INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator
of the 360 Behavioral Health 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 360 Behavioral Health 401(k) Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 360 Behavioral Health 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 360 Behavioral Health 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 360 Behavioral Health 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 360 Behavioral Health 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 360 Behavioral Health 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the 360 Behavioral Health 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan established by Z & S Management Corporation and eligible participating employers (collectively, the "Employer") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The trustee and plan administrator are responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance. Minnesota Life Insurance Company, (the "Custodian") is responsible for the custody and management of the Plan's assets.

2. Eligibility

All non-seasonal/part-time employees who are U.S. residents may participate in the Plan. Part-time and seasonal employees with 1,000 hours or less of regularly scheduled service in the plan year are eligible after one year of service. All other employees may begin contributing to the Plan upon 30 days of employment with the Employer. Eligible employees are also eligible for discretionary matching contributions or discretionary profit sharing contributions upon one year of service.

3. Contributions

Participants may elect to contribute, on a tax-deferred basis or Roth 401(k) basis, up to 100% of their eligible compensation, subject to certain limitations under the IRC. Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may direct contributions, as desired, in any of several investments offered by the Custodian and may change their investment options daily. In addition, the Employer may make annual discretionary matching contributions as determined by Employer.

The Employer may also make a discretionary profit sharing contribution for each active and eligible participant employed on the last day of the plan year, in an amount subject to determination on an annual basis by the Board of Directors of the Employer.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, and the Employer's discretionary matching contribution, as well as allocations of the Employer's discretionary profit sharing contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

5. Notes Receivable From Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum of 50% of their vested account balance (not to exceed $50,000 less the highest outstanding loan balance during the prior twelve-month period) (see Note K). The loans are secured by the balance in the participant's account. Participants may have one loan for purchase of a primary residence and one additional loan at any time. All loans shall bear a reasonable rate of interest as determined by the plan administrator. Loans must be paid back within five years of the date of issuance in accordance with terms established by the plan administrator (see Note K). Loans for the purchase of a principal residence may be repaid over a longer period. Loans are due and payable upon the participant's termination of employment with the Employer.

6. Vesting

Employee contributions, Employer qualified nonelective contributions, rollovers and actual earnings on all such contributions are fully vested at all times. Vesting of Employer's discretionary matching contributions, Employer's discretionary profit sharing contributions and actual earnings thereon, are based upon the participant's years of service with the Employer as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

7. Benefit Payments

Upon termination of employment with the Employer, a participant may receive a lump sum disbursement if his or her vested account balance is less than $1,000. If the vested account balance is between $1,000 and $5,000, a lump sum will be distributed directly to an individual retirement account unless the participant elects otherwise. For balances greater than $5,000, the participant is entitled to a lump sum amount or installment payments. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In addition, upon attaining age 59½, participants may receive distributions. Hardship withdrawals are also permitted if certain criteria are met. In addition, during 2020, Coronavirus Aid, Relief, and Economic Security ("CARES") distributions were also permitted if certain criteria were met (see Note K).

NOTE A - DESCRIPTION OF THE PLAN (Continued)

8. Administrative Expenses

Certain expenses of maintaining the Plan are paid from the assets of the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

9. Forfeitures

Forfeitures of terminated participants' nonvested accounts may be applied against future Employer contributions or to pay plan expenses. During the year ended December 31, 2021, no forfeitures were utilized. As of December 31, 2021, there was no unallocated forfeitures included in net assets available for benefits.

10. Plan Amendments and Termination

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Minnesota Life Guaranteed Return is a group annuity contract and is considered fully benefit-responsive and is reported at contract value. The Plan's management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

5. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to deductions from net assets. The Plan distributed the 2021 excess contributions to the applicable participants subsequent to March 15, 2022.

6. Benefit Payments

Benefits are recorded when paid.

7. Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") 2018-13 *Fair Value Measurement: Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* (Topic 820). ASU 2018-13 removes, modifies and adds certain financial statement disclosures related primarily to Level 3 fair value disclosures on fair value measurements in order to improve the effectiveness of the disclosure. The accounting amendment should be applied retrospectively and is effective for annual periods beginning after December 15, 2019, however early application is permitted. This accounting amendment is an accounting policy that the Plan has elected to adopt for the year ended December 31, 2020, and did not have an impact on the Plan's net assets or changes in net assets.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

8. Subsequent Events

Plan management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

NOTE C - CERTIFICATION BY CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all of the investment information, including investment income, and notes receivable from participants and related interest income, included in the accompanying financial statements and supplemental schedules has been certified as complete and accurate by the Custodian of the Plan.

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Pooled separate accounts: Valued at the fund's net asset value reflecting all investments at fair value, including direct and indirect interests in mutual funds, as reported by the fund manager, held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 797,912	$ -	$ 797,912
Total investments at fair value	$ -	$ 797,912	$ -	$ 797,912

December 31, 2020	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 392,432	$ -	$ 392,432
Total investments at fair value	$ -	$ 392,432	$ -	$ 392,432

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive investment contract with the Custodian. The contract is an insurance company issued group annuity with contributions maintained in a general account.

As described in Note B, because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 60 days or in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract which require the plan sponsor to settle at an amount different than contract value paid either within 60 days or over time.

The group annuity contract does not permit the insurance company to terminate the agreement prior to ninety days written notification.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Custodian is a party-in-interest with respect to the Plan. Investments are held with and managed by the Custodian. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than direct payment. Additional fees may be paid directly to the Custodian or other parties-in-interest. Notes receivable and the related interest income are considered related party transactions.

NOTE G - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has issued an opinion letter to the Custodian dated June 30, 2020, that the adopted non-standardized pre-approved plan document and related trust are designed in accordance with applicable sections of the IRC (see Note K). Although the Plan did not seek a favorable determination letter with respect to the initial adoption of the plan document, nor with any plan amendments, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - PROHIBITED TRANSACTIONS

During the year ended December 31, 2021, the Employer failed to remit employee contributions to the Plan on a timely basis for the period, as required by DOL Reg. 2510.3-102, resulting in prohibited transactions. The Employer is in the process of computing the lost earnings related to the late remittances for deposit to the Plan.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500 as of December 31:

	2021	2020
Net assets available for Plan benefits per the financial statements	$ 766,792	$ 401,991
Less: contributions receivable at year-end	(708)	-
Plus: corrective distributions payable at year-end	50,650	61,798
Net assets available for Plan benefits per the Form 5500	$ 816,734	$ 463,789

The following is a reconciliation of changes in net assets available for Plan benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for Plan benefits per the financial statements	$ 364,801
Less: contributions receivable at the current year-end	(708)
Plus: corrective distributions payable at the current year-end	50,650
Less: corrective distributions payable at the prior-year end	(61,798)
Net increase in net assets available for Plan benefits per the Form 5500	$ 352,945

NOTE K - PLAN AMENDMENTS

Effective April 5, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 (see Notes A-5 and A-7). In addition, effective April 21, 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020 (see Note A-5). The required amendment to the Plan will be adopted by the adoption date allowed by the IRS.

NOTE K - PLAN AMENDMENTS (Continued)

Effective August 1, 2021, the Plan was restated upon the adoption of the Custodian's non-standardized pre-approved plan document. In addition, the IRS issued a letter to the Custodian that the non-standardized pre-approved plan document and trust are designed in accordance with applicable sections of the IRC (see Note G). There were no material modifications to the provisions of the Plan.
