Independent Auditor's Report

To the Plan Administrator
Allendale Association Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Allendale Association Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2021 Financial Statements* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

As described in Note 3, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The Plan has not maintained sufficient accounting records and supporting documents relating to these annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the financial statements may have been affected by these conditions.

To the Plan Administrator
Allendale Association Retirement Savings Plan

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Allendale Association Retirement Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion on the 2021 Financial Statements* section of our report, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions as of December 31, 2021 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2021 Financial Statements* section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

Further, the Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The amount of these excluded annuity contracts and custodial accounts is not determinable. Accounting principles generally accepted in the United States of America require that these accounts be included in the financial statements. The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

To the Plan Administrator
Allendale Association Retirement Savings Plan

In our report dated October 7, 2021, we indicated that, because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and, accordingly, we did not express an opinion on the Plan's 2020 financial statements.

Note 1 - Plan Description

The following description of Allendale Association Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified retirement plan under Section 403(b)(7) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers substantially all employees of The Allendale Association (the "Association").

Employees who work more than 20 hours of service per week are eligible to make participant deferral contributions to the Plan upon date of hire. An employee must attain 18 years of age and complete one year of service (a year in which the employee works 1,000 hours) to be eligible to receive discretionary employer matching contributions.

Contributions

The Plan provides for employee salary deferral contributions, on a pretax and Roth basis, in any amount that is within current Internal Revenue Code (IRC) limits. The Plan allows participants who have attained age 50 to make catch-up contributions in addition to their regular deferrals. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. Eligible employees who do not elect otherwise are automatically enrolled in the Plan with a deferral contribution rate of 5 percent.

The Association may make annual discretionary matching contributions.

Certain participant contributions in 2020 were paid after the time frame required by the Department of Labor. The Association remitted these contributions during 2020 and 2022 and remitted related lost earnings to the Plan in 2021 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Association's contributions, and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balances. The notes receivable are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates determined periodically by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Benefit Payments

Upon termination of employment, the participant or, in the case of death, the surviving spouse can elect to receive the participant's account balance in a single lump sum or in various installment annuities. Active participants may also begin taking penalty-free distributions from the Plan upon reaching the age of 59½. In addition, hardship distributions are permitted if certain criteria are met.

December 31, 2021 and 2020

Note 1 - Plan Description (Continued)

Vesting

Participants are immediately 100 percent vested in employee salary deferral, Roth, and rollover contributions and any income or loss thereon. Vesting in the Association's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants vest in contributions made by the Association 25 percent after two years of service, an additional 25 percent after the third year of service, and another 25 percent per year thereafter until they become fully vested after five years of service.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future association contributions or to pay administrative expenses of the Plan.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company or its affiliates. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value except as noted below. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

The fully benefit-responsive unallocated contract is valued at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Delinquent participant notes receivable are reclassified as distributions based on the terms of the plan agreement.

Benefit Payments

Benefits are recorded when paid.

December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Various administrative costs, including the annual audit and Form 5500 filing, are paid by the Association. Record-keeping expenses are paid by the participants through an allocation of such expenses to their respective accounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 11, 2022, which is the date the financial statements were available to be issued. Subsequent to year end, the Plan's investment portfolio has incurred a significant decline in fair value, consistent with the general decline in financial markets. However, because the values of individual investments fluctuate with market conditions, the amounts of losses that will be recognized in subsequent periods, if any, cannot be determined.

Note 3 - Excluded Investments

The Plan has excluded from investments, in the accompanying statement of net assets available for benefits as of December 31, 2021 and 2020, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Note 4 - Unaudited Information

Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the "Custodian") holds certain of the Plan's investments and participant notes receivable and executes certain related transactions (see Note 3). The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodian.

December 31, 2021 and 2020**Note 5 - Fair Value Measurements**

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimate using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodology has been used to value the Plan's investments:

Mutual Funds

Mutual funds are valued at quoted prices reported in active markets.

The Plan has excluded certain assets from the statement of net assets available for benefits at December 31, 2021 and 2020 (see Note 3). The following tables present information about the included plan assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

Assets Measured at Fair Value on a Recurring Basis at December 31, 2021				
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	\$ 21,855,565	\$ 21,855,565	\$ -	\$ -

Assets Measured at Fair Value on a Recurring Basis at December 31, 2020				
	Investments (at Fair Value)	Level 1	Level 2	Level 3
Mutual funds	\$ 18,641,507	\$ 18,641,507	\$ -	\$ -

December 31, 2021 and 2020

Note 6 - Tax Status

The Internal Revenue Service (IRS) is not currently accepting applications for individual 403(b) plan determination letters. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of Internal Revenue Code Section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7 - Investment Contract

The Plan has a benefit-responsive investment contract issued by Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on contract balances using a single portfolio rate approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting but may not be less than 2.50 percent. When establishing interest crediting rates for this product, Principal considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

As described in Note 2, because the contract is fully benefit responsive, contract value is the relevant measurement for that portion of net assets attributable to the investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.
