Independent Auditors' Report

To the Plan Administrator and Participants
Yotel Management USA 401(k) Safe Harbor Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Yotel Management USA 401(k) Safe Harbor Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information), by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and (2) Schedule H - Part IV – Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator and Participants Yotel Management USA 401(k) Safe Harbor Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Yotel Management USA 401(k) Safe Harbor Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Yotel Management USA 401(k) Safe Harbor Plan

Notes to Financial Statements
December 31, 2021

1. Plan Description

The following description of the Yotel Management USA 401(k) Safe Harbor Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is administered by Yotel Management USA Co., LLC. (the "Employer"). Principal Life Insurance Company was the Trustee and record-keeper of the Plan through December 31, 2020. Effective January 1, 2021, the Plan transferred all of its net assets to Mid Atlantic Trust Company, the Plan's new custodian and record keeper ("Mid Atlantic").

Eligibility

The Plan is a defined contribution profit sharing plan covering substantially all non-union employees of the Employer who have a minimum of one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year participants may contribute up to the amount allowed by the Internal Revenue Code ("IRS") of pretax annual compensation, as defined in the Plan document. The Employer matches 100% of participant contributions up to 4% of the participant's wages, plus 50% of the participant's contributions which are over 4% but not over 6% of the participant's wages.

The Plan also allows for additional discretionary contributions by the Employer. There were no discretionary employer contributions for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately and fully vested in their pre-tax contributions and Employer matching contributions plus actual earnings thereon. Vesting in the Employer discretionary matching contributions is based on years of continuous service. A participant vests at a rate of 20% per year starting after year 1 and is 100% vested after five years of credited service.

Notes to Financial Statements

December 31, 2021

1. Plan Description (*continued*)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years with the exception of loans for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus one percent per annum. Principal and interest are paid ratably through payroll deductions (see note 2).

Interest rates on such loans ranged from 4.25% to 6.50% at December 31, 2021 and December 31, 2020.

Payment of Benefits

A participant's account will be distributed in a lump-sum payment upon termination, disability, retirement or death if the participant's account balance is less than \$5,000. However, any non-vested portion of the account balance is forfeited, except in the case of disability, retirement or death. In the event of such separation prior to age 59-1/2, the participant may elect to defer the distribution until the participant reaches age 59-1/2 or to an earlier date, provided that the participant's eligible distribution exceeds \$5,000. An inactive participant's account must be distributed no later than April 1, of the year following the participant's reaching 70-1/2 years of age. Active participants over the age of 70-1/2 can defer required minimum distributions until termination, retirement, disability or death. The Plan also provides for distributions under defined hardship distribution rules.

Forfeitures

Forfeitures are allocated to either reduce expenses incurred in the operations of the Plan or reduce future Employer contributions. At December 31, 2021 and 2020, there were no forfeited non-vested accounts and no amounts were used during the year ended December 31, 2021.

2. Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements

2. Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded on an accrual basis and dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Mutual funds held by the Plan are valued at fair value based on the daily closing price reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The common/collective trusts are valued at NAV of units held by the Plan. The NAV, as provided by Mid Atlantic, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pursuant to US GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding principal amounts plus accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is made.

Payment of Benefits

Benefits are recorded when paid.

2. Significant Accounting Policies (*continued*)

Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a variety of investment options. There is no limit to how often a participant may change their investment options.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company as of and for the year ended December 31, 2021 and Principal Life Insurance Company as of December 31, 2020, qualified institutions.

4. Investments

The following are the classes and major categories of the Plan's investments at December 31, 2021 and 2020 grouped by the fair value hierarchy:

Description	Level 1	Other Investments Measured at NAV *	Total
<u>December 31, 2021</u>			
Mutual funds	\$ 4,437,383	\$ -	\$ 4,437,383
Common/collective trusts	-	15,556	15,556
Total Investments	<u>\$ 4,437,383</u>	<u>\$ 15,556</u>	<u>\$ 4,452,939</u>
<u>December 31, 2020</u>			
Mutual funds	\$ 33,873	\$ -	\$ 33,873
Pooled separate accounts	-	105,402	105,402
Common/collective trusts	-	3,801,978	3,801,978
Total Investments	<u>\$ 33,873</u>	<u>\$ 3,907,380</u>	<u>\$ 3,941,253</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

6. Tax Status

The Internal Revenue Service issued an opinion letter dated March 31, 2014 to the prototype plan document preparer which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC").

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing authorities for periods since 2018; however, there are currently no examinations for any tax periods pending.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

8. Party-in-Interest Transactions

Certain investments of the Plan as of December 31, 2020 were managed by the Trustee. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Certain employees of the Employer, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements on net assets available for benefits.

9. Prohibited Transactions

During 2021, the Employer failed to remit to the Plan certain participants' contributions totaling \$475 within the period prescribed by the Department of Labor Regulations. The Employer is in the process of calculating lost earnings on these contributions.

10. Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 17, 2022.
