SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the accompanying financial statements of Eagle Group 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Eagle Group 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS – 2021 SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTHER MATTERS – AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of Eagle Group 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (1) because of the significances of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (2) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EAGLE GROUP 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Eagle Group 401(k) Retirement Plan and Trust provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Metal Masters Food Service Equipment Co., Inc. (the Company). As of December 15, 2020, the Plan amended the length of service and eligibility requirements to 3 months and age eighteen. Prior to December 15, 2020, employees became eligible after completing one year of service and who were age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to 40% of eligible compensation, as defined in the Plan or such dollar limit established by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company is a safe harbor plan which contributes 100% of the first 1% of compensation, 50% of the next 5% of compensation that a participant contributes to the Plan. The Company can also make discretionary contributions. No discretionary contributions were made for December 31, 2021 and 2020 Plan year.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Company's matching contribution and an allocation of Plan earnings. Investment earnings are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their accounts among available investment options.

Vesting – Participants are vested immediately in their contributions plus actual earnings or losses thereon. Participants are vested in the Company's safe harbor contributions after the completion of two years of service. Vesting in other Company contributions plus actual earnings or losses thereon is based on years of continuous service. A participant becomes 20% vested after the completion of two continuous years, earning 20% each year thereafter until becoming fully vested after six years of credited service.

Participant Notes Receivable – As of December 15, 2020, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$7,500 or 50% of their account balance. Participants cannot have more than one loan outstanding. The notes are secured by the balance in the participant's account and bear a fixed rate of interest at 4.25%, which are commensurate with local prevailing rates at the time the note is originated. All notes must have a definite repayment schedule, which provides for principal and interest payments to be made ratably through payroll deductions over a period not to exceed five years. Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment Of Benefits – On termination of service and under specific situations of financial hardship, a participant or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts – Forfeitures of employer contributions resulting from the termination of participants with less than fully vested rights under the Plan shall be used to reduce future contributions, pay certain Plan expenses or be allocated to the remaining participants of the Plan. During 2021 and 2020, no forfeitures were reallocated to the remaining participants of the Plan. At December 31, 2021 and 2020, approximately \$38,600 and \$10,400, respectively, of forfeitures were available for future use.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation And Income Recognition – Investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in fully benefit-responsive insurance contracts are reported at contract value. Contract value is the price participants would receive if they were to initiate permitted transactions under the terms of the Plan.

See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use Of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment Of Benefits – Benefits are recorded when paid.

Plan Expenses – The majority of Plan expenses are paid by the Company, outside of the Plan.

Subsequent Events - The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 13, 2022, the date the financial statements were available to be issued.

NOTE C - INVESTMENTS

PNC Bank, N.C., the prior trustee of the Plan, has certified to the completeness and accuracy of its related investment activity reported in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the current trustees of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental schedule of assets (held at end of year) as of December 31, 2021, and its related investment activity reported in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan applies generally accepted accounting principles which define fair value and establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

EAGLE GROUP 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENTS - CONTINUED

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – inputs to the valuation methodology include quoted prices for identical or similar assets and liabilities in active or inactive markets; inputs that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020, by caption on the Statements of Net Assets available for benefits within the valuation hierarchy.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

NOTE E - INSURANCE CONTACT

The Great-West Investments Fixed Account (GWI Fixed Account) – Series Class III is a fully benefit-responsive contract that is backed by the general account of Great-West Life & Annuity Insurance Company. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rates are reset quarterly. Although Plan participants generally may withdraw assets from the contract without restrictions, the contract may impose a hold period in the event of a full or partial discontinuance.

NOTE F - RELATED PARTY TRANSACTIONS

Effective December 15, 2020, certain Plan investments are managed by Great-West Life & Annuity Insurance Company which is a related party as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2021. These loans are considered party-in-interest transactions according to the Department of Labor guidelines. Total outstanding loans as of December 31, 2021 and 2020 were \$181,752 and \$0, respectively.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE H - TAX STATUS

The Plan has adopted a qualified (tax-exempt) prototype plan sponsored by Great-West Trust Company, LLC. The Plan obtained its latest determination letter on March 31, 2014 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE I - RISKS AND UNCERTAINTIES

The Plan's investments include financial instruments which are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term that could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

NOTE J - OTHER CONTRIBUTIONS

Due to a payroll provider processing error, the December 31, 2021 payroll for salaried employees failed to have elective deferrals withheld from their pay and the related employer match. The Plan Sponsor identified this error and remitted a qualified non-elective contribution in the amount of \$11,764 on the 10th of January, 2022. This is reflected as other contributions as of December 31, 2021. During October 2020, the Plan Sponsor remitted participants deferrals and the related employer match timely to the third-party administrator (TPA) however, the TPA failed to allocate the employee deferrals and employer match timely to their individual accounts. Due to this error, the TPA funded lost earnings in the amount of \$3,231
