INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Ludvik Electric Co. Davis-Bacon Plan
Lakewood, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed the audit of the financial statements of Ludvik Electric Co. Davis-Bacon Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as June 30, 2022 (in liquidation) and December 31, 2021, and the related statement of changes in net assets available for benefits for the period ended June 30, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 30, 2022 and December 31, 2021, and for the period ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements. In performing an audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Basis of Accounting

As further discussed in Note 6 to the financial statements, the Trustee's of the Plan voted on April 12, 2022, to terminate the Plan in accordance with accounting principles generally accepted in the United States of America. The Plan has changed its basis of accounting from ongoing plan basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

LUDVIK ELECTRIC CO. DAVIS-BACON PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan

The following description of the Ludvik Electric Co. Davis-Bacon Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General - The Plan was a defined contribution plan sponsored by Ludvik Electric Co. (the "Company") for the benefit of its employees who perform work on prevailing wage contracts ("contract" or "contracts") from the date the participant's employment is covered under the contract. Under the provisions of the Plan, highly compensated employees, defined as an employee who is at least a 5% shareholder during the current plan period or who earned at least \$125,000 during the current year, were not eligible to participate in the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On April 12, 2022, the Trustees of the Plan voted to terminate the Plan effective June 30, 2022. Participants' account balances were either distributed to participants or rolled over to the Company's traditional 401(k) Plan.

Contributions - Prior to termination, participants could make pre-tax elective deferrals of their eligible compensation, not to exceed the maximum deferral limits as defined by the Internal Revenue Code ("IRC"). For the Plan period ended June 30, 2022, the limit was \$20,500 for contributions. The dollar limit applies to this Plan as well as any other 401(k) savings plan in which an employee participated in during the period. Eligible compensation was comprised of W-2 wages, increased by any pre-tax elective deferral amounts, earned while performing work on contracts. The Company made prevailing wage contributions to the Plan on behalf of participants based upon the applicable compensation paid under the contracts and specified for the Plan year or other applicable period therein. Participants were not allowed to make catch-up contributions to the Plan. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant investment account options - Prior to termination, participants directed the investment of all contributions into various investment options offered by the Plan. Participants changed their investment options at any time. The Plan offered various mutual funds.

Participant accounts - Each participant's account was credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Vesting - Participants were immediately vested in their contributions plus actual earnings as well as the employer prevailing wage contributions plus actual earnings thereon.

Payment of benefits - On termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments as specified in the Plan agreement. For termination of service due to other reasons, a participant could receive the value of the vested interest in his or her account as a lump sum distribution. Participants were subject to a 45 day wait period after termination of service prior to becoming eligible to receive benefit payments.

LUDVIK ELECTRIC CO. DAVIS-BACON PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan (continued)

Payment of benefits (continued) - In-service distributions of certain amounts, as defined, were permitted for employees who have obtained two years of service. In the event of an immediate and heavy financial need, as defined by the Plan, participants could request a hardship distribution of their elective contributions. Upon withdrawal from the Plan or termination of employment, participants may be subject to federal income tax on contributions and income earned. The participants could request a hardship distribution from both elective and non-elective contributions.

Upon termination, participants with a vested account balance of \$1,000 or less would receive an automatic lump sum distribution from the Plan. For participants who terminate with a vested account balance of more than \$1,000 but less than \$5,000, the plan administrator would make a direct rollover into an individual retirement account.

(2) Summary of accounting policies

Basis of accounting - The financial statements of the Plan were prepared under the accrual method of accounting. As described in Note 6, the Trustees of the Plan voted on April 12, 2022, to terminate the Plan effective June 30, 2022, and as a result, the Plan changed its basis of accounting from an ongoing basis to the liquidation basis. The liquidation basis of accounting causes little or no change in the value of the Plan assets carried at current market values that could be received in an "orderly transaction". Accordingly, the accompanying 2021 financial statements prepared on the liquidation basis do not require any such adjustment.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determined the valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Net depreciation includes the Plan's realized gains and losses on investments bought and sold, and unrealized gains and losses on investments held as of the reporting date.

Payment of benefits - Benefits were recorded when paid.

Administrative expenses - Certain expenses of the Plan were paid by the Company and were not included in the statement of changes in net assets available for benefits. Fees related to the administration of benefit payments were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net depreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

(3) Information prepared and certified by the custodian

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Nationwide Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments:

- Investments at fair value
- Net depreciation in fair value of investments

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022, and December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

There were no investments held by the Plan as of June 30, 2022, due to the plan termination.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021.

	Investments at Fair Value as of December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 3,003,452</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,003,452</u>

(5) Related party and party-in-interest transactions

Fees incurred by the Plan for the investment management services paid to Nationwide are included as a reduction in net depreciation in fair value of the investments which were \$5,780 for the period ended June 30, 2022. The Plan made direct payments to the Plan's investment advisors of \$10,682 for the period ended June 30, 2022. The Plan Sponsor paid directly any other fees related to the Plan's operations.

(6) Plan termination

The Company had the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. On April 12, 2022, the Trustees of the Plan, voted to terminate the Plan effective June 30, 2022. As a result, the net assets of the Plan were allocated as prescribed by ERISA and its related regulations. Participants' account balances were either distributed to the participants or transferred to the Company's traditional 401(k) Plan. As of July 29, 2022, all assets were liquidated.

(7) Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net decrease before plan transfer per the financial statements for the period ended June 30, 2022 to Form 5500:

	<u>Period Ended June 30, 2022</u>
Net decrease before plan transfer per the financial statements	\$ (985,741)
Add contributions receivable - prior year	5,494
Net decrease before plan transfers per Form 5500	<u>\$ (980,247)</u>

LUDVIK ELECTRIC CO. DAVIS-BACON PLAN

NOTES TO FINANCIAL STATEMENTS

(8) **Tax status**

The Company transitioned to Nationwide in June 2019, the Internal Revenue Service had determined that the Nationwide volume submitter profit sharing plan is designed in accordance with applicable sections of the IRC and informed the custodian of such in a letter dated March 31, 2014. Although the Plan had been amended since receiving the determination letter, the plan administrative committee/plan administrator believed that the Plan and related trust were designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) **Risks, uncertainties and concentrations**

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan held concentrations in six investment securities as of December 31, 2021, respectively. The Plan held funds in TIAA CREF Life Cycle Target Date Institutional Funds totaling 79% as of December 31, 2021.

(10) **Subsequent events**

The Plan has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued.
