To the Administrative Committee of
Toyota of Orange 401(k) Plan and Trust
Orange, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Toyota of Orange 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Administrative Committee of
Toyota of Orange 401(k) Plan and Trust
Orange, California

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Toyota of Orange 401(k) Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Toyota of Orange 401(k) Plan and Trust's, ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Toyota of Orange 401(k) Plan and Trust internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Toyota of Orange 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Administrative Committee of
Toyota of Orange 401(k) Plan and Trust
Orange, California

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Toyota of Orange 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplementary schedules, and (b) the form and content of the information included in the 2020 financial statements and supplementary schedules other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of the Toyota of Orange 401(k) Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement, including amendments, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the following companies:

DWWTO, Inc. dba Toyota of Orange
DWWTR, Inc. dba Toyota of Riverside
DWWTL, Inc. dba Tustin Lexus and Newport Lexus
David Wilson's Ford of Orange
DWW III, Co., Inc. dba Toyota of Huntington Beach
DWW AZ II, Inc. dba Right Toyota
DWW AZ, Inc. dba Right Honda
DWWSB, Inc. dba South Bay Toyota
DWWCM, Inc. dba South Coast Toyota
DWWH, Inc. dba Weir Canyon Honda
DWWA, Inc. dba Weir Canyon Acura
DWWMO, Inc. dba Mazda of Orange
DWWSA, Inc. dba Freeway Honda
DWWJN, Inc. dba Rockledge Securities
Logan Asset Management, Inc.
DWWVF, Inc. dba David Wilson’s Villa Ford
DWWNVJHF, LLC dba David Wilson’s Toyota of Las Vegas
DWWCT, LLC dba Claremont Toyota

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan initially became effective on August 1, 1991.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES Act”) was signed into law. Plans are permitted to immediately adopt any of the provisions provided that the Plan document is retroactively amended on or before December 31, 2022. Further discussion of the provisions adopted can be found in **Payment of Benefits** and **Notes Receivable from Participants**.

Employees will become eligible to participate in the Plan if they have completed one year of service and have reached the age of 21. Plan entry dates are on the first day of the first and seventh months of the plan year after satisfying eligibility requirements.

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax compensation. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Note 1: Description of Plan (Continued)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan allows for the Company to make discretionary matching contributions. The Plan also allows for the Company to make a discretionary profit-sharing contribution. The Board of Directors of the participating companies determines annually the employer contribution amount that may be contributed to the Plan, and the amount was $2,989,133 and $1,800,000 for the years 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Companies' contributions, (b) Plan earnings or losses, and (c) administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. The Company's discretionary contribution portion of their accounts, plus actual earnings thereon will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 3	0%
3 or more	100%

A participant will also become fully vested in employer contributions if their employment is discontinued due to death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. All loans shall bear an interest rate equal to the prime rate plus 2%, which shall remain fixed throughout the duration of the loan. Principal and interest are paid ratably through monthly payroll deductions. Each participant may have one loan outstanding at a time. For participant loans that become delinquent, the amount of the unpaid loan principal plus any accrued unpaid interest will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

In accordance with the CARES Act, the Plan adopted the following temporary provisions for qualified participants:

- For qualified individuals with outstanding loans, loan repayments during the period March 27, 2020 through December 31, 2020, may be deferred. During the period of deferment, the loans will continue to accrue interest. Accrued interest will be added to the remaining principal balance, and the loan will be re-amortized. The term of the loan can be extended up to 1 year from the date the loan was originally due to be repaid.

Note 1: Description of Plan (Continued)

- Qualified individuals may borrow the lessor of $100,000 or 100% of their vested account balance from March 27, 2020 to September 23, 2020.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant can elect to receive their vested benefits in the form of either a single lump-sum cash payment or have a payment paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances exceeding $1,000, up to $5,000, will be immediately rolled into another tax deferred account. With the Plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship. Active employees who attain age 60 are permitted to withdraw at any time any part of his or her vested account.

In accordance with the CARES Act, the Plan adopted the following temporary provisions for qualified participants:

- Qualified individuals could request a coronavirus-related distribution up to $100,000 between January 1, 2020 and December 31, 2020. The coronavirus-related distributions were not subject to the early withdrawal penalty or to the mandatory federal withholding of 20%. Participants have the option repay the distribution within three years.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-allocated accounts totaled $28,903 and $22,703, respectively. Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures are retained in the Plan and may be used to pay Plan expenses and reduce future employer contributions. For the year ended December 31, 2021, the employer match was reduced by $22,940 from forfeited non-vested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income and dividend income are recorded on a cash basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of December 31, 2021 or 2020. Delinquent notes receivable that are deemed by the plan administrator to be in default are treated as distributions based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The plan distributed the 2021 excess contributions to the applicable participants prior to March 15 of the subsequent year.

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the sponsoring companies. Expenses paid by the sponsoring companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Date of Management's Review

Events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosures as of October 13, 2022, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts ("PSAs"): PSAs are valued at the net asset value ("NAV") based on units of the pooled separate accounts. The NAV is used as a practical expedient to estimate fair value and is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. The redemption frequency of the pooled separate accounts is daily, and there are no redemption restrictions or unfunded commitments related to the pooled separate accounts.

Common/collective trusts ("CCT"): Units held in common collectives are valued using the NAV practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CCT is calculated based on a compilation of primarily observable market information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3: Fair Value Measurements (Continued)

In accordance with Subtopic 820-10, certain investments, with fair values totaling $97,576,308 (including both PSAs and CCTs) and $81,892,285 at December 31, 2021 and 2020, respectively, were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified by level in the fair value hierarchy.

In regards to the classification of investment options offered by the Plan, there were no reclassifications in or out of levels 1, 2 or 3 during the years ended December 31, 2021 and 2020. The nature, risks and investment objectives of the investments described above, including those for which fair value is estimated using NAV as a practical expedient, can be found in the Plan's enrollment literature. These investments can be redeemed immediately and without a redemption notification period. For the years ended December 31, 2021 and 2020, there were no unfunded commitments associated with any of these investments.

Note 4: Guaranteed Interest Contract with Great-West Life & Annuity Insurance Company

The Plan entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company ("Great-West"), who maintains the contributions in the SAGIC Core Bond account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contracts issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract at December 31, 2021 and 2020 was $16,520,423 and $17,787,002, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note 5: Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, Great-West Life & Annuity Insurance Company and Great-West Trust Company, each qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 6: Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform investment or recordkeeping services for the Plan. The Plan also issues loans to participants, which are secured by the balances in the participant's accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the sponsoring Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in any employer contributions.

Note 8: Tax Status

The Plan uses a pre-approved plan document, which received an advisory letter from the IRS, dated June 30, 2020, stating that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

Note 10: Delinquent Participant Contributions

During the 2021 and 2020 audit, it was determined that the Company had failed to remit employee deferrals in the time described in 29 CFR 2510.3-102. As a result of these late remittances, the Plan is considered to have engaged in a prohibited transaction. The plan administrator has identified the procedural errors that allowed the late deferrals to occur and has taken steps to ensure that this does not happen again in the future. The Company has self-corrected the late remittances and remitted lost earnings to the Plan. These earnings are immaterial to the financial statements.

Schedule C Soft Dollar Compensation
Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information ("SAI").

For additional information on soft dollar compensation, refer to the section of the mutual fund's SAI that discusses brokerage allocation and other practices.
