To the Investment Committee of
Unico Technologies Group 401(K) Plan
Franksville, WI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Unico Technologies Group 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Unico Technologies Group 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Investment Committee of
Unico Technologies Group 401(K) Plan

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Unico Technologies Group 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Unico Technologies Group 401(K) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

To the Investment Committee of
Unico Technologies Group 401(K) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Unico Technologies Group 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Unico Technologies Group 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Unico Technologies Group 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2019 and is a defined contribution plan covering substantially all employees in the group after meeting certain requirements. The group (the "Employer") includes Unico, LLC, Benshaw Inc. and Excel Industrial Electronics. Employees are immediately eligible to participate in the Plan on the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2021, Excel Industrial Electronics, Inc. 401(k) Plan was merged into the Plan. Assets transferred into the Plan as a result of this merger were \$2,864,409.

CARES Act Provisions

In response to the pandemic, The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was passed by the U.S. Congress and signed into law by President Trump on March 27, 2020. The CARES Act contained numerous provisions aimed at alleviating the negative impact of the crisis. Effective April 14, 2020, the Plan authorized the below CARES Act provisions through a Change Commitment. The Plan has not been formally amended for these changes.

- Coronavirus related distributions - "Qualified Individuals" allowed a withdrawal up to \$100,000 without the 10% early withdrawal penalty.
- Loan limits increased for "Qualified Individuals" to lesser of present value of nonforfeitable benefit or \$100,000.
- Loan relief was granted for "Qualified Individuals," delaying certain loan payments for one year.

Contributions

Participants may defer any amount of their Plan compensation which is defined W-2 wages excluding certain adjustments as defined by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, with a default deferral rate set at 6% of eligible compensation, unless they affirmatively elect an alternative deferral rate or to not participate. The Employer contribution matches 100% up to 1% of participant's elective deferrals and 50% of each participant's elective deferrals between 1% and 6%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and (b) Plan earnings and charged with an allocation of certain administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Expenses are allocated equally to all participants or pro rata based on participant's individual account balances.

UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service or upon reaching the normal retirement age of 65 years old. A participant is not fully vested until they have met two years of credited service or normal retirement age at which point, they become 100% vested.

Notes Receivable from Participants

Effective April 14, 2020, due to adopted CARES Act provisions, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$100,000 or 100% of their vested account balance. The notes are secured by an irrevocable pledge and assignment of 100% of his or her nonforfeitable account balance.

The notes bear interest at a rate of the prime rate plus 2% determined monthly by the Plan administrator. Once the interest rate has been established for a loan it will be fixed for the life of the loan. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in some or all of his or her accounts. The Plan allows for in-service distributions of certain accounts if a participant reaches age 59 ½ or incurs a hardship or disability, subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account exceeds \$5,000 consent is required to distribute the account before normal retirement age is reached. Amounts in the participant's rollover account will not be considered as part of the benefit in determining whether the threshold has been exceeded.

Forfeitures

Forfeitures of non-vested Employer contributions are used to reduce future Employer contributions. During 2021, \$16,455 of forfeited participant accounts were used to reduce Employer contributions. At December 31, 2021, there was \$52,419 of forfeitures that had not yet been applied to reduce the Employer contributions.

Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Employer.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

**UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans receivable are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Accounting Standards Update

In July 2019, the AICPA Auditing Standards Board (ASB) issued Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA. This standard addresses the auditor's responsibility to form an opinion on the financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 (ERISA). It also addresses the form and content of the auditor's report issued as a result of an audit of ERISA plan financial statements. This SAS applies to audits of single employer, multiple employers, and multiemployer plans subject to ERISA. SAS-136, as issued, was effective for audits of financial statements for periods ending on or after December 15, 2020 and early implementation was not permitted. However, in Spring of 2020, the ASB voted to defer the effective date and SAS-136 is now effective for periods ending on or after December 15, 2021. The prohibition on early implementation was also removed. The Plan elected to early adopt the SAS-136 for the year ended December 31, 2020. The adoption of SAS-136 had no effect on the statements of net assets available for benefits or the statement of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

In July 2019 Principal Financial Group acquired Wells Fargo Institutional Retirement. Effective December 3, 2020, the Plan transferred its assets from Wells Fargo Bank, N.A. to Principal Financial Group.

UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED) (CONTINUED)

At December 31, 2021 and 2020, the Plan's investments were held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal Trust Company), a member of the Principal Financial Group (the Trustee). The Trustee certified all investment information as reflected on the accompanying statement of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021 as complete and accurate in accordance with Section 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value funds: Valued at net asset value per unit, which is obtained based on audited information reported by the issuer of the stable value fund and is used as a practical expedient.

UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the report date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

		Assets at Fair Value as of December 31, 2021		
Investment Category	Total Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 48,684,318	\$ 48,684,318	\$ -	\$ -
Stable value fund *	3,068,868	-	-	-
	<u>\$ 51,753,186</u>	<u>\$ 48,684,318</u>	<u>\$ -</u>	<u>\$ -</u>

		Assets at Fair Value as of December 31, 2020		
Investment Category	Total Fair Value	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 41,565,975	\$ 41,565,975	\$ -	\$ -
Stable value fund *	3,561,494	-	-	-
	<u>\$ 45,127,469</u>	<u>\$ 41,565,975</u>	<u>\$ -</u>	<u>\$ -</u>

* The investment in the stable value fund is measured at fair value using the net asset value per share as a practical expedient and has not been categorized in the fair value hierarchy. The fair value amount presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts present in the Statements of Net Assets Available for Benefits.

The Plan may redeem shares of the stable value fund on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. The Plan is required to provide the stable value fund with a 12 month notice prior to redeeming its investment in the stable value fund.

UNICO TECHNOLOGIES GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Employer contributions.

NOTE 7 - TAX STATUS

The Internal Revenue Service (IRS) has determined through a determination letter dated March 31, 2014 that the prototype plan of the trustee and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Fees incurred in the administration of the Plan are paid by the Employer.

NOTE 9 - SUBSEQUENT EVENTS (CONTINUED)

Effective July 15, 2022, the plan document was transitioned from a sponsored Wells Fargo Institutional Retirement and Trust plan document to a Principal Financial Group pre-approved plan document. The transition was part of the Principal Financial Group's acquisition of Wells Fargo Institutional Retirement Trust (see Note 3) and is not expected to have a significant impact to the operations of the Plan.
