INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Starkweather & Shepley Insurance Brokerage, Inc. & Subsidiaries
401(k) & Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Starkweather & Shepley Insurance Brokerage, Inc. & Subsidiaries 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedules H, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and

other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the Starkweather & Shepley Insurance Brokerage, Inc. & Subsidiaries 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Starkweather & Shepley Insurance Brokerage, Incorporated and Subsidiaries (collectively referred to herein as the Plan Sponsor). Employees are eligible to participate in the Plan on their date of hire. The Plan is qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Contributions to the Plan are made by both participating employees and the Plan Sponsor. Upon meeting eligibility requirements, participants become automatically enrolled into the Plan, unless the participant specifically opts out of the Plan. Participants are automatically enrolled in the Plan at 3% of their eligible compensation, as defined in the plan agreement. Participants may contribute up to the maximum amount which will not cause the Plan to violate actual deferral percentage tests, as defined in the Plan agreement, and which will not exceed the dollar limitation as provided by the Internal Revenue Service (IRS). The Plan Sponsor may make discretionary matching contributions. Such discretionary matching contributions are determined annually by the Board of Directors. For the year ended December 31, 2021, such discretionary matching contributions were equal to 100% of the contributing participant's elective deferrals not exceeding 3% of such participant's eligible compensation, as defined in the Plan agreement.

Participants may also make Roth contributions to the Plan. Such contributions are after-tax contributions. The amount of Roth contributions a participant may make is limited to the maximum allowed IRS contribution limit less any pre-tax contributions made.

The Plan Sponsor may individually elect to contribute a discretionary non-elective contribution in addition to the discretionary matching contribution. Participants who are employed on December 31st and who have completed at least 1,000 hours of service during the plan year are eligible for the discretionary non-elective contribution. Such discretionary non-elective contribution is allocated to each participant's account based on the participant's eligible compensation to total eligible compensation. For the year ended

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

December 31, 2021, the Plan Sponsor elected to make a discretionary non-elective contribution to the Plan of \$2,500,000.

Participants direct contributions into various investment options which consist of mutual funds and a common/collective trust. Participants may change the investment options into which their salary deferrals and employer contributions are being invested and may transfer previously invested contributions among investment options on a daily basis, subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions and (a) discretionary employer matching contributions, if any; (b) an allocation of additional Plan Sponsor discretionary contributions, if any; and (c) an allocation of Plan net earnings or losses. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. Each participant's account is reduced on a unit basis by withdrawals, transfers, direct investment expenses, asset charges and, if applicable, loan set up fees. Changes in unit values are reflected in each participant's account based on units held within each account on the valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in that portion of their account which relates to their contributions and the income earned thereon. Vesting in the employer contributions, plus actual earnings thereon, occurs in 20% increments commencing upon the completion of two years of service, with 100% vesting upon the completion of six years of service, death, disability or attainment of normal retirement age as defined in the Plan agreement.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are collateralized by the participant's nonforfeitable interest in the Plan and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. As of December 31, 2021, the outstanding notes require interest at rates ranging from 3.25% to 5.50%. Principal and interest are paid ratably through payroll deductions.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Payment of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. If the participant's vested account balance does not exceed \$5,000, the distribution is paid in one lump sum. If the participant's vested account balance exceeds \$5,000, the participant may elect to receive a distribution either in a lump sum or periodic installments.

Upon written request to the plan administrator, participants may request a financial hardship withdrawal from the vested portion of their account. The minimum amount of such withdrawal is \$3,000.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined in the Plan agreement. If a forfeiting participant is re-employed and fulfills certain requirements, as set forth in the Plan agreement, the participant's account will be restored. Forfeitures of the employer matching and profit sharing contributions may be used to pay administrative expenses and reduce future employer contributions.

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$340,000 and \$261,000, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance for credit losses has not been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred in maintaining the Plan are to be paid by the Plan unless paid by the Plan Sponsor. Amounts paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan recognizes transfers between levels at the end of the reporting period as if transfers occurred on the last day of the reporting period. There were no transfers in the Plan year ended December 31, 2021.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Common/Collective Trust – A Stable Value Fund issued by T. Rowe Price Trust Company that is valued daily at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 62,888,399	\$ -	\$ -	\$ 62,888,399
Total assets in the fair value hierarchy	\$ 62,888,399	\$ -	\$ -	62,888,399
Investments measured at net asset value (a)				5,529,248
Investments at fair value				\$ 68,417,647

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,072,223	\$ -	\$ -	\$ 54,072,223
Total assets in the fair value hierarchy	\$ 54,072,223	\$ -	\$ -	54,072,223
Investments measured at net asset value (a)				3,788,866
Investments at fair value				\$ 57,861,089

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset per value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation to the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share as the practical expedient as of December 31, 2021 and 2020.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2021				
Common/collective trust	\$ 5,529,248	n/a	Daily	None
2020				
Common/collective trust	\$ 3,788,866	n/a	Daily	None

Stable Value Fund

The Stable Value Fund is a common/collective investment trust fund managed by T. Rowe Price which invests in a variety of investment contracts such as guaranteed investment contracts issued by insurance companies and other financial institutions and other investment products and other similar investments that are intended to maintain a constant net asset value while permitting participant-initiated, benefit-responsive withdrawals for certain events. Participants ordinarily may direct withdrawal or transfer all or a portion of the investment at contract value.

4. TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. For the year ended December 31, 2021, the Plan's transactions with parties-in-interest were as follows:

Investments

The Plan held investments which were maintained and held by the Custodian. Such investments were in various funds issued by affiliates of the Custodian. Therefore, the Plan's investments with the Custodian qualified as a party-in-interest.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Administrative Expenses

For the year ended December 31, 2021, the Plan's transactions with parties-in-interest related to administrative expenses and investment advisory and recordkeeping fees paid to T. Rowe Price. Administrative expenses are to be paid by the Plan unless paid by the Plan Sponsor. Also, certain officers and employees of the Plan Sponsor, who are also plan participants, perform administrative services on behalf of the Plan at no cost to the Plan.

5. TAX STATUS

Effective January 1, 2019, the Plan adopted a prototype plan sponsored by T. Rowe Price Retirement Plan Services, Inc. Such prototype plan has received an opinion letter from the IRS dated August 2, 2017 that the Plan is designed in accordance with applicable sections of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

Investment Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Economic Uncertainties

The COVID-19 pandemic is having a broad and negative impact on commerce and financial markets around the world. The COVID-19 pandemic has caused significant economic uncertainty and volatility in financial markets. Due to the level of risk associated with the Plan's investment securities, it is at least reasonably possible that changes in the fair values of the investment securities will occur in the near term and that such changes could materially affect the Plan's financial statements and the participants' account balances.

Geopolitical Risk

In February 2022, Russia commenced an invasion of Ukraine. In response to this, many countries, including the United States of America, placed significant economic sanctions on Russia. These sanctions and the conflict as a whole will likely have a broad and negative impact on commerce, supply chain logistics and financial markets around the world. The extent to which this conflict may impact future market values of the Plan's investments remains uncertain.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested in all Plan Sponsor contributions.

8. PLAN FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (the Trustee) and T. Rowe Price Retirement Plan Services (the Custodian).

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the Starkweather & Shepley Insurance Brokerage, Inc. & Subsidiaries 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Starkweather & Shepley Insurance Brokerage, Incorporated and Subsidiaries (collectively referred to herein as the Plan Sponsor). Employees are eligible to participate in the Plan on their date of hire. The Plan is qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Contributions to the Plan are made by both participating employees and the Plan Sponsor. Upon meeting eligibility requirements, participants become automatically enrolled into the Plan, unless the participant specifically opts out of the Plan. Participants are automatically enrolled in the Plan at 3% of their eligible compensation, as defined in the plan agreement. Participants may contribute up to the maximum amount which will not cause the Plan to violate actual deferral percentage tests, as defined in the Plan agreement, and which will not exceed the dollar limitation as provided by the Internal Revenue Service (IRS). The Plan Sponsor may make discretionary matching contributions. Such discretionary matching contributions are determined annually by the Board of Directors. For the year ended December 31, 2021, such discretionary matching contributions were equal to 100% of the contributing participant's elective deferrals not exceeding 3% of such participant's eligible compensation, as defined in the Plan agreement.

Participants may also make Roth contributions to the Plan. Such contributions are after-tax contributions. The amount of Roth contributions a participant may make is limited to the maximum allowed IRS contribution limit less any pre-tax contributions made.

The Plan Sponsor may individually elect to contribute a discretionary non-elective contribution in addition to the discretionary matching contribution. Participants who are employed on December 31st and who have completed at least 1,000 hours of service during the plan year are eligible for the discretionary non-elective contribution. Such discretionary non-elective contribution is allocated to each participant's account based on the participant's eligible compensation to total eligible compensation. For the year ended

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

December 31, 2021, the Plan Sponsor elected to make a discretionary non-elective contribution to the Plan of \$2,500,000.

Participants direct contributions into various investment options which consist of mutual funds and a common/collective trust. Participants may change the investment options into which their salary deferrals and employer contributions are being invested and may transfer previously invested contributions among investment options on a daily basis, subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions and (a) discretionary employer matching contributions, if any; (b) an allocation of additional Plan Sponsor discretionary contributions, if any; and (c) an allocation of Plan net earnings or losses. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. Each participant's account is reduced on a unit basis by withdrawals, transfers, direct investment expenses, asset charges and, if applicable, loan set up fees. Changes in unit values are reflected in each participant's account based on units held within each account on the valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in that portion of their account which relates to their contributions and the income earned thereon. Vesting in the employer contributions, plus actual earnings thereon, occurs in 20% increments commencing upon the completion of two years of service, with 100% vesting upon the completion of six years of service, death, disability or attainment of normal retirement age as defined in the Plan agreement.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are collateralized by the participant's nonforfeitable interest in the Plan and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. As of December 31, 2021, the outstanding notes require interest at rates ranging from 3.25% to 5.50%. Principal and interest are paid ratably through payroll deductions.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Payment of Benefits

Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. If the participant's vested account balance does not exceed \$5,000, the distribution is paid in one lump sum. If the participant's vested account balance exceeds \$5,000, the participant may elect to receive a distribution either in a lump sum or periodic installments.

Upon written request to the plan administrator, participants may request a financial hardship withdrawal from the vested portion of their account. The minimum amount of such withdrawal is \$3,000.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account represents a forfeiture, as defined in the Plan agreement. If a forfeiting participant is re-employed and fulfills certain requirements, as set forth in the Plan agreement, the participant's account will be restored. Forfeitures of the employer matching and profit sharing contributions may be used to pay administrative expenses and reduce future employer contributions.

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$340,000 and \$261,000, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance for credit losses has not been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred in maintaining the Plan are to be paid by the Plan unless paid by the Plan Sponsor. Amounts paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan recognizes transfers between levels at the end of the reporting period as if transfers occurred on the last day of the reporting period. There were no transfers in the Plan year ended December 31, 2021.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Common/Collective Trust – A Stable Value Fund issued by T. Rowe Price Trust Company that is valued daily at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 62,888,399	\$ -	\$ -	\$ 62,888,399
Total assets in the fair value hierarchy	\$ 62,888,399	\$ -	\$ -	62,888,399
Investments measured at net asset value (a)				5,529,248
Investments at fair value				\$ 68,417,647

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,072,223	\$ -	\$ -	\$ 54,072,223
Total assets in the fair value hierarchy	\$ 54,072,223	\$ -	\$ -	54,072,223
Investments measured at net asset value (a)				3,788,866
Investments at fair value				\$ 57,861,089

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset per value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation to the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share as the practical expedient as of December 31, 2021 and 2020.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2021				
Common/collective trust	\$ 5,529,248	n/a	Daily	None
2020				
Common/collective trust	\$ 3,788,866	n/a	Daily	None

Stable Value Fund

The Stable Value Fund is a common/collective investment trust fund managed by T. Rowe Price which invests in a variety of investment contracts such as guaranteed investment contracts issued by insurance companies and other financial institutions and other investment products and other similar investments that are intended to maintain a constant net asset value while permitting participant-initiated, benefit-responsive withdrawals for certain events. Participants ordinarily may direct withdrawal or transfer all or a portion of the investment at contract value.

4. TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. For the year ended December 31, 2021, the Plan's transactions with parties-in-interest were as follows:

Investments

The Plan held investments which were maintained and held by the Custodian. Such investments were in various funds issued by affiliates of the Custodian. Therefore, the Plan's investments with the Custodian qualified as a party-in-interest.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Administrative Expenses

For the year ended December 31, 2021, the Plan's transactions with parties-in-interest related to administrative expenses and investment advisory and recordkeeping fees paid to T. Rowe Price. Administrative expenses are to be paid by the Plan unless paid by the Plan Sponsor. Also, certain officers and employees of the Plan Sponsor, who are also plan participants, perform administrative services on behalf of the Plan at no cost to the Plan.

5. TAX STATUS

Effective January 1, 2019, the Plan adopted a prototype plan sponsored by T. Rowe Price Retirement Plan Services, Inc. Such prototype plan has received an opinion letter from the IRS dated August 2, 2017 that the Plan is designed in accordance with applicable sections of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

Investment Risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditors' report.

STARKWEATHER & SHEPLEY INSURANCE BROKERAGE, INC. & SUBSIDIARIES 401(k) & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Economic Uncertainties

The COVID-19 pandemic is having a broad and negative impact on commerce and financial markets around the world. The COVID-19 pandemic has caused significant economic uncertainty and volatility in financial markets. Due to the level of risk associated with the Plan's investment securities, it is at least reasonably possible that changes in the fair values of the investment securities will occur in the near term and that such changes could materially affect the Plan's financial statements and the participants' account balances.

Geopolitical Risk

In February 2022, Russia commenced an invasion of Ukraine. In response to this, many countries, including the United States of America, placed significant economic sanctions on Russia. These sanctions and the conflict as a whole will likely have a broad and negative impact on commerce, supply chain logistics and financial markets around the world. The extent to which this conflict may impact future market values of the Plan's investments remains uncertain.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested in all Plan Sponsor contributions.

8. PLAN FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (the Trustee) and T. Rowe Price Retirement Plan Services (the Custodian).
