INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Magic City Motor Corporation
Employees' Profit Sharing and Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Magic City Motor Corporation Employees' Profit Sharing and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021 stating that the certified investment information, as described in the note titled "Information Prepared and Certified by Trustee" included in the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Magic City Motor Corporation Employees' Profit Sharing and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Magic City Motor Corporation Employees' Profit Sharing and Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAGIC CITY MOTOR CORPORATION
EMPLOYEES' PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN:

The following description of the Magic City Motor Corporation Employees' Profit Sharing and Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all employees of Magic City Motor Corporation and subsidiaries (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Committee oversees governance of the Plan. The Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions
Each year, participants may contribute up to 100% of pretax annual compensation, not to exceed the allowable amount under Section 402(g) of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a 2% deferral rate with an automatic escalation of 1% annually capped at 6%. Additional amounts may be contributed at the option of the Company.

Participant Accounts
Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) investment earnings, (c) eligible forfeitures, and charged with administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the participant's vested account balance in the Plan and bear interest at the prime rate plus one percent. Principal and interest are paid ratably through monthly payroll deductions. Loans may only be distributed for approved hardship reasons. Loan terms can range from one to five years for general purpose hardships and five to fifteen years for purchases of principal residence.

Investment Options
Upon enrollment in the Plan, a participant may direct contributions to a variety of investment funds.

1. DESCRIPTION OF PLAN- (Continued):

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts
At December 31, 2021 and 2020, forfeited nonvested accounts totaled $1,949 and $3,473, respectively, and are included in the group annuity contract in the statement of net assets available for benefits. Under the Plan, forfeitures are reallocated to existing participants. In 2021, $3,473 was reallocated to existing participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting policies, which conform to U.S. generally accepted accounting principles ("GAAP"), have been used consistently in the preparation of the Plan's financial statements.

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting in accordance with GAAP, the Department of Labor ("DOL") rules and regulations, and disclosure under ERISA.

Notes Receivables from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Estimates
The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, changes there in, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Significant estimates used in preparing these financial statements include the fair value of investments. It is at least reasonably possible that significant estimates will change within the next year.

Payment of Benefits
Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):

Operating Expenses
All recorded expenses of maintaining the Plan were allocated to the participant's accounts based on their ownership percentage of the fund generating the expense. The Company pays for some of the operating expenses of the Plan

Investment Valuation and Income Recognition
Investments are reported at fair value with the exception of the group annuity contract which is a fully benefit responsive investment contract ("FBRIC"). Shares of registered investment companies are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year-end. Contract value reflects the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and is the relevant measure for the portion of assets attributable to the FBRIC. See the note titled "Fair Value Measurements" for a discussion of fair value measurements and the note titled "Investments in Group Annuity Contract" for more details regarding the FBRIC.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. FAIR VALUE MEASUREMENTS:

The Plan's investments in common collective trusts and registered investment companies are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were necessary for the Plan.

The following is a description of the valuation methodologies used for assets measured at fair value:

Common Collective Trusts - Common collective trust funds established by Wilmington Trust, N.A. include collective investments of assets in a variety of qualified investment vehicles. These assets consist of exchange traded securities whose NAV values are aggregated and combined with stated fees to arrive at its daily fair market value. These common collective trust funds are classified within Level 2 of the valuation hierarchy.

3. FAIR VALUE MEASUREMENTS – (Continued):

Registered Investment Companies – Shares of registered investment companies (mutual funds) are valued at quoted market prices on the last business day of the plan year, which represent the fair market value of shares held by the Plan.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Quoted prices in Active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Total
December 31, 2021:			
Investments:			
Registered investment companies, at fair value	6,237,736	-	6,237,736
Common collective trusts, at fair value	-	2,852,047	2,852,047
Total investments	$ 6,237,736	$ 2,852,047	$ 9,089,783
December 31, 2020:			
Investments:			
Registered investment companies, at fair value	6,230,979	-	6,230,979
Common collective trusts, at fair value	-	2,248,454	2,248,454
Total investments	$ 6,230,979	$ 2,248,454	$ 8,479,433

4. INVESTMENTS IN GROUP ANNUITY CONTRACT:

The group annuity contract is a fully benefit-responsive investment with Mass Mutual and is reported at contract value in the statements of net assets available for benefits. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, and less participant withdrawals and administrative expenses.

Mass Mutual maintains contributions in a general account. The contractual guarantees are backed up by the full faith and credit of Mass Mutual, the contract issuer. Mass Mutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Crediting interest rates are reset semiannually. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract does not specify any events that would limit the ability of the Plan to transact at contract value with the issuer or any events that would allow the issuer to terminate the contract and settle for an amount different from contract value. The contract provides various payment options for surrendering the contract at contract value; however, the Plan does not intend to surrender the contract.

5. RELATED PARTY TRANSACTIONS:

Mass Mutual served as trustee and managed the plan investments during the year. These investment transactions qualify as party-in-interest. Fees paid to Mass Mutual for investment management services and administrative costs amounted to $54,457 and were allocated to the participant's accounts based on their percentage ownership of that fund.

Certain administrative functions are performed by officers or employees of the Company. These employees are also plan participants. No such officer or employee receives compensation from the Plan.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

7. INCOME TAX STATUS:

The Plan has adopted a prototype plan sponsored by Penserveco Inc. The Internal Revenue Service ("IRS") has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to tax examinations for years prior to 2018.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

For the years ended December 31, 2021 and 2020, all assets are held and invested by Mass Mutual. Mass Mutual receives and holds all income from the investments. Mass Mutual has certified to the completeness and accuracy of all investments reflected in the accompanying Statements of Assets Available for Benefits, the Schedule of Assets (Held at Year End), and the related investment activity reflected in the Statement of Changes in Assets Available for Benefits.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE – (Continued):

The following information included in the accompanying financial statements and supplemental schedule for the years ended December 31, 2021 and 2020 was obtained from data that has been prepared and certified as complete and accurate by the trustee.

	2021	2020
Investments	$ 10,198,010	$ 9,090,847
Participant notes receivable	$ 21,761	$ 5,701
Dividends and interest	$ 531,377	
Net appreciation in fair value of investments	$ 787,218	
Interest income on participant notes receivable	$ 300	

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for plan benefits and statements of changes in net assets available for plan benefits remain uncertain.

10. SELF CORRECTION PROGRAM:

The Plan Sponsor intends to enter the Self Correction Program to correct insignificant plan operational failures as allowed by the IRS. The Plan Sponsor has consulted with outside advisors and is in the process of evaluating corrective actions.

11. SUBSEQUENT EVENTS:

Management has evaluated all subsequent events through October 7, 2022, the date the financial statements were available to be issued.
