## Report of Independent Auditors

Plan Administrator

Navy-Marine Corps Relief Society 401(k) Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Navy-Marine Corps Relief Society 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institutions that management determined meet(s) the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# Navy-Marine Corps Relief Society 401(k) Savings Plan

## Notes to Financial Statements

Year ended December 31, 2021

### **Note 1 - Description of Plan**

The following description of the Navy-Marine Corps Relief Society 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan established effective August 1, 2011 and most recently amended on December 16, 2020. Employees of the Navy-Marine Corps Relief Society (the Society) become eligible to participate upon completing 60 consecutive days of service, as defined by the Plan document, and attaining the age of 21, but not earlier than August 1, 2011. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### *Contributions*

Participants are enrolled at a deferral rate of 3% of the eligible compensation automatically and may elect a different percentage or amount of their eligible compensation, as defined by the Plan document, for the contribution period, subject to Internal Revenue Code (IRC) limits. Participants may also make rollover contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are recorded in the period during which the Society makes payroll deductions from the participant's eligible compensation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate initially set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

The Society makes contributions, which match the amount contributed by a participant, up to a maximum of 3% of the participant's annual eligible compensation. Additionally, the Society contributes a safe harbor contribution of 3% of participant's eligible compensation. The Society's contributions are invested in the funds offered as directed by the participants.

#### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocation of the Society's contributions and Plan earnings or losses. Earnings or losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. Participant and Society contributions are allocated as directed by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Notes to Financial Statements (Continued)

#### **Note 1 - Description of Plan (Continued)**

##### *Vesting*

Participants are immediately vested in their own voluntary contributions, rollover contributions, employer matching contributions, and safe harbor contributions plus actual earnings thereon.

##### *Benefit Payments*

Upon termination of service due to death, disability or retirement, participants may elect to receive a lump-sum amount equal to the value of their account. Hardship distributions are also allowed for medical care, cost of purchase of principal residence, amounts to prevent foreclosure or eviction, funeral expenses and casualty losses. If a hardship distribution is made, the participant's contributions under the Plan will be suspended for six months. Distributions are subject to the applicable provisions of the Plan agreement.

##### *COVID-19 Risks and Uncertainties*

The ongoing COVID-19 coronavirus pandemic (COVID-19) continues to have a global impact creating uncertainty, volatility, and disruption across economies and financial markets. The Plan's operational and financial performance will depend on certain developments, including the duration and spread of COVID-19 and its impact on the Plan and its Sponsor, participants and vendors. As such, COVID-19 could have a material adverse effect on the Plan's financial position in the future. The ultimate duration and impact of the COVID-19 outbreak on the Plan's financial position cannot be reasonably estimated at this time.

#### **Note 2 - Summary of Accounting Policies**

##### *Basis of Accounting and Use of Estimates*

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP) for benefit plans. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported financial statements and accompanying notes. Actual results could differ from those estimates.

##### *Investments and Fair Value Measurement*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's shares of mutual funds are valued at quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## Navy-Marine Corps Relief Society 401(k) Savings Plan

### Notes to Financial Statements (Continued)

#### **Note 2 - Summary of Accounting Policies (Continued)**

##### *Investments and Fair Value Measurement (continued)*

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is accrued when earned.

The Plan presents in the statement of changes in net assets available for plan benefits, the net appreciation or depreciation in the fair value of investments, which consists of the gains and losses on investments bought and sold as well as held during the year.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan recognizes transfers between levels at the end of the reporting period in which the event occurred that caused the transfer.

##### *Benefits*

Benefits are recorded when paid.

During 2020, the Plan elected to adopt relief available under the Coronavirus, Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. The Plan has adopted certain measures included in the CARES Act, which allows qualified participants to receive coronavirus related distributions without penalty.

### Notes to Financial Statements (Continued)

#### **Note 2 - Summary of Accounting Policies (Continued)**

##### *Administrative Expenses*

The Plan is responsible for payment of the custodial expenses and fees; however the Society may pay the Plan expenses. Expenses paid by the Society are excluded from these financial statements. Transaction charges for benefit payment transactions are paid by the Plan by reducing the balances of those participants initiating the transactions and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

##### *Subsequent Events*

The Plan has performed an evaluation of subsequent events through September 13, 2022, which is the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and notes.

Effective January 1, 2022, the Plan was amended to allow employees hired before January 1, 2011, are at least age 21, and have completed 60 consecutive days of service to enroll in the 401k plan, but not earlier than January 1, 2022. Additionally, for paydays on and after January 1, 2022, NMCRS will contribute each payroll period to the Plan an amount equal to the following: 1% of the participant's compensation for that payroll period, and 3% of the participant's compensation for that payroll period, if the participant was both (i) younger than age 65 in the preceding Plan Year, and (ii) a participant in the Pension Plan on December 31, 2021. These additional contributions will cease for payroll periods beginning after December 31, 2024.

#### **Note 3 - Certified Financial Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Matrix Trust Company (Matrix) and Advisor Trust Inc. (Advisor), the Plan custodians and trustees, have certified the completeness and accuracy of all investments held by the custodians and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits, the statements of changes in net assets available for benefits, the notes to the financial statements and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021. The certification obtained from Matrix is as of December 31, 2020 and for the year ended December 31, 2020. The certification from Advisor is as of December 31, 2021 and for the year ended December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements, notes, and supplemental schedules.

#### Note 4 - Investments and Fair Value Measurement

The following summarizes investments measured at fair value as of December 31, 2021 and 2020, by fair value hierarchy level:

|               | December 31,        |                     | Fair Value      |
|---------------|---------------------|---------------------|-----------------|
|               | 2021                | 2020                | Hierarchy Level |

#### Note 5 - Related Party and Party-In-Interest Transactions

Matrix and Advisor are the Plan's trustees and as such, transactional fees related to investments qualify as party-in-interest transactions under ERISA. Retirement Planners and Administrators, Inc., is the Plan's third-party administrator and as such, fees related to their services qualify as party-in-interest transactions under ERISA. The Society pays certain recordkeeping fees and other fees related to the Plan's operations. Additionally, personnel and facilities of the Society have been used to perform administrative functions for the Plan at no charge to the Plan.

#### Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Society has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive the balance of their account.

#### Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

#### Note 8 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated May 24, 2014, stating the the plan, as amended January 1, 2013 is qualified under Section 401(a). Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan administrator believes that the Plan is qualified and therefore, exempt from taxation. The Plan administrator has concluded there are no uncertain tax positions as of December 31, 2021 and 2020 in accordance with GAAP.
