Independent Auditors' Report

To the Plan Administrator and Participants
Excel Orthopaedic Specialists 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Excel Orthopaedic Specialists 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section;

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

PKF O'CONNOR DAVIES, LLP

155 Federal Street, Suite 200, Boston, MA 02110 | Tel: 781.937.5300 | Fax: 781.937.5100 | pkfod.com

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500 - Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions and Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) presented for purposes of additional analysis and are not a required part of the 2021 Financial Statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such

information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EXCEL ORTHOPAEDIC SPECIALISTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Excel Orthopaedic Specialists 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a defined contribution plan covering all employees of Excel Orthopaedic Specialists (the "Employer") who are at least 21 years of age and have completed one year of service, except union employees whose employment is governed by a collective bargaining agreement and nonresident aliens with no earned income sourced in the United States of America, as defined (the "Participants"). Employees may enter the Plan on the first day of the Plan Year or the first day of the seventh month of the Plan Year coinciding with or next following the date the eligibility requirements are satisfied.

Ascensus Trust Company provides custodian and trustee services for the Plan. Ascensus LLC provides recordkeeping services. The Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Accordingly, Ascensus LLC, as agent for Ascensus Trust Company, (collectively "Ascensus"), has certified certain data in the accompanying financial statements (See Note 3). The Plan is subject to the provisions of the Internal Revenue Code ("IRC") and the Employee Retirement Income Security Act of 1974 ("ERISA"). All investments are participant-directed.

Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Five officers of the Employer serve as the Plan's trustees.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued, and determined that, except in Note 1 and Note 9, there have been no subsequent events that would require recognition in, or disclosure in the notes to, the financial statements.

Participant Contributions

Participants may defer up to a maximum of 90% of their eligible compensation, as defined by the Plan, not to exceed the annual dollar limit established by the IRC. Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Rollover Contributions").

Note 1 - Description of Plan (Continued)

Employer Contributions

Employer Safe-Harbor Non-Elective Contributions

Each year, the Employer will contribute an amount equal to 3% of a Participant's eligible compensation, as defined. All Participants are eligible for the employer safe harbor non-elective contribution, regardless of a Participant's elective deferral contributions. For the year ending December 31, 2021, the Employer made safe harbor contributions of \$236,021.

Employer Matching Contributions

The Employer, at its discretion, may elect to make discretionary matching contribution at a percentage of participants' contributions, as determined by the Plan's trustees. To be eligible, Participants must have made elective contributions during the plan year, completed a year of service and be employed on the last day of the plan year. For the plan year ended December 31, 2021, the Employer elected not to make matching contributions.

Employer Non-Elective Contributions

The Employer, at its discretion, may make non-elective contributions to the Plan, as determined by the Plan's trustees. To be eligible, Participants must be employed on the last day of the plan year or completed more than 500 hours of service prior to termination. Employer non-elective contributions are allocated at the Employer's discretion to two employee groups (Group A: Doctors, and Group B: all other eligible employees), as defined, based on a percentage of eligible compensation, as defined. For the year ended December 31, 2021, the Employer made non-elective employer contributions of \$496,831, net of forfeitures of \$36,903.

Participant Accounts

Each Participant's account is credited with the Participant's contributions, the respective Employer contributions and an allocation of Plan investment earnings and losses, and charged with an allocation of administrative expenses, as applicable. Allocations are based on Participant compensation, group, or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their participant contributions, rollover contributions, and employer safe harbor non-elective contributions, plus allocated earnings thereon. Participants begin vesting in Employer matching contributions and the Employer non-elective contributions, if any, plus earnings thereon, in 20% increments after two years of service and are 100% vested after six years of service, unless termination is due to retirement, death, or disability at which time a Participant is 100% vested.

Note 1 - Description of Plan (Continued)

Forfeitures

A Participant who leaves the employment of the Employer forfeits any non-vested balance. Forfeiture balances may be used to reinstate previously forfeited account balances of qualified participants, as defined in the plan document. Any forfeiture attributable to employer contributions may be used to pay administrative expenses, or to reduce any employer discretionary contributions. At December 31, 2021 and 2020, unused forfeiture balances amounted to \$40,487 and \$33,053, respectively. Subsequent to year end, \$36,903 was used to fund the 2021 non-elective employer contribution.

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive an annuity, lump-sum distribution, partial payment, or installment payments in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant, subject to income tax withholdings, or a tax-free rollover to an Individual Retirement Account ("IRA") or another qualified plan, as defined. If a Participant's vested account is less than \$5,000, the vested account balance may only be distributed in a single lump-sum payment by the plan administrator without participant consent.

In-service withdrawals from a Participant's account balance are permitted upon reaching age 59 ½. In service withdrawals are also permitted due to financial hardship, as defined. Participants must have obtained all distributions, other than the hardship withdrawal, before financial hardship withdrawals are allowed.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities or investments are recorded on the trade-date basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefit payments to Participants are recorded during the period in which the Participants are paid.

Note 3 - Information Prepared and Certified by Ascensus

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus has certified that the following data included in the accompanying financial statements and the supplemental schedule are complete and accurate:

- Investments in exchange traded funds and mutual funds, as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in the fair value of investments of \$2,968,314 and dividend and interest income of \$193,397, included in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

On the statement of changes in net assets available for benefits, net appreciation in the fair value of investments includes \$486,549 of appreciation in the fair value of investments, and \$34,706 of dividend and interest income from the self-directed brokerage account included in investments, at fair value, that has not been certified by Ascensus as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

EXCEL ORTHOPAEDIC SPECIALISTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Exchange traded funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Consists of cash, mutual funds, and corporate stocks which are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial assets and liabilities could result in a different fair value measurement at the reporting date.

Note 4 - Fair Value Measurements (Continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at fair value	<u>\$ 19,624,103</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,624,103</u>

Note 5 - Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Party-In-Interest Transactions

Plan investments include mutual funds and exchange traded funds that are managed by Ascensus. Accordingly, these transactions qualify as exempt party-in-interest transactions. The Plan paid administrative expenses of \$5,248 to Ascensus during the year ended December 31, 2021.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

EXCEL ORTHOPAEDIC SPECIALISTS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 8 - Tax Status

The underlying volume submitter profit sharing plan with a cash or deferred arrangement has received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of the IRC. Any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. The Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified, and the related trust is tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 9 - Delinquent Participant Contributions

During 2021, certain Participant contributions were not remitted to the Plan by the Employer on a timely basis as required under DOL 2510.3-102. Under ERISA, such delinquent contributions are considered prohibited transactions and are reported on Schedule H, Part IV, Line 4(a) of Form 5500. Subsequent to year end, the Employer is in the process of funding the lost earnings on the delinquent contributions to the effected Participant's account.
