## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Redneck, Inc. Employees' 401(k) Profit Sharing Plan  
Springfield, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the Redneck, Inc. Employees' 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2021, and the related statement of changes in net assets available for benefits (in liquidation) for the four months then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the four months ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly,

in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Redneck, Inc. Employees' 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Redneck, Inc. Employees' 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after October 11, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Redneck, Inc. Employees' 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Redneck, Inc. Employees' 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified in the audit.

### **Emphasis of Matter**

As described in Note 5 to the financial statements, the plan was merged with the assets of the Dexter 401(k) Retirement Savings Plan effective as of January 1, 2022.

### **Other Matters**

#### *Auditors' Report on the 8/31/2021 Financial Statements*

We were engaged to audit the 8/31/2021 financial statements of the Redneck, Inc. Employees' 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's

Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 8, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 8/31/2021 financial statements, and (b) the form and content of the information included in the 8/31/2021 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# REDNECK, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

-----  
**Four Months Ended December 31, 2021**

### **NOTE 1: DESCRIPTION OF PLAN**

The following description of the Redneck, Inc. Employees' 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan originally effective November 1, 1982. The Plan has been amended and restated throughout the years to comply with tax legislation. The Plan was last amended September 1, 2018. The Plan covers all employees of Redneck, Inc (the "Company") and certain affiliated businesses, who are age eighteen or older. Employees may begin deferring 30 days following employment. Company matching and qualified non-elective contributions are discretionary. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Contributions** - Participants may contribute a portion of their annual compensation, as defined by the Plan document, by way of salary reductions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants have their deferral rates automatically escalated by 1 percent annually up to 10 percent. The Company makes discretionary non-elective contributions to participants who have at least one year of service and 1,000 hours. During the four months ended December 31, 2021 and twelve months ended August 31, 2021, respectively, the discretionary non-elective contribution was equal to 100 percent of the first 2 percent and 50 percent of the next 2 percent of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company. During the four months ended December 31, 2021 the Company did not make a profit sharing contribution to the Plan. Contributions are subject to certain IRS limitations.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRA's. Participants direct the investment of contributions into various investment options offered by the Plan.

**Participant accounts** - Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS

-----  
**Four Months Ended December 31, 2021**

### **NOTE 1: DESCRIPTION OF PLAN – CONTINUED**

***Vesting*** - Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion of their accounts, plus earnings thereon, is based on years of continuous service. A participant is fully vested after six years of continuous service. The non-vested balance is forfeited upon termination of service.

If a participant dies, becomes disabled, or reaches the normal retirement age of 65 while employed by the Company, his or her interest in the Company's contributions becomes 100% vested without regard to his or her years of continuous service.

***Notes receivable from participants*** - The plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of the loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balances restricted to the lesser of \$50,000 or one half of the value of the participant's vested account balance (as of the valuation date immediately preceding the date on which such loan is approved). All loans are secured by the pledge of the participant's vested account balance, not to exceed the balances of the loans, and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings. The loans will bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator.

Notes receivable from participants are measured at their unpaid principal balance. If a participant terminates employment, the loan is immediately due. A loan is considered to be in default if a participant fails to make all or any part of a required loan repayment by the end of the calendar quarter following the quarter in which such payment was due. Outstanding loan balances in default will be treated as outstanding for the purposes of determining any future loan amounts. In the event of default, the outstanding balance of the loan, including accrued interest, will be treated as a deemed distribution subject to federal income tax.

***Forfeited accounts*** - Participants who terminate their employment and are less than 100% vested in their employer account will forfeit the non-vested portion. Forfeitures are reallocated to participants in the following plan year. The forfeited non-vested account balance was \$110,759 at August 31, 2021. There were no non-vested account balances at December 31, 2021.

***Payment of benefits*** - Participants are eligible for distributions from the Plan upon attaining the normal retirement age, or upon death, disability or termination of employment. The Plan allows for in-service distributions for hardship distributions subject to Plan provisions. If a participant terminated employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent.

## NOTES TO FINANCIAL STATEMENTS

-----

Four Months Ended December 31, 2021

### **NOTE 1: DESCRIPTION OF PLAN – CONTINUED**

***Investment options*** - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, as well as a stable value collective trust fund, as investment options for participants.

### **NOTE 2: SUMMARY OF ACCOUNTING POLICIES**

***Basis of accounting*** - Effective January 1, 2022, the Plan has merged with the Dexter 401(k) Retirement Plan. As of December 31, 2021, the Plan has transferred all assets out and, accordingly, revalued its assets to the amounts expected to be collected during liquidation.

***Use of estimates*** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment valuation and income recognition*** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of benefits*** - Benefits are recorded when paid.

***Expenses*** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

***Revenue sharing*** - The Plan participates in a revenue sharing agreement with certain providers. During the four months ended December 31, 2021, the Plan received \$10,138, which was offset against investment advisory fees. The net fees are included in administrative expenses in the financial statements.

## **NOTES TO FINANCIAL STATEMENTS**

-----

**Four Months Ended December 31, 2021**

### **NOTE 2: SUMMARY OF ACCOUNTING POLICIES – CONTINUED**

***Subsequent events*** - Management has evaluated subsequent events through October 11, 2022, the date which the financial statements were available to be issued.

### **NOTE 3: CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and August 31, 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the four months and twelve months ended December 31, 2021 and August 31, 2021, respectively, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (the trustee of the Plan.)

### **NOTE 4: PARTY-IN INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. Certain plan investments are shares of investments managed by, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the trustee of the Plan and, therefore, these transactions qualify as party-in interest transactions. The Plan incurs expenses related to general administration and record keeping. The plan sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan.

### **NOTE 5: PLAN TERMINATION**

The Company is 100% owned by Dexter Axle Company. Effective January 1, 2022, the Plan was merged with and restated to read identically to the Dexter 401(k) Retirement Savings Plan and simultaneously the assets of Redneck, Inc Employees' 401(k) Profit Sharing Plan were transferred to and merged with the assets of the Dexter 401(k) Retirement Savings Plan.

As of December 31, 2021, all assets have been transferred out of the plan.

### **NOTE 6: TAX STATUS**

The Plan is placing reliance on an opinion letter dated March 31, 2014, on the Plan received from the Internal Revenue Service indicating that the Plan is qualified under

#### **NOTE 6: TAX STATUS – CONTINUED**

Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under current income tax law. The Plan has been amended since receiving the opinion letter. However the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

#### **NOTE 7: SEPARATED PARTICIPANTS**

At August 31, 2021, the vested account balances of all terminated employees was \$4,616,008. There were no vested account balances at December 31, 2021.

#### **NOTE 8: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **NOTE 9: FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and August 31, 2021.

*Mutual funds:*

Valued at the daily closing price reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value collective trust fund:*

A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical

expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, with in the fair value hierarchy, the plan's assets at fair value as of August 31, 2021:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of assets available for benefits.

#### **Investments Measured using the Net Asset Value per Share Practical Expedient**

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of as of August 31, 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.
