Independent Auditor's Report

The Babcock & Wilcox Company
The Babcock & Wilcox Company Thrift Plan
Akron, OH

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of *the Babcock & Wilcox Company Thrift Plan* (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(c) ("ERISA Section 103(a)(3)(c) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held (at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

The Babcock & Wilcox Company
The Babcock & Wilcox Company Thrift Plan
Akron, OH

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of *the Babcock & Wilcox Company Thrift Plan* (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(c) ("ERISA Section 103(a)(3)(c) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held (at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of The Babcock & Wilcox Company Thrift Plan (the “B&W Plan”) provides only general information. Participants should refer to the Summary Plan Description for more detailed information or to the official plan documents for complete information.

General

The B&W Plan is a defined contribution plan administered by The Babcock & Wilcox Benefits Committee (the “Committee”). Vanguard Fiduciary Trust Company (the “Trustee”), a wholly owned subsidiary of The Vanguard Group, Inc. (“Vanguard”), is the trustee of the trust that holds the assets of the B&W Plan. Recordkeeping and investment management of the funds (as selected by the Committee) is the responsibility of Vanguard.

The B&W Plan offers investment funds managed by Vanguard and Babcock & Wilcox (“B&W”).

The B&W Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Substantially all employees of the Babcock & Wilcox Company (“the Company”) and participating subsidiary and affiliated companies are generally eligible to participate in the B&W Plan. Exceptions include, non-resident alien employees who do not earn income in the United States, leased employees, independent contractors, employees under certain collective bargaining agreements, and employees who regularly work less than 30 hours per week, unless they complete a year of service (as defined in the B&W Plan document).

Contributions

A participant may generally elect to make contributions to the B&W Plan in an amount ranging from 1% to 75% of the participant's compensation up to a maximum amount established annually by the Internal Revenue Service (“IRS”), subject to certain limited exceptions for employees under certain collective bargaining agreements. Participants 50 and older are allowed to make certain additional contributions above these normal limits, subject to certain limited exceptions for employees under certain collective bargaining agreements. Contributions on a pre-tax, after-tax or Roth basis, up to the first 8% of a participant's eligible compensation are considered basic contributions under the B&W Plan and any additional contributions up to 25% of eligible compensation are considered supplemental contributions. Subject to certain limited exceptions for employees under certain collective bargaining agreements, new employees are automatically enrolled in the B&W Plan at the 8% employee contribution level on a pre-tax basis, with the rate of contribution automatically increasing by 1% annually each January until the contribution reaches 10%, and with an option to elect out of contributing to the B&W Plan at any time. Rollover contributions from other plans are accepted provided certain specified conditions are met.

Subject to certain limited exceptions for employees under certain collective bargaining agreements, Company matching contributions are made in amounts equal to one-half of the participants' basic contributions. Matching contributions are typically made in cash.

The Babcock & Wilcox Company Thrift Plan

Notes to Financial Statements

Beginning in April 2020, as part of the Company's response to the impact of the COVID-19 pandemic on its business, the Company has suspended matching contributions for 2020 and 2021 as of the issuance of these financial statements. There were \$32,805 in serviced based company contributions made to Hourly employees during the year ended December 31, 2021.

Participants' accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and investment gains, and charged with withdrawals, investment losses and administrative expenses. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account under the B&W Plan.

Participants in the B&W Plan are entitled to transfer, in 1% increments and in unlimited number, subject to any restrictions set forth in the prospectus of the investment options, their accumulated participant and Company contributions and related fund earnings to other investment options, subject to the following restrictions: (a) transfers to the B&W Stock Fund are restricted to Company contributions plus gains and losses that were originally invested in the B&W Stock Fund and transferred out of that fund, (b) participants cannot transfer into and out of the same fund effective on the same valuation date, (c) if a participant moves money out of an investment fund, the participant cannot move money back into the same fund for 60 calendar days and (d) participants cannot contribute to the B&W Stock Fund.

Vesting

All participants are 100% vested in participant contributions and rollover contributions made to the B&W Plan. Participants vest in Company contributions and earnings at retirement or death while employed, disability, involuntary termination for reasons other than cause or after three years of service.

Notes receivable from participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of (1) \$50,000 minus the highest outstanding loan balance during the one-year period ending on the day before the new loan is made or (2) 50% of their vested account balance. Loans are repaid over a period not to exceed five years with exceptions for loans taken for the purchase of a primary residence. Participants may have only one loan outstanding at any one time. The loans are secured by the balance in the participants' accounts and bear interest at the Prime Rate received by the Trustee from Reuters, plus 1%. Principal and interest are generally paid ratably through payroll deductions.

Forfeitures

Forfeitures due to termination from the B&W Plan before a participant is 100% vested are used to reduce future Company contributions or to defray reasonable B&W Plan administrative expenses. Unallocated forfeited non-vested accounts totaled \$642,085 and \$621,561 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$129,328 of forfeitures were used to offset B&W Plan expenses.

Payment of benefits

Participants may elect in-service withdrawals of all or part of the value of their after-tax employee contributions, vested Company contributions, rollover contributions into the B&W Plan and any earnings on those funds. Withdrawals may only be made in any six-month period if the participant is under age 65, and may subject the participant to certain suspension periods during which contributions may not be made. Withdrawals of pre-tax and Roth employee contributions may be requested in the event of financial hardship or upon attainment of age 59 ½.

The Babcock & Wilcox Company Thrift Plan

Notes to Financial Statements

Upon termination of service for any reason, including death, disability, or retirement, a participant may elect to receive the vested value of his or her account as a lump-sum distribution, to roll over the funds to an IRA or other qualified plan, and/or to receive certain installment payments. Distributions are paid in cash except B&W common stock may be distributed in-kind.

Plan termination

Although it has not expressed any intent to do so, the Company has the right to amend, terminate or otherwise modify the B&W Plan at any time, subject to the provisions of ERISA, solely at the discretion of the Board of Directors of the Company or its duly authorized delegates. In the event of plan termination, participants will immediately become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

Use of estimates

The preparation of these financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Such estimates include those regarding fair value. Actual results could differ from those estimates and those differences could be material.

Risks and uncertainties

The B&W Plan provides for various investment options, including mutual funds, collective trust funds, and B&W stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

Investment valuation and income recognition

The B&W Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the B&W Plan. Collective trust funds with underlying investments in benefit-responsive investment contracts are valued at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the B&W Plan. The B&W Stock Fund is valued at its year-end unit closing price (comprised of year-end market price plus un-invested cash position), which approximates fair value.

The B&W Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation in the fair value of its investments, which consists of realized gains and losses upon the sale of investments and the unrealized appreciation and depreciation of those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

The Babcock & Wilcox Company Thrift Plan

Notes to Financial Statements

Management fees and operating expenses charged for investments in the mutual funds and collective trust funds are embedded in their trading prices and are not separately reflected. Consequently, management fees and operating fees are reflected as a reduction of investment return for such investments within the line described as net appreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent notes receivable are reclassified as benefits paid based upon the terms of the B&W plan document. Loans bear interest at rates ranging from 4.25% to 6.50%.

Payment of benefits

Benefits are recorded when paid and are based on the fair value of the respective funds at the effective date of the withdrawal. Benefits are paid in cash except that B&W common stock may be distributed in-kind if elected by the participant.

Administration fees and investment expenses

Administrative expenses of the B&W Plan are paid by the B&W Plan, or the Company as provided in the B&W plan document. Administrative expenses reported in these statements reflect only those expenses paid by the B&W Plan and may include recordkeeping and other participant-initiated transaction-based fees.

Subsequent events

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

3. Fair Value Measurements

The FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. ASC 820 also expands the disclosure requirements around fair value and establishes a hierarchy for valuation inputs that emphasizes the use of observable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Categorization of instruments within the fair level hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1	Observable inputs such as quoted prices in active markets.
Level 2	Inputs other than quoted prices in active markets that are either directly or indirectly observable
Level 3	Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The Babcock & Wilcox Company Thrift Plan
Notes to Financial Statements

The following is a description of the primary valuation methodologies used to measure the fair value of each class of B&W Plan assets.

Mutual Funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Company stock fund

These funds are valued based on the last quoted price on the listed exchange.

Money market fund

These funds are valued at the notional monetary amount held by the B&W Plan.

Common collective trust funds

These funds are valued at the net asset value ("NAV") of units of the collective fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Stable value collective trust fund

The Plan invests in a stable value collective trust fund for which quoted prices are not available in active markets for identical instruments. The Plan utilizes the net asset value ("NAV") provided by the Trustee as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the stable value collective trust fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The stable value collective trust fund is not required to be classified within a level on the fair value hierarchy.

The following table sets forth the fair value of the B&W Plan's investments as of December 31, 2021 and 2020:

	Level 1 2021	Level 1 2020
Registered investment companies	\$ 207,616,180	\$ 192,886,690
Company stock fund	201,071	85,089
Money market fund	<u>819,392</u>	<u>797,159</u>
Total assets in the fair value hierarchy	208,636,643	193,768,938
Investments measured at net asset value	<u>199,112,837</u>	<u>184,905,049</u>
Investments at fair value	<u>\$ 407,479,480</u>	<u>\$ 378,673,987</u>

- (a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Notes to Financial Statements

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the B&W Plan.

	<u>Fair value at December 31, 2021</u>	<u>Fair value at December 31, 2020</u>	<u>Unfunded commitments</u>	<u>Redemptive Frequency</u>	<u>Redemptive notice period</u>
Common/collective trust funds:					
Vanguard Target Date Funds	\$ 191,745,985	\$ 175,988,705	None	Daily	12 Months
Vanguard Target Income	\$ 7,366,852	\$ 8,916,344	None	Daily	12 Months

4. Fully Benefit-Responsive Investment Contract

The Vanguard Retirement Savings Trust II (the "Trust") contains fully benefit-responsive investment contracts as defined by the American Institute of Certified Public Accountants. The Trust provides for the collective investment of assets of tax-exempt pension and profit-sharing plans. The Trust invests solely in the Vanguard Retirement Savings Master Trust (the "VRST Master Trust"). The underlying investments of the VRST Master Trust are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts. The issuers' ability to meet these obligations may be affected by economic developments in these respective companies and industries. Withdrawals may be made for the primary purposes of funding an authorized distribution, withdrawal, or loan disbursement by a participating pension or profit-sharing plan to an employee or beneficiary covered thereunder, or for the purpose of the participating Plan making an employee-directed transfer to another investment election of the employee's interest in the plan. Certain plan-directed withdrawals may be subject to market value adjustments calculated in accordance with the provisions of the investment contracts or restricted by a holding period. Such events would include premature termination of the contracts, certain levels of sponsor layoffs, B&W Plan termination or merger, changes to the B&W Plan's prohibition on competing investment options or bankruptcy of the B&W Plan sponsor that significantly affect the B&W Plan's normal operations. No events are probable of occurring that might limit the ability of the B&W Plan to transact at contract value. The contract value of the B&W Plan's investment in the Trust as of December 31, 2021, and 2020 was \$75,639,217 and \$79,224,939, respectively. Additional information regarding this investment can be found in the financial statements of the Vanguard Retirement Savings Trust II.

5. Unaudited Information Certified by the Trustee

The accompanying financial statements include the following unaudited information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 that was obtained from data prepared and certified to be complete and accurate by the Plan's trustee (or custodian).

	<u>2021</u>	<u>2020</u>
Investments	<u>\$ 483,118,697</u>	<u>\$ 457,898,926</u>
Notes receivable from participants	<u>\$ 1,038,964</u>	<u>\$ 1,411,041</u>
Net appreciation in fair value of investments	<u>\$ 43,119,459</u>	
Interest income	<u>\$ 13,378,938</u>	
Interest income from notes receivable	<u>\$ 61,284</u>	

6. Income Tax Status

The IRS has determined and informed the Company by a letter dated April 27, 2017, that the B&W Plan is qualified under the applicable regulations of the Internal Revenue Code, subject to the adoption of certain proposed amendments provided by the IRS. The Committee believes that because the B&W Plan is qualified, the related Trust is exempt from taxation.

U.S. GAAP requires plan management to evaluate tax positions taken by the B&W Plan and recognize a tax liability if the B&W Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by the IRS. The Company's management has analyzed tax positions taken by the B&W Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements. The B&W Plan is subject to routine audits by taxing jurisdictions. Currently no audits for any tax periods are in progress.

7. Related Party Transactions

Participants in the B&W Plan invest in shares of mutual funds managed by an affiliate of the Trustee. Participant accounts may also hold shares of B&W common stock. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. Participant loans also qualify as exempt party-in-interest transactions. The Company also provides administrative services to the B&W Plan and may pay certain administrative expenses of the B&W Plan with no reimbursement from the B&W Plan.

8. Reconciliation of Financial Statements to Form 5500
