INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
SOUTH PLAINS IMPLEMENT, LTD. 401(k) PLAN
Seminole, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of South Plains Implement, LTD. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of South Plains Implement, LTD. 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of South Plains Implement, LTD. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Plains Implement, LTD. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Plains Implement, LTD. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Plains Implement, LTD. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment

information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of South Plains Implement, LTD. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOUTH PLAINS IMPLEMENT, LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the SOUTH PLAINS IMPLEMENT, LTD. 401(k) PLAN provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of South Plains Implement, Ltd. who have met plan eligibility requirements. An employee must reach age 18, complete six months and 1,000 hours of service and employed on the last day of the Plan year to be eligible to make elective deferrals to the Plan. Employees may enter the Plan on the first day of January, April, July or October coinciding with or following the date they satisfy the Plan's eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant's self-directed account is credited with the participant's contribution along with the Plan Sponsor's matching and discretionary contributions, if any, and related investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's compensation, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately 100% vested in their elective deferrals and rollover contributions, plus actual earnings thereon. The normal retirement age under the Plan is 62, at which time participants also become fully vested. Participants vest in matching contributions based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Contributions

Participants may elect to have up to 100% of their pretax annual compensation, as defined in the Plan, contributed to the Plan. Participant salary deferral contributions are voluntary and limited to the maximum amount permitted by the IRS (i.e. \$19,500 for 2021 and \$19,500 for 2020). Participants who are at least age 50 or will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth contributions. The Company contributes 50% of the first 8% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's board of trustees.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options.

Payment of Benefits

Upon termination of service, death, disability, or retirement, participants may elect to receive a lump-sum amount equal to the vested value of their account or may transfer the vested value of their account to another retirement investment vehicle. For those vested account balances less than \$5,000, only lump-sum payments are available. Participants with vested account balances greater than \$5,000 may delay distributions until required by law to receive required minimum distributions.

Forfeited Accounts

Forfeited accounts are used to offset the Employer's contribution and/or offset Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$24,840 and \$16,459, respectively. Employer contributions were reduced by \$-0- and \$19,056 for the years ended December 31, 2021 and 2020.

Plan Termination

Although the Employer intends to maintain the Plan indefinitely, the Employer reserves the right to terminate the Plan at any time under the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will become 100% vested. The Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practical. You will be notified if the Plan is terminated.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Investments

The Plan's investments in insurance company pooled separate accounts are stated at fair value as reported by Ameritas Life Insurance Corporation, except for the fully benefit-responsive investment contract, which is reported at contract value. The estimated fair values of the pooled separate accounts with Ameritas Life Insurance Corporation have been determined based on the unit values of the accounts. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See note 4 for discussion of fair value measurements.

Investment income includes realized gains or losses, interest income and the unrealized appreciation/(depreciation) on these investments. Dividends are recorded on the ex-dividend date.

Use of Estimates

The Plan administrator uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the changes therein, and disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Participant Notes Receivable

Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The loan interest rate varies from 4.25% to 6.50%. The loan interest rate is set as prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's residence, in which case the loan terms range up to 15 years. A participant may have no more than two outstanding notes at any

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

one time; however, if a participant has more than one outstanding note, one note must be for a principal residence amortized for a period greater than five years.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Employer has elected to pay all plan related expenses except for certain expenses which are intrinsic to the value of the Trust assets such as brokerage commissions.

NOTE 3 - INVESTMENTS

The Plan has investments with Ameritas Life Insurance Corporation, which are pooled separate investment accounts, including mutual fund investments under a variable return annuity contract arrangement.

The custodian of the Plan has certified that the investments and related transactions of the Plan are complete and accurate. Investment information certified by the custodian has not been audited by independent auditors. Investment information is summarized as follows:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Variable Investment Funds	\$22,694,848	\$18,911,314

Investments at contract value:		
Guaranteed Investment Account	687,677	647,966

During the plan years ended December 31, 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value \$3,008,613 and \$3,254,526, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value for investment options offered by Ameritas Life Insurance Corporation. The level classifications and descriptions discussed below are based on the judgment of Ameritas Life Insurance Corporation. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at fair value based on the net asset value (NAV) of units as determined by the insurance company, Ameritas Life Insurance Corporation). The NAV is based on the observable market prices of the underlying assets within the account less liabilities. The NAV for the underlying assets of the account is a readily determinable measure of their fair value and is the basis for current transactions.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Money Market Funds are classified in Level 1 of the fair value hierarchy as fair value is based on quoted prices in active markets for identical securities.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table presents the financial instruments carried at fair value as of December 31, 2021 and 2020:

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract (GIC) with Ameritas Life Insurance Corporation. Ameritas Life Insurance Corporation maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 2.69%. Such interest rates are reviewed on a quarterly basis for resetting. The GIC does not permit Ameritas Life Insurance Corporation to terminate the agreement prior to the scheduled maturity date.

Because the GIC is fully benefit-responsive, contract value is the relevant measure for the GIC, as this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value as reported to the Plan by Ameritas Life Insurance Corporation represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expense. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract at December 31, 2021 and 2020 was \$687,677 and \$647,966, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events limit the Plan's ability to transact at contract value with the issuer or will restrict the withdrawal of funds. Such events include the following: termination of the contract, spinoffs, divestitures, layoffs,

NOTE 5 – GUARANTEED INVESTMENT CONTRACT - CONTINUED

corporate relocations, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants. Under no event may Ameritas Life Insurance Corporation terminate this contract and settle at an amount different from the contract value.

NOTE 6 – INCOME TAX STATUS

The Plan uses a pre-approved plan document sponsored by Tax Favored Benefits, which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, stating the pre-approved document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTE 7 – RELATED PARTY TRANSACTIONS

Certain administrative costs are paid by the Company.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended December 31, 2021, to Form 5500:

Net assets available for benefits per the financial statement	\$24,036,258
Employee contributions receivable	(1,318)
Employer contributions receivable	<u>(659)</u>
Net assets available for benefits per the Form 5500	<u>\$24,034,281</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2021 to Form 5500:

Contributions per the financial statement	\$1,928,727
Employee contributions receivable – current year	(1,318)
Employer contributions receivable – current year	<u>(659)</u>
Contributions per the Form 5500	<u>\$1,926,750</u>

There were no reconciliations of contributions received from participants per the financial statements at December 31, 2020 to Form 5500.

NOTE 9 – SUBSEQUENT EVENTS

The Plan did not have any subsequent events through September 28, 2022, which is the date the financial statements were available to be issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2021.
