Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Momentive 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MOMENTIVE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Momentive 401(k) Plan (formerly SurveyMonkey 401(k) Plan) (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan that was established in 2009 by SurveyMonkey Inc. (the "Company") to provide benefits to eligible employees, as defined in the Plan document. During 2021, the Company changed its name to Momentive Inc. and the Plan was formally amended to change its name to Momentive 401(k) Plan. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

The Company appointed an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. The Committee designated Standard Retirement Services, a division of Standard Insurance Company, to serve as third-party administrator and maintain participant records. Reliance Trust Company serves as directed trustee of the Plan. Fund administrative expenses are charged directly by the funds and factored into each fund as a reduction in investment return. Participant loan administration and withdrawal fees are charged directly to participants. Other costs incurred for administering the Plan were paid by the Company in 2021.

C. Eligibility

Substantially all employees of the Company of age 18 or older are eligible to enter the plan on the first day of the month following their date of hire. The Plan specifically excludes leased employees, non-resident aliens, and employees covered under a collective bargaining agreement.

D. Contributions

Participants may elect to make pre-tax and/or Roth after-tax contributions to the Plan up to the maximum amount permitted under provisions of the Code. Participants of age 50 or older may elect to make up to \$6,500 in additional catch-up contributions for 2021. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. Employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled in the Plan at a deferral rate of 6% of compensation.

Participants are also allowed to make rollover contributions of eligible amounts received from other tax-qualified employer sponsored retirement plans subject to approval of the plan administrator. Such contributions are deposited in the appropriate investment funds in accordance with participant directions.

The Company may make employer discretionary matching contributions as defined in the Plan and approved by the Board of Directors. In 2021, the Company matched 25% of contributions made by participants.

MOMENTIVE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company matching contributions and an allocation of Plan earnings or losses and expenses. Plan assets are invested based on instructions received from participants. The contributions of participants who decline to make an investment election are invested in the Vanguard Target Retirement Fund appropriate for the individual's age and projected date of retirement.

F. Vesting and Forfeitures

Participants are immediately 100% vested in their accounts.

Forfeitures of terminated participants' non-vested accounts may be used to reduce Company contributions or to pay Plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$174,579 and \$4,687, respectively. During 2021, forfeitures totaled \$192,142 of which \$22,930 was used to pay administrative fees.

G. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or attaining age 59½, a participant or beneficiary may maintain his or her account in the Plan or withdraw vested benefits in a lump sum. Under limited circumstances, the plan administrator may approve hardship withdrawals. Benefits are recorded when paid.

The Plan provides for mandatory distribution of terminated participant accounts valued at \$5,000 or less. If the value of such account is between \$1,000 and \$5,000 and no distribution election has been received from the participant or beneficiary of the account, the account will be rolled over to an individual retirement account at the direction of the plan administrator. If such account does not exceed \$1,000, the balance will be paid in a lump sum.

H. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account, bears interest at a fixed rate equal to the prime rate at loan inception and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. Principal and interest are paid ratably through payroll deductions. Participant loans outstanding at December 31, 2021 carry interest rates ranging from 3.25% to 4.75%.

Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

Plan investments are exposed to various investment risks such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company adopted a prototype plan that has received an advisory letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code for tax-exempt status. The Company believes that the Plan is operated in accordance with and qualifies under applicable requirements of the Internal Revenue Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date.

NOTE 5 - RELATED PARTY TRANSACTIONS

Payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Reliance Trust Company for the period January 1, 2021 to October 31, 2021 and Fidelity Management Trust Company for the period November 1, 2021 to December 31, 2021, the trustees.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. Plan investments consist of mutual funds that are valued at closing market prices of the shares held by the Plan at year end (Level 1).

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in the Plan's financial statements.
