## Independent Auditors' Report

---

To the Plan Administrator of the Metro Credit Union 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements***

We have performed an audit of the financial statements of Metro Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and

Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

# Metro Credit Union 401(k) Plan

## Notes to Financial Statements

Years Ended December 31, 2021 and 2020

### 1. DESCRIPTION OF THE PLAN

The following brief description of the Metro Credit Union 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and Plan Document for more complete information.

#### *General*

The Plan is a defined contribution plan covering all eligible employees of Metro Credit Union (the “Credit Union”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to enable participating employees of the Credit Union to accumulate capital for their future economic security. The Plan enables participants to supplement their retirement income by accumulating an individual account balance during their years of employment with the Credit Union.

All assets acquired under the Plan, as a result of participant and Credit Union contributions, income and other additions, will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan. The Plan is administered by the Credit Union for the exclusive benefit of participants in the Plan and their beneficiaries.

Effective January 4, 2021, Empower Retirement acquired MassMutual Retirement Services (“MassMutual”) and will serve as the record keeper and administer the Plan’s assets for the benefit of participants going forward. Reliance Trust Company serves as the trustee of the Plan’s investments.

#### *Participation*

All employees who have completed at least 3 months of service with the Credit Union and have attained 21 years of age are eligible to become participants of the Plan on the first day of the month following the day they meet the eligibility requirements.

See independent auditors’ report.

# Metro Credit Union 401(k) Plan

## Notes to Financial Statements (Continued)

### **DESCRIPTION OF THE PLAN (continued)**

#### ***Participant Contributions***

An active participant may elect to make two types of contributions to the Plan as follows:

##### *Salary deferral contributions*

Once an employee becomes eligible to participate in the Plan, the Credit Union automatically withholds 2 percent of the participant's compensation and contributes it to the Plan unless the participant elects not to defer under the Plan or selects an alternative deferral amount. Contributions will increase 1 percent annually until reaching 5 percent. Contributions to the Plan are subject to certain limits based on federal tax laws. All deferral amounts are contributed by the Credit Union to the Plan on behalf of the participants.

##### *Rollover contributions*

An active participant may contribute to the Plan, with permission of the Plan Administrator, distributions received from other qualified plans or individual retirement accounts, if the distribution and contribution satisfies the tax law requirements to be considered a qualified rollover.

#### ***Employer Contributions***

##### *Safe harbor nonelective contributions*

The Company makes a safe harbor nonelective contribution of 3% the employee's compensation for the plan year upon meeting the eligibility requirements of 3 months of service and attainment of age 21.

##### *Matching contributions*

A participant who has completed at least 1,000 hours of service with the Credit Union or certain institutions acquired by the Credit Union is eligible for matching contributions. Each year the Credit Union will make a matching contribution in an amount equal to 100% of the first 2% of each qualified participant's elective salary deferral.

See independent auditors' report.

### DESCRIPTION OF THE PLAN (continued)

#### *Vesting*

A participant is 100% vested in that portion of their account attributable to salary deferral, rollover and safe harbor contributions. Employer matching contributions will vest according to the following schedule:

| <u>Years of<br/>Service</u> | <u>Vested<br/>Percentage</u> |
|-----------------------------|------------------------------|
| 0-2                         | 0%                           |
| 3                           | 100%                         |

For purposes of vesting, participants are considered to have completed a year of service upon completion of 1,000 hours of service.

#### *Distributions*

All distributions from the Plan are made as lump-sum payments.

#### *Retirement, Disability, or Death*

Participants who retire or become disabled will be entitled to 100% of their account balance. Upon death, the participant's beneficiary will be entitled to 100% of the account balance, payable in accordance with the Plan Document.

#### *Other Termination of Employment*

Upon termination of employment for any reason other than retirement, disability, or death, the participant shall be entitled to receive the vested amount of their account balance.

#### *In-service distributions*

In-service distributions can be made for certain qualifying hardships or upon attaining age fifty-nine and a half.

See independent auditors' report.

## Notes to Financial Statements (Continued)

### **DESCRIPTION OF THE PLAN (continued)**

#### ***Distributions (concluded)***

##### *CARES Act*

Pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”), that was signed into law on March 27, 2020, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

#### ***Notes Receivable from Participants***

Loans to participants are made in accordance with provisions in the Plan and are repaid through payroll deductions. Each loan shall be fully secured by 100% of the participant’s vested interest in the Plan and shall be limited to 50% of the participant’s vested interest in the Plan. Loans shall be in an amount not less than \$1,000 or greater than \$50,000. Interest is at prime plus 1% at the time of origination. The maximum number of loans a participant may have outstanding at any one time is two.

Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant’s note was re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act increased the limit for Plan loans to \$100,000.

#### ***Forfeitures***

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$40,320 and \$20,271, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses. In 2021 and 2020, no forfeitures were used to reduce employer contributions or pay administrative expenses.

See independent auditors’ report.

# Metro Credit Union 401(k) Plan

## Notes to Financial Statements (Continued)

### **DESCRIPTION OF THE PLAN (concluded)**

#### ***Investment Options***

Upon enrollment in the Plan, a participant may direct how their salary deferral and rollover contributions, and Credit Union matching and safe harbor contributions will be invested. A participant may choose the various investment options currently offered by the Plan.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, Credit Union contributions, and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Plan Termination***

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

#### ***Basis of Presentation***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See note 4 for discussion of fair value measurements.

See independent auditors' report.

# Metro Credit Union 401(k) Plan

## Notes to Financial Statements (Continued)

### **SIGNIFICANT ACCOUNTING POLICIES (concluded)**

#### ***Investment Valuation and Income Recognition (concluded)***

Security transactions are recorded on the trade date (the date the order to buy or sell is executed). Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Delinquent participant loans are reclassified as distributions by the Plan Administrator based upon the terms of the Plan Document.

#### ***Benefit Payments***

Benefits are recorded when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of benefits paid are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

### **3. INFORMATION CERTIFIED BY TRUSTEE**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company (the "Trustee"), except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained a certification from the Trustee for 2021 and 2020 that such information is complete and accurate.

See independent auditors' report.

| <b>Interest income on notes receivable from participants</b> | \$ 34,151     | \$ 38,244     |

The Trustee also certified the information included in the Supplemental Schedule of Assets (Held at End of Year).

#### 4. FAIR VALUE MEASUREMENTS

Accounting principles have established a hierarchal framework which prioritizes and ranks the level of market price observability used in measuring investments at fair value. Market price observability is impacted by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Investments held by the Plan are measured using inputs from one of the three levels of the fair value hierarchy. Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

See independent auditors' report.

# Metro Credit Union 401(k) Plan

## Notes to Financial Statements (Continued)

### **FAIR VALUE MEASUREMENTS (continued)**

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

#### ***Valuation Methodologies***

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditors' report.

### FAIR VALUE MEASUREMENTS (concluded)

#### *Investments at Fair Value on a Recurring Basis*

The following table summarizes the valuation of the Plan's investments measured at fair value on a recurring basis as of December 31, 2021 and 2020:

|              | December 31, 2021    |             |             | Total                |

| Mutual funds | <u>\$ 30,909,830</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 30,909,830</u> |

### 5. TAX STATUS OF THE PLAN

The Plan obtained a determination letter from the Internal Revenue Service ("IRS") dated March 31, 2008 in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2018.

### 6. RELATED PARTY TRANSACTIONS

Kestra Advisory Services, LLC ("Kestra"), The Angell Pension Group, Inc. ("Angell"), MassMutual, and Great-West Life & Annuity Insurance Company ("Great-West") provide administrative services to the Plan; as such transactions with these entities qualify as party-in-interest transactions under ERISA. During 2021, the Plan paid fees to Kestra, Angell, and Great-West of \$17,500, \$12,731, and \$6,643, respectively. Fees paid by the Plan to MassMutual and Kestra in 2020 amounted to \$21,096 and \$12,430, respectively. #### *Revenue Credit Program*

The services agreement between the Credit Union and MassMutual Retirement Services, LLC ("MassMutual") provides for a revenue credit payable to the Plan by MassMutual who provides administrative services to the Plan. The quarterly payments are equal to .03% of the Plan's average daily assets held during the applicable quarter and are reported in other income in the statements of changes in net assets available for benefits. The Plan may direct the Trustee to use such amounts to pay direct and necessary expenses of the Plan or in such a manner as permitted under the terms of the Plan and applicable law. The Plan may direct the Trustee to allocate the balances to eligible participant and beneficiary accounts. The amount received for this credit was \$38,793 and \$30,172 for the years ended December 31, 2021 and 2020, respectively. During 2021 and 2020, no revenue credit was allocated to participants. During 2021 and 2020, \$30,231 and \$30,678 of administrative fees were paid from the revenue credit account, respectively. As of December 31, 2021, the revenue credit account balance was \$8,563. ### 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
