## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator, Participants and Beneficiaries  
of the KDA 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of The KDA 401(k) Plan (the "Plan"), formerly the KDA Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

## ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021, which is the responsibility of Plan management, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **KDA 401(K) PLAN (FORMERLY THE KDA RETIREMENT PLAN)**

### **Notes to the Financial Statements December 31, 2021 and 2020**

#### **NOTE A - DESCRIPTION OF THE PLAN**

The following description of the KDA 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Effective January 1, 2021, the Plan was amended and the Plan name was changed to the KDA 401(k) Plan.

#### **[1] General information:**

The Plan was established on December 1, 1982, and is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all eligible employees of KYOCERA Document Solutions America, Inc. ("KDA"), formerly Kyocera Mita America, Inc. ("KMA"), and its wholly owned subsidiary KYOCERA Technology Development, Inc. (collectively, the "Company"), other than the direct sales subsidiaries and direct sales branch of KDA. The Plan is administered by a committee appointed by the Board of Directors (the "Committee") of KDA. KDA is a wholly-owned subsidiary of KYOCERA Document Solutions, Inc., which is a wholly owned subsidiary of Kyocera Corporation, the ultimate parent company in Japan whose shares are publicly traded on the New York Stock Exchange as American Depositary Receipts.

#### **[2] Eligibility for participation:**

Leased employees, part time employees, and interns are not eligible to participate, as defined by the Plan. Employees become eligible on the first day of their employment. Enrollment to the Plan commences on the first day of the payroll period coinciding with, or following the date of employment.

#### **[3] Contributions:**

Each participant may elect to contribute from 1 to 75 percent, of his or her compensation, as defined in the Plan document, on a pretax basis and after-tax basis and subject to certain statutory limitations. Employee contributions exceeding certain defined limitations will be refunded. Participants may also rollover contribution amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company contributes on behalf of each participant an amount equal to 100% of the participant's contribution to a maximum of up to 5 percent of the participant's compensation, as defined ("Matching Contribution"). During the year ended December 31, 2021, the Matching Contribution was \$2,549,863 (net of forfeitures of \$236). The Company may make additional discretionary contributions on behalf of each participant ("Discretionary Profit Sharing"). During the year ended December 31, 2021, there were no Discretionary Profit Sharing contributions made to the Plan. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

#### **[4] Vesting:**

A participant is immediately vested in his or her contribution, the Company's Matching Contribution and the Company's Discretionary Profit Sharing contributions, if any. Effective January 1, 2009, the Plan was amended such that participants would prospectively be 100% vested in all Matching Contributions made by the Company. The Company's Matching Contribution made to the Plan on or before December 31, 2008 will vest, in accordance with the table set forth below:

| <u>Years of Service</u> | <u>Percentage Vested</u> |
|-------------------------|--------------------------|
| 1 year                  | 0%                       |
| 2 years                 | 25%                      |
| 3 years                 | 50%                      |
| 4 years                 | 75%                      |
| 5 years                 | 100%                     |

**KDA 401(K) PLAN  
(FORMERLY THE KDA RETIREMENT PLAN)**

**Notes to the Financial Statements  
December 31, 2021 and 2020**

**NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)**

**[4] Vesting: (continued)**

After five years of service, the participants will become fully vested in all contributions made to the Plan on or before December 31, 2008.

A participant is fully vested in all of the Company's contributions if he or she is eligible for early or normal retirement, upon death or disability prior to termination of employment.

**[5] Forfeitures:**

Forfeitures of employer Matching Contributions are used to reduce the future employer's Matching Contribution. Forfeitures of Matching Contributions, which represent those Matching Contributions that are unvested, occur when the participant's vested account balances are distributed or after five consecutive one-year breaks in service, if earlier. During 2021, \$236 of cumulative forfeitures was used to offset the employer's contribution. The amounts of unused forfeitures available to reduce future Matching Contributions was \$12,052 and \$3,160 at December 31, 2021 and 2020, respectively.

**[6] Payment of benefits:**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum or annuities amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows for in-service distributions when a participant attains age 59½. The Plan also allows for hardship distributions based on certain criteria as defined by the Plan.

The Coronavirus, Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2021 and provided optional distribution and loan provisions, as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2021. The Plan Sponsor has implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2022 as required by the Act.

Participants, who met specific conditions, were eligible to take a COVID-19 related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2020 through December 31, 2020, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive a RMD in 2020. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received a RMD prior to the enactment of the Act had until August 31, 2020 to rollover the RMD to an eligible retirement plan.

**[7] Notes receivable from participants:**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000, or 50 percent, of their vested account balance on the date the loan is granted. There is a one-time loan-processing fee of \$50, which is charged directly to the participant account at the time of the loan. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**KDA 401(K) PLAN  
(FORMERLY THE KDA RETIREMENT PLAN)**

**Notes to the Financial Statements  
December 31, 2021 and 2020**

**NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)**

**[7] Notes receivable from participants: (continued)**

Loan terms range up to five years or a reasonable time period that may exceed five years for the purchase of the participant's principal place of residence. Repayment is made through payroll deduction. The loans bear interest at the prime rate plus 1% per annum at inception. Interest rates on outstanding loan balances range from 4.25% to 6.50% at December 31, 2021 and 2020.

The CARES Act also provided certain loan provisions. Participants, who met specific conditions, were eligible to take a COVID-19 related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period March 27, 2020 to September 22, 2020. Loan repayments due between March 27, 2020 and December 31, 2020 could have been suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to 1 year.

**[8] Participant accounts:**

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution and (b) Plan earnings, and (c) may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**[9] Plan expenses:**

General and administrative expenses of the Plan are paid by KDA or the Plan. Expenses that are paid by KDA are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

**[10] Amendment and termination:**

The provisions of the Plan may be amended at any time by the Committee, provided, however, that no part of the funds of the Plan shall be used for, or diverted to, purposes other than the exclusive benefit of the participants and their beneficiaries. Further, no such amendment or modifications shall impair the rights of the participants already vested.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**[1] Basis of accounting:**

The financial statements of the Plan are prepared under the accrual method of accounting.

**[2] Investment valuation and income recognition:**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

**KDA 401(K) PLAN  
(FORMERLY THE KDA RETIREMENT PLAN)**

**Notes to the Financial Statements  
December 31, 2021 and 2020**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**[2] Investment valuation and income recognition: (continued)**

Investment purchases and sales are accounted for on a trade-date basis. Dividend income is recorded on the ex-dividend date, and interest income is recorded on the accrual basis.

**[3] Payment of benefits:**

Benefits are recorded when paid.

**[4] Use of estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**NOTE C - INVESTMENT CERTIFICATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, T. Rowe Price Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

**NOTE D - FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 ("ASC 820") defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**KDA 401(K) PLAN  
(FORMERLY THE KDA RETIREMENT PLAN)**

**Notes to the Financial Statements  
December 31, 2021 and 2020**

**NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Common stock* – Valued at the closing price reported on the New York Stock Exchange.

*Mutual funds* – Valued at the net asset value ("NAV") of shares held by the Plan at year-end. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable Value Common Trust Fund* (the "Fund") – The Fund is valued at the NAV as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The Fund contains several redemption restrictions, including the right to require a 12- or 30-month waiting period/advance notice period for fund withdrawals initiated by the Company. The notice period may be waived by the trustee at its sole discretion. Generally, the advance notice period will be waived when the withdrawal will not violate the trust's minimum requirements for cash reserves. As of December 31, 2021 and 2020, there were no unfunded commitments.

*Common trust funds* – Common trust funds are comprised of shares or units in commingled funds that are not publicly traded. The underlying assets in these funds are primarily publicly traded equity securities, fixed income securities, and commodity-related securities and are valued at their NAV, as a practical expedient, that is calculated by the investment manager or sponsor of the fund and have varying liquidity, redemption period notices and other restrictions.

*Self-directed participant investments* – Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- (A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to facilitate reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**Changes in Fair Value Levels**

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

## **KDA 401(K) PLAN (FORMERLY THE KDA RETIREMENT PLAN)**

### **Notes to the Financial Statements December 31, 2021 and 2020**

#### **NOTE E - TAX STATUS**

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by T. Rowe Price Retirement Plan Services, Inc. On August 19, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

#### **NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain investments are shares of registered investment companies and common trust funds managed by T. Rowe Price Trust Company. T. Rowe Price Trust Company is the Plan trustee. Therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to T. Rowe Price Trust Company were \$94,279 for the year ended December 31, 2021.

#### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan provides for investment in various investment options. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

#### **NOTE H - MUTUAL FUND FEES**

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.
