INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
District 7 HRDC Retirement Plan
Billings, Montana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of District 7 HRDC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

For 2021, we were unable to perform adequate procedures to assure accuracy of the valuation of investments held with New York Life Insurance, Co. These investments are not certified by the custodian and therefore require full-scope audit procedures to be performed. We were unable to complete these procedures due to lack of appropriate supporting information.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), at December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters – Report on 2020 Financial Statements

The financial statements of District 7 HRDC Retirement Plan for the year ended December 31, 2020 were audited by another auditor and as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the prior auditor not to perform, and they did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by MassMutual Financial Group, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. The prior auditor was informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator obtained a certification from the custodian as of December 31, 2020 and for the year then ended that the information provided to the plan administrator by the custodian is complete and accurate.

For 2020, the prior auditor was unable to perform adequate procedures to assure accuracy of the valuation of investments held with New York Life Insurance, Co. These investments are not certified by the custodian and therefore require full-scope audit procedures to be performed. The prior auditor was unable to complete these procedures due to lack of appropriate supporting information.

DISTRICT 7 HRDC Retirement Plan
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021

1. DESCRIPTION OF PLAN

General

District 7 HRDC Retirement Plan (the “Plan”) is a participant-directed defined contribution plan established for a not-for-profit organization, commonly known as Code Section 403(b) savings plan. District 7 HRDC (the “Sponsor”) is the plan sponsor and is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides participants may choose to direct their contributions and/or all or part of their account balances among the Plan’s investment alternatives. All investments are participant-directed.

Eligibility

Eligible employees include all regular full-time employees of the Sponsor over the age of 21, who are not covered under a collective bargaining agreement. Eligible employees may enroll on their date of hire. To participate in the Sponsor's matching contributions, employees must complete two years of service (without an intervening break in service) with at least 1,000 hours each year.

Contributions

Each year, participants may contribute up to the maximum amount allowed by law (Internal Revenue Code Sections 402(g) and 415) of pretax annual compensation, as defined by the Plan, as salary deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor provides a matching contribution to participants of the Plan. The Sponsor's contributions are determined based on 100% of employee deferrals, up to a fixed match percentage of salary deferrals based on years of service. For two to five years of service, the matching percentage is up to 3% of participant compensation; for six to ten years of service, the matching percentage is up to 6% of participant compensation; and for eleven or more years of service, the matching percentage is up to 8% of participant compensation. Contributions are subject to certain limitations. Contributions from employees are recorded in the period in which the Sponsor makes the payroll deductions from participant earnings.

DISTRICT 7 HRDC Retirement Plan
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021

1. DESCRIPTION OF PLAN (Continued)

Investment Options

Participant contributions and Sponsor matching and profit sharing contributions are allocated among the available investment options as directed by each participant. By designating these investment alternatives for participants, allowing frequent fund transfers and providing the necessary fund information to participants, it is intended that the Plan be treated as an ERISA 404(c) Participant-Directed Account Arrangement.

Participant Accounts

Each participant's account is credited with the participant's contributions, sponsor's matching contributions, and allocations of (a) the sponsor's profit sharing contribution, and (b) plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The Employer's discretionary contributions are subject to a six-year vesting requirement.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range up to 5 years, unless the loan is used to purchase a primary residence. Loan transactions are secured by the balance in the participant's account and bear interest at a fixed rate determined by the plan administrator based on prevailing market conditions. Interest rates on existing loans range from 5.25% to 7.50%. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant can have no more than one loan outstanding at any one time.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons there are various methods of distributing benefits. If the vested benefit in the Plan is less than \$5,000 then the only option is a lump-sum distribution. If the participant is married, they automatically receive a joint and 50% survivor annuity, unless both the participant and their spouse elect an alternative form of payment. If the participant is not married, they automatically receive a life annuity. The Plan provides for normal retirement benefits upon reaching age 65. Benefits are recorded when paid.

For the Years Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions which affect the reported assets, liabilities, revenues, and expenditures during the reporting period. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for loan losses has been recorded as of December 31, 2021. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

DISTRICT 7 HRDC Retirement Plan
NOTES TO THE FINANCIAL STATEMENTS
For the Years Ended December 31, 2021

3. INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by MassMutual Life Insurance Company (MassMutual), (a Custodian of the Plan).

The Plan has participant-directed investment contracts and participant notes receivable held with New York Life that are not certified. The value of these investment assets at December 31, 2021 and 2020 was \$569,543 and \$509,433, respectively. The value of the non-certified participant loans as of December 31, 2021 and 2020 was \$23,061 and \$24,002, respectively. The investments and participant notes receivable held with New York Life were neither certified nor subject to full scope audit procedures due to lack of availability of information as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by MassMutual and New York Life. MassMutual and New York Life are the Custodians, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

6. FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Valuations are based on quoted prices in active markets for identical assets or liabilities.

Level 2 – Valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly.

6. FAIR VALUE MEASUREMENTS, (Continued)

Level 3 – Valuations are based on unobservable inputs (assumptions based on the best information available) that are significant to the fair value of the assets or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

General/Fixed accounts: Reported at contract value, which approximates fair value.

Separate accounts: Valued at the closing accumulation unit value of all units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

7. TAX STATUS

The Plan's terms have been drafted in reliance on the sample language provided by the IRS. The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for plan participants. The Plan's management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. The plan administrator believes it is no longer subject to income tax examinations for their closed statutory periods.
