INDEPENDENT AUDITOR'S REPORT

October 13, 2022

To the Plan Administrator of the
Cayuga Home for Children 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Cayuga Home for Children 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CAYUGA HOME FOR CHILDREN 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Cayuga Home for Children 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all non-union employees of the Cayuga Home for Children (Cayuga Centers or the employer) who are 21 years or older. Mutual of America Life Insurance Company (MOA) is the insurance company, recordkeeper and custodian of the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Changes

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has implemented include allowing Coronavirus related distributions, increased loan limits, loan repayment deferrals, and suspending required minimum distributions. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance.

Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions up to 100% of annual compensation and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 401(k). Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC. Effective June 1, 2018, unless the participant opts out, the participant is automatically enrolled in the plan with a deferral rate of 1% in the first plan year, and 2% for the second and subsequent plan years. Cayuga Centers matches 150% of each participant's contribution, up to a maximum employer contribution equal to 6% of the participant's annual compensation. Participants become eligible for employer contributions after one year of service while working at least 1,000 hours. Cayuga Centers can also make additional contributions at the discretion of the Board of Directors. There were no discretionary contributions made in 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution, Cayuga Center's contribution, Plan earnings/losses on all contributions and administrative expenses. Allocations of earnings/losses and administrative expenses are based on account balances, according to specific terms provided by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and Cayuga Centers' contributions into various investment options offered by the Plan.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions and earnings/losses thereon. Participants are vested in employer contributions based on a vesting schedule - 20% each year starting in year two, over a six-year span, at which time they are 100% vested.

Notes Receivable from Participants

Participants are eligible for loans equal to the lesser of a) \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the new loan is made or b) one-half of the participant's vested account balance. Plan participants may have a maximum of three active outstanding loans. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of their vested account balance for those loans established from March 27, 2020 through September 22, 2020.

Each note receivable from a participant bears a reasonable interest rate determined as prime rate plus 1% and shall be repaid in a period not to exceed 5 years, except for loans issued in connection with the purchase of a primary residence. Payments are made by the participant through automatic payroll deductions each pay period. Notes receivable from participants are secured by the participant's account balance.

Payment of Benefits

On termination of service due to death, retirement or other reasons, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount.

Hardship Withdrawals

Prior to age 59 ½, a participant may withdraw only his or her elective deferral contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeitures of non-vested account balances may be used to pay administration costs of the plan or reduce employer contributions. Forfeitures of approximately \$179,000 and \$88,000 were applied to reduce Cayuga Centers' contributions to the Plan for the years ended December 31, 2021 and 2020, respectively. Unallocated forfeitures amounted to \$251 and \$4,006 at December 31, 2021 and 2020, respectively.

Administration

Certain administrative expenses associated with the Plan are paid by Cayuga Centers and certain expenses are paid by the Plan participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America.

Investments

Separate account funds are recorded at net asset value, as further described in Footnote 5. Fully benefit-responsive investment contracts (the general account fund) are reported at contract value, as further described in Footnote 4. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held during the year.

The Plan maintains an investment in a general account fund with MOA. Interest is credited at a rate determined by MOA from time to time, and MOA reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (1.00% for 2021 and 2020). The crediting rate determined by MOA was 1.00% as of December 31, 2021 and 2020.

During 2021, the Plan reclassified separate account funds previously measured at fair value on a recurring basis to measured at net asset value as a practical expedient due to a change in management's assessment and clarification of the inputs being more consistent with net asset value inputs. There was, however no change in the actual inputs utilized to value the separate account funds. In the prior year financial statements, the separate account funds have been reclassified to conform to the current year presentation.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by MOA and is included in the financial statements and supplemental schedule:

	<u>2021</u>	<u>2020</u>
Statements of net assets available for benefits:		
Total investments	\$ 12,331,040	\$ 8,648,770
Notes receivable from participants	\$ 287,277	\$ 302,264
Statements of changes in net assets available for benefits:		
Net appreciation in value of investments	\$ 1,659,910	\$ 1,109,104
Interest and dividends	\$ 5,574	\$ 4,942
Interest on notes receivable from participants	\$ 13,073	\$ 12,596
Schedule of Assets (Held at End of Year)	Schedule I	

4. GENERAL ACCOUNT FUND

All amounts allocated to the Interest Accumulation Account become part of MOA's general account. The amount in the Interest Accumulation Account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. MOA assumes the investment risk of the underlying investments of the Interest Accumulation Account. This guarantee is subject to MOA's financial strength and claims-paying ability. MOA's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy, and a proper matching of assets and liabilities.

The interest rate credited to amounts in the general account is a current rate and is not dependent upon the length of time the assets are invested with MOA. Further, requests for withdrawal (subject to Plan provisions) can be made at any time and are processed on the day that they are received; they are not dependent on MOA having to liquidate securities in order to generate a payment. The contract value is the redeemable value of the fund and there are no deferred sales charges, load assessments, interest rate adjustments, or surrender charges that would affect the value as a result of a withdrawal request. Amounts held in the general account are considered fully benefit- responsive.

5. SEPARATE ACCOUNT FUNDS

The separate account funds are invested in domestic stocks, international stocks, and fixed securities, such as asset or mortgage-backed securities and corporate bonds, and in mutual funds that hold such investments. The net asset value of the separate account fund is not publicly quoted. The values of the underlying investments are used in determining the net asset value of the separate account fund. Underlying equity securities have observable quoted pricing inputs. Underlying fixed securities have observable pricing inputs, including quoted prices for similar assets in the active or non-active markets. Underlying mutual funds are valued at publicly quoted pricing inputs.

There are no restrictions in connection with the transfer among or withdrawal from any of the investment alternatives in the separate account, other than that excessively frequent transfers or redemptions might be rejected. Each underlying fund has reserved the right to reject any aggregate purchase of fund shares that it determines to be inconsistent with their fund's policies and procedures relating to market timing.

The separate account funds currently invest in underlying funds, which have different investment objectives, investments policies, and risks. The investment strategies of these funds will vary based on the participant's chosen risk preferences. The separate account fund does not have any unfunded commitments.

6. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2021 and 2020.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, partial termination, or complete discontinuance of contributions to the Plan, participants would become 100% vested in their account balances. All distributions would be made in accordance with any applicable requirements of ERISA and the IRC.

8. TAX STATUS

MOA has obtained a determination letter for the prototype Plan document, in which the Internal Revenue Service stated that the Plan prototype and related trust were, at that time, designed in accordance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

9. PARTY-IN-INTEREST TRANSACTIONS

MOA is the insurance company and custodian of the Plan and Cayuga Centers is the Plan sponsor. As such, transactions between MOA, Cayuga Centers, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.
