Employees 401(k) Profit Sharing Plan & Trust Agreement, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of nonexempt transactions for the year ended December 31, 2021 and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Eye Care Group, P.C. Employees 401(k) Profit Sharing Plan & Trust Agreement (the “Plan”), sponsored by The Eye Care Group, P.C. (the “Company”), provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan and trust with a qualified cash or deferred 401(k) arrangement. The defined contribution profit sharing plan and trust was established by The Eye Care Group, P.C. on September 30, 1978. The Plan covers substantially all non-union employees who are at least age 21 and have completed a year of service. Newly eligible participants can begin participating on the January 1 or July 1 following their eligibility date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute up to 100% of their compensation as elective deferral contributions. Participants may direct their contributions as either pre-tax contributions or after-tax Roth Contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Company makes a non-elective safe-harbor contribution equal to 3% of each participant’s eligible compensation. Additionally, the Company may make, at its discretion, matching and profit sharing contributions. During the year ended December 31, 2021, the discretionary matching contribution was equal to 25% of each participant’s elective contribution, up to the first 4% of compensation contributed. During the year ended December 31, 2021, the Company made discretionary profit sharing contributions equal to a percentage of each eligible participant’s compensation that ranged from 1.1% to 9.3%. In order to share in the discretionary matching and profit-sharing contributions, participants must be employed on the last day of the plan year and have worked at least 1,000 hours during the Plan year.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Contributions are subject to certain limitations. Participants direct the investment of all contributions into various investment options offered by the Plan and held in a trust with Charles Schwab Trust Bank, the custodian of the Plan. Participants can also direct the investment of their contributions into a variety of money market and mutual funds and common stock held in the Plan's self-directed brokerage accounts with TD Ameritrade.

Participant Accounts

Each participant's account is credited with the participant's and discretionary matching contributions, as well as allocations of Company's safe-harbor and discretionary profit sharing contributions and Plan earnings. The accounts are charged for any withdrawals, distributions and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe-harbor contributions, plus actual earnings thereon. The Plan provides that participants have no vested interest in the Company's discretionary matching and profit-sharing contributions until they have completed two (2) years of service, at which time participants become 20% vested. Vesting increases by 20% each year up to 100% after six (6) years of service. An employee is considered to have completed one (1) year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during a plan year. Participants become immediately 100% vested in all of their accounts upon retirement, death or total and permanent disability.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Vested Benefits

Upon termination of service for any reason, a participant will become entitled to the total value of his or her account. Distributions will be paid in a lump sum, partial lump sum, installment payments over a number of years, or purchase of an annuity contract, based on the election of the participant. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may roll the amount into an individual retirement account on behalf of the participant without the consent of the participant. Participants with a vested balance greater than \$5,000 may defer payment of benefits until a later date.

In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take in-service withdrawals from the Plan upon attainment of age 59½.

Forfeitures

If a participant terminates employment at a time when the participant does not have a fully vested interest, the non-vested portion of the participant's account plus, actual earnings thereon, is forfeited. Unallocated forfeited balances are used to reduce future employer contributions or to pay plan expenses. At December 31, 2021 and 2020, forfeited non-vested amounts totaled \$4,857 and \$-0-, respectively. These amounts will be used to reduce future employer contributions or to pay plan expense.

NOTE 2 – SUMMARY SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investments. Investments are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with these investments, coupled with the recent economic events, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefit payments are recorded when paid.

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

THE EYE CARE GROUP, P.C.
EMPLOYEES 401(K) PROFIT SHARING PLAN
& TRUST AGREEMENT

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the applicable methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange Traded Funds - Valued at the daily closing price in the active market in which the funds are traded.

Money Market Deposit Accounts – Valued at the cash on deposit, plus accrued interest. Due to the short-term nature of the account, this is deemed to approximate fair value.

Self-Directed Brokerage Accounts - Self-directed brokerage accounts consist primarily of money market deposit accounts, exchange traded funds, mutual funds and common stocks, which are valued at the closing price reported on the active market in which the individual securities are traded. Additionally, self-directed brokerage accounts consist of fixed income securities, which comprise corporate and government bonds, which are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yield currently available on comparable securities of issuers with similar credit ratings.

NOTE 4 – CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021, and investment income for the year then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank. Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2020 was obtained by management and agreed to or derived from information certified as complete and accurate by TD Ameritrade Trust Company.

The Plan's self-direct brokerage accounts held at TD Ameritrade at December 31, 2021, and the related investment income for the year ended are not certified. These accounts had a fair value of \$5,486,505 at December 31, 2021. The self-directed brokerage accounts had interest and dividends and net appreciation in fair value of investments of \$352,807 and \$323,759, respectively, for the year ended December 31, 2021.

NOTE 5 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated September 30, 2014 indicating that the Volume Submitter Plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan agreement, to amend any or all provisions of the Plan, as well as discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed or issued by Charles Schwab Trust Bank or TD Ameritrade. Charles Schwab Trust Bank and TD Ameritrade are the custodians and record keepers for the Plan and, therefore, these transactions and the Plan's payment of fees to Charles Schwab Trust Bank and TD Ameritrade qualify as party-in-interest transactions. Administrative expenses paid by the Plan to Charles Schwab Trust Bank and TD Ameritrade, or their affiliates, totaled \$18,499 for the year ended December 31, 2021.

NOTE 8 – NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

In November 2019, TD Ameritrade inadvertently overpaid the Plan's investment advisor by \$12,793, which was funded from participant accounts. This overpayment represents a nonexempt transaction under the provisions of ERISA and the Code. The overpayment was returned to the affected participants' accounts in December 2019. During 2021, additional contributions were made to the Plan and allocated to the affected participants, which represented the lost earnings attributable to the overpayment.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for recognition and disclosure through October 14, 2022, the date the accompanying financial statements were available to be issued.
