Plan Administrator and Management of
Aquafile O'Mara, Inc. 401(k) Profit Sharing Plan and Trust

We are pleased to present the results of our audit of the 2021 financial statements of the Aquafile O'Mara, Inc. 401(k) Profit Sharing Plan and Trust (the Plan).

This report to the Plan Administrator and Management summarizes our audit, the reports issued and various analyses and observations related to the Plan's accounting and reporting. The document also contains the communications required by our professional standards.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). We considered the Plan's current and emerging business needs, along with an assessment of risks that could materially affect the financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you, the Plan Administrator and Management, expect. We received the full support and assistance of the Plan's personnel.

At Carr, Riggs & Ingram, LLC (CRI), we are continually evaluating the quality of our professionals' work in order to deliver audit services of the highest quality that will meet or exceed your expectations. We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the information and use of the Plan Administrator and Management, and others within the Plan, and should not be used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 770-394-8000 or csexton@cricpa.com.

Very truly yours,

As discussed with the Plan Administrator and Management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we planned and performed our audit to:

- Perform ERISA Section 103(a)(3)(C) audit, as deemed permissible by the Plan Administrator and pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, in accordance with auditing standards generally accepted in the United States of America ("GAAS"), in order to express an opinion on the Plan's financial statements for the year ended December 31, 2021;
- Communicate directly with the Plan Administrator and Management regarding the results of our procedures;
- Address with the Plan Administrator and Management any accounting and financial reporting issues;
- Anticipate and respond to concerns of the Plan Administrator and Management; and
- Other audit-related projects as they arise and upon request.

We have audited the financial statements of the Plan for the year ended December 31, 2021, and have issued our report thereon dated October 10, 2022. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Auditors' responsibility under Generally Accepted Auditing Standards (and if applicable, <i>Government Auditing Standards</i> and the Uniform Guidance)	As stated in our engagement letter dated April 1, 2022, and as described below, we conducted our audit in accordance with GAAS. You have determined it is permissible in the circumstances and elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information described in Note 3), by a qualifying institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud. Management is responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. Management is responsible for overseeing nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
Planned scope and timing of the audit	Our engagement letter identified improper revenue recognition due to fraud on contributions as a significant risk, however, subsequent guidance was issued by the AICPA (EBP AAG paragraphs 2.157-2.161) whereby employee and employer contributions are not revenue to a plan and subject to FASB ASC 606. Therefore, we reassessed your plan contemplating this guidance and determined that improper revenue recognition due to fraud on contributions was not considered a significant risk in relation to our audit.
Management judgments and accounting estimates <i>The process used by management in forming particularly sensitive accounting estimates and the basis for the auditors' conclusion regarding the reasonableness of those estimates.</i>	Please see the following section titled "Accounting Policies, Judgments and Sensitive Estimates and CRI Comments on Quality."
Potential effect on the financial statements of any significant risks and exposures <i>Major risks and exposures facing the Plan and how they are disclosed.</i>	No such risks or exposures were noted.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditors' judgment about the quality of accounting principles <i>The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</i> <i>The auditor should also discuss the auditors' judgment about the quality, not just the acceptability, of the Plan's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures.</i> <i>Critical accounting policies and practices applied by the Plan in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;</i> <i>Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor; Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.</i>	Significant accounting policies are described in Note 2 to the Plan's financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the Plan's financial statements in the proper period. Certain Plan financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements were: - The disclosure of fair value measurements of investments in Note 4. - The disclosure of contract value measurements of investments in Note 5. The Plan's financial statement disclosures are neutral, consistent, and clear.
Significant difficulties encountered in the audit <i>Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.</i>	We encountered no significant difficulties in dealing with management in performing and completing our audit.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Disagreements with management <i>Disagreements, whether or not subsequently resolved, about matters significant to the financial accounting, reporting, or auditing matter, that could be significant to the financial statements or the auditors' report. This does not include those that came about based on incomplete facts or preliminary information.</i>	We are pleased to report that no such disagreements arose during the course of our audit.
Other findings or issues <i>Matters significant to oversight of the financial reporting practices by those charged with governance, including any circumstances that could affect the form or content of the report. For example, an entity's failure to obtain the necessary type of audit, such as one under Government Auditing Standards, in addition to GAAS.</i>	None noted.
Matters arising from the audit that were discussed with, or the subject of correspondence with, management <i>Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.</i>	None noted.
Corrected and uncorrected misstatements <i>All significant audit adjustments arising from the audit, whether or not recorded by the Plan, that could individually or in the aggregate have a significant effect on the financial statements. We should also inform the Board of Directors about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Any internal control deficiencies that could have prevented the misstatements.</i>	See "Summary of Audit Adjustments" section.
Major issues discussed with management prior to retention <i>Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.</i>	Discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Consultations with other accountants <i>When management has consulted with other accountants about significant accounting or auditing matters.</i>	To our knowledge, there were no such consultations with other accountants.
Written representations <i>A description of the written representations the auditor requested (or a copy of the representation letter).</i>	See "Management Representation Letter" section.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Internal control deficiencies and Reportable Findings <i>Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditors' attention during the audit.</i> <i>A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations (2) a finding that in our professional judgement is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.</i>	See "Internal Control & Reportable Findings" section.
Fraud and illegal acts <i>Fraud involving senior management or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditors' attention involving senior management and any other illegal acts, unless clearly inconsequential.</i>	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the Plan's financial statements.
Parties in interest and prohibited transactions <i>Any parties in interest in the plan, prohibited transactions as defined by ERISA, and other reportable transactions.</i>	No prohibited transactions were noted. Transactions with parties-in-interest were properly disclosed in the notes to the Plan's financial statements.
Form 5500 Procedures <i>The external auditors' requirement to obtain and read a substantially complete draft of the Form 5500 prior to dating of the auditors' report. The purpose is to identify any material inconsistencies between the draft 5500 and the Plan's financial statements.</i>	We identified no material Form 5500 inconsistencies in performing and completing our audit.
Other information in documents containing audited financial statements <i>The external auditors' responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.</i>	Our responsibility related to documents (including annual reports, websites, etc.) containing the Plan's financial statements is to read the other information to consider whether: • Such information is materially inconsistent with the Plan's financial statements; and • We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements. The 5500 will be considered upon completion by the third party administrator to determine if there are any exceptions noted related to the considerations above.

MATTER TO BE COMMUNICATED	AUDITORS' RESPONSE
Significant unusual accounting transactions <i>Auditor communication with governance to include auditors' views on policies and practices management used, as well as the auditors' understanding of the business purpose.</i>	No significant unusual accounting transactions were noted during the year.
ERISA Required Supplementary Information in relation to the financial statements as a whole <i>The auditors' responsibility for supplementary information accompanying the financial statements, as well as any procedures performed and the results.</i>	Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accounting Policies, Judgments and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Plan Management may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	AUDITORS' CONCLUSIONS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Investments	The Plan follows the provisions of Accounting Standards Codification (ASC) 820, <i>Fair Value Measurements</i> , when reporting investments.	X	The Plan relies on valuations from the Trustee for 100% of the asset values. The allocation between Levels 1-3 under ASC 820 is based on management's review of the underlying investments.	Based on the ERISA Section 103(a)(3)(C) procedures we performed with respect to the Plan's investments, we noted that it appears the Plan accounts for investments in accordance with GAAP and all applicable standards and guidelines of ERISA.

During the course of our audit, we accumulate differences between amounts recorded by the Plan and amounts that we believe are required to be recorded under GAAP reporting guidelines. Those adjustments are either recorded (corrected) by the Plan or passed (uncorrected). Uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even if, in the auditors' judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

There were no adjustments, either corrected or uncorrected, as a result of our audit procedures.

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in net assets or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Plan's operating environment that has been identified as playing a significant role in the Plan's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference involves concealment of an unlawful transaction.
- Whether the difference involves concealment of a prohibited transaction, or transaction with a party in interest, as defined by ERISA.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Aquafil O'Mara 401(k), (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected you not to perform any auditing procedures with respect to information prepared and certified by Mid Atlantic Trust Company (MATC) for the period January 1, 2020 to November 30, 2020, and by Massachusetts Mutual Life Insurance Company (MassMutual) for the period December 1, 2020 through December 31, 2020, and by Great West Life & Annuity Insurance Company (Great-West) for the period of January 1, 2021 through December 31, 2021, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Great-West has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit

28. The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily available marketable securities, are as follows: Investments in mutual funds are valued at fair value. Fair value is based on quoted market prices for mutual fund shares. Money market funds are valued at the quoted market prices reported in the active market where the funds are traded on an active basis. These methods are an appropriate measure of fair value for financial measurement and disclosure purposes.
29. The Plan maintains a traditional fully benefit-responsive guaranteed investment contract with Great – West Life & Annuity Insurance Company (Great-West). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value.
30. All required amendments to and filings of Plan documents with the appropriate agencies have been made.

The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
32. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
33. The Plan has complied with the fidelity bonding requirements of ERISA for the entire 2021 Plan year.
34. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operations of the Plan.
35. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
36. We acknowledge our responsibility for presenting Schedule H, Line 4i – Schedule of Assets (Held at End of Year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe Schedule H, Line 4i – Schedule of Assets (Held at End of Year), including the form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in prior periods, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
37. The Plan's management does not believe that the Plan has any material uncertain tax positions at December 31, 2021 and 2020, as defined by the provisions of FASB ASC 740, *Income Taxes*. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.
38. The Employer's CODA safe harbor match for 2021 and 2020 was 100% of participant deferrals up to 3% of compensation, then 50% of the next 2% of deferrals up to a maximum 5% of compensation. In addition to the CODA safe harbor match, at the discretion of management, the Employer is allowed to make a profit sharing contribution. Employees are eligible for profit sharing if they have 500 hours of service during the Plan year and are employed on the last day of the Plan year. The employer elected not to declare a pro-rata profit sharing contribution for 2021; therefore, there was no profit sharing contribution or receivable for the year-ended December 31, 2021.
39. The Coronavirus Aid Relief and Economic Security Act (the CARES Act) was passed by the U.S. Senate on March 26, 2020. Under certain provisions of the CARES Act, certain requirements for loans and benefit payments to participants were changed in response to the COVID-19 pandemic. The Plan adopted these provisions for the year ended December 31, 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025 deadline.

40. We acknowledge our responsibility as management to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued. We have performed this analysis and represent that we believe that no such doubt exists as of the date of this report.

Plan Administrator and Management of
Aquafile O'Mara, Inc. 401(k) Profit Sharing Plan and Trust

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Aquafile O'Mara, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our reports on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a Department of Labor (DOL) ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. GAAS and did not include a consideration of internal control relating to the information summarized in Note 3 to the Plan's financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on the Plan's financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, we did identify, as illustrated in the chart on the following pages, a control deficiency in internal control. We have also included an improvement point for management's consideration.

This communication is intended solely for the information and use of the Plan Administrator and Management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

The following legend should be used in conjunction with reviewing the “Rating” of each of the identified internal control items:

RF = Reportable Finding *	IP = Improvement Point	D = Control Deficiency	SD = Significant Deficiency	MW = Material Weakness
--	---------------------------------------	---------------------------------------	--	---------------------------------------

** Note: generally control deficiencies, significant deficiencies and/or material weaknesses are deemed to also be reportable findings unless otherwise noted. This concept is only relevant for benefit plans.*

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION	MANAGEMENT ACTION
2021-01	D	Participant data and payroll	During the audit it was noted that there were not proper segregation of duties between those who made changes to the payroll system for Plan purposes and those who reviewed the changes.	We recommend having proper segregation of duties in this process and/or having a separate additional layer of review.	Management acknowledged the finding and will take into consideration

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION	MANAGEMENT ACTION
2021-02	IP	Fiduciary responsibilities	To demonstrate the fulfillment of its fiduciary responsibilities, a Plan administrative committee should conduct regular meetings and retain evidence of the meetings. The fiduciary guidelines of ERISA require the named fiduciaries of the Plan carry out due diligence in monitoring and administering Plan operations.	We recommend that a formal committee be formed and quarterly meetings conducted. Meeting minutes should be retained including items such as: • review of Plan's investment performance, • selection of investment options, • understanding and analysis of plan expenses, • evaluation of service providers, • consideration and approval of Plan amendments, • compliance with ERISA regulations, • review third party SOC reports, • develop a Plan investment policy, and consideration and approval of discretionary, additional matching contribution amounts on an annual basis.	Management acknowledged the finding and will take into consideration
