined contribution plan. Employees of T. Rad North America, Inc. (the "Company") who have attained age 19 and have completed a minimum of 90 days entry service beginning on the date of hire shall be eligible to participate in the Plan. The entry service is the total of an employee's countable period of service without regards to hours of service. An eligible employee may enter the Plan on first day of the month after the entry requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
2. Contributions: Each year, participants may elect to contribute up to the maximum compensation permissible under the Internal Revenue Code. Employees' changes to their contribution percentage become effective on the first pay period after the change. Contributions can also be made through an election to defer all or a portion (subject to IRS limits) of an employee's cash bonus.

The employer made a matching contribution equal to 50% of an employee's elective deferral contribution up to 6%. Any amount of elective deferral over 6% of employee's pay was not matched.

Participants who have an interest in any other qualified employee benefit plan (as described in Section 401 (a) of the Internal Revenue Code) may transfer the lump sum values of their accrued benefits directly into the Plan if such transfer meets the requirements of the Internal Revenue Code.

3. Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and an allocation of Company contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, specific participant transactions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's portion of their accounts is based on years of service. A participant is 100% vested after five years of credited services or the first month after attaining age 65.
5. Investment Options: Upon enrollment in the Plan, a participant may elect the way in which contributions are invested in their account. The investment election will apply to all contributions. Participants may change their investment options at any time, but only one change per quarter will be allowed.
6. Payment of Benefits and Hardship Withdrawals: On termination of services due to death, disability, retirement or due to other reasons, a participant may elect to receive either a lump sum amount equal to the value of their vested interest in his account or a life annuity. In addition, participants may elect a 50%, 66-2/3% or 100% joint and survivor annuity.

A participant under the age of 59-1/2 may request a hardship withdrawal limited to the vested amount from elective contributions only. After age 59-1/2 hardship withdrawals are limited to participants vested balance only.

**Note A - Description of Plan (Continued)**

7. Forfeited Accounts: The non-vested portion of former participants' accounts may be used to pay administrative expenses of the plan or to reduce the amount of employer contributions. Forfeited accounts totaled approximately \$18,000 and \$16,000 at December 31, 2021 and 2020, respectively. During the plan year ended December 31, 2021, forfeitures totaling approximately \$104,000 were used to reduce the employer matching contributions.
8. Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum \$50,000 or 50% of the participant's vested account balance, minus the highest outstanding loan balance in the prior 12 months.

The loan repayment period is set at a maximum of 5 years. The loans are collateralized by the balance in the participant's accounts and bear interest at a fixed rate equal to the prime rate plus 2% at the date the loan was issued. Only one loan may be granted during a one-year period. Principal and interest are paid ratably through biweekly payroll deductions.

**Note B - Summary of Significant Accounting Policies**

1. Basis of Accounting: The financial statements of the Plan are prepared and presented under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Accounting Standards Codification ("ASC") as produced by the Financial Accounting Standards Board ("FASB") is the sole source of authoritative GAAP.
2. Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

3. Payment of Benefits: Benefits are recorded when paid.
4. Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowances for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.
5. Administrative Expenses: Administrative expenses of the Plan are paid by the Company or Plan participants, as defined in the Plan Agreement.
6. Investment Management Fees and Operating Expenses: Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair values of investments.

7. Use of Estimates: The preparation of the financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and, when applicable, the disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
8. Subsequent Events: Subsequent events for the Plan have been considered through the date of the Independent Auditor's Report which represents the date the financial statements were available to be issued.

**Note C - Certification of Financial Information**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company ("John Hancock"), a qualified institution, has certified to the completeness and accuracy of all investments and notes receivable from participants information reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the Schedule of Assets (Held at End of Year) at December 31, 2021, and the related investment income and interest income on notes receivable from participants information reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

**Note D - Fair Value Measurements**

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Pooled separate accounts*: Valued at the net asset value ("NAV") of units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying investment assets held through subaccounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Pooled separate accounts are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company at December 31, 2021 and 2020. Included in the pooled separate accounts, is a stable value fund which represents participation units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank collective trust. The investments are redeemable at the adjusted NAV under agreements with the insurance company. There are currently no redemption restrictions or unfunded commitments on these investments with the exception of the stable value fund which has a redemption notice period of 12 months.

**Notes to Financial Statements (Continued)**  
**December 31, 2021 and 2020**

**Note D - Fair Value Measurements (Continued)**

The pooled separate accounts consist of the following categories:

- **Aggressive Growth:** Rapid growth and appreciation are the key objectives by utilizing domestic, international or emerging country equity markets and market capitalizations, including heavier concentrations or through riskier techniques than core growth strategies.
- **Growth:** Pursues capital appreciation foremost by investing in equity securities across domestic and international markets and across certain market capitalizations; may be exposed to all market risks.
- **Growth and Income:** Seeks a balance between a high level of income and the growth of capital, with a higher degree of emphasis on growth from exposure to various equity allocations.
- **Income:** A high level of current income is sought by broadly investing in fixed-income securities through various sectors of the bond market and gaining exposure to various types of credit and interest rate risk.
- **Conservative:** The safety of principal is the primary objective and may have a secondary objective of income from exposure to short-term securities or certain types of fixed contracts and money markets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note E - Related Party and Party in Interest Transactions**

Certain administrative services are provided by the Company at no cost to the Plan and certain administrative costs incurred by the Plan are paid by the Company. The Plan has entered into various service agreements with parties in interest. It invests in pooled separate accounts managed by John Hancock, the custodian of the Plan. The Plan paid fees to John Hancock totaling \$24,423 during the Plan year ended December 31, 2021. These transactions qualify as party in interest transactions. Notes receivable from participants also qualify as party in interest transactions.

**Note F - Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, the value of each participant's account balance shall become fully vested and the assets of the Plan will be distributed to the participants.

**Note G - Income Tax Status**

The Plan utilizes a Volume Submitter 401(K) prototype plan sponsored by John Hancock which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2015 that stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Notes to Financial Statements (Continued)**  
**December 31, 2021 and 2020**

**Note H - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

During 2020, the outbreak of the novel coronavirus disease 2019 ("COVID-19") was declared a United States and global pandemic. Since the situation surrounding the pandemic is on-going, the operations of the Plan and Company could ultimately be adversely impacted by the outbreak of COVID-19. The Company's operations have generally been impacted by the outbreak of COVID-19. The duration, nature, and extent of the ultimate direct or indirect impact on the financial condition and/or future results of the Plan and Company, if any, cannot be reasonably estimated at this time.
