## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Trustee  
KLD Associates, Inc. 401k Plan

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of KLD Associates, Inc. 401k (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNI).

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Information Required by ERISA**

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**1. DESCRIPTION OF PLAN**

The following description of the KLD Associates, Inc. 401k Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on March 1, 1976, as amended on April 26, 2021, that covers eligible employees of KLD Associates, Inc. (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") (see Note 10) and the Setting Every Community Up for Retirement Enhancement Act of 2019. These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning for eligible individuals who turn 70-1/2 after January 1, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable laws and Internal Revenue Service ("IRS") guidance.

Eligibility

Employees of the Plan Sponsor, except (i) employees covered by a collective bargaining agreement, and (ii) nonresident aliens who do not receive any earned income from the Plan Sponsor that constitutes United States earned income, are eligible to participate in the Plan upon completing at least three months of service. The entry dates to the Plan are the first day of the first, fourth, seventh, and tenth month after becoming eligible.

Participant contributions

Participants may elect to defer up to 90% of their eligible compensation, as defined in the Plan document, on a pre-tax or post-tax (Roth) basis, up to amounts established under IRS regulations. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions, up to 90% of their eligible compensation, not to exceed IRS limits. Participants may also rollover contributions from other qualified plans, excluding Roth plans.

Employer contributions

The Sponsor makes safe harbor contributions to the Plan in an amount of not less than 3% of participant's compensation, subject to limitations as defined by the Plan. In addition, the Sponsor may make other discretionary contributions to the Plan.

Effective January 1, 2022, the Sponsor revised their safe harbor contributions to the Plan to be 3.75% of participant's compensation.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's matching contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with certain administrative expenses based on specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All contributions made to these accounts are directed by the participant into investments

offered by the Plan and the allocations between investments can be changed at will.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon, the Sponsor's safe harbor contributions and amounts transferred from other plans. The Sponsor's discretionary matching contributions, plus actual earnings thereon, are vested based on the following schedule:

| <u>Years of Vested Service</u> | <u>Nonforfeitable Percentage</u> |
|--------------------------------|----------------------------------|
| Less than 1                    | 0%                               |
| 1                              | 50%                              |
| 2 or more                      | 100%                             |

Participants may also become 100% vested in their accounts upon death, disability, or upon attaining normal retirement age of 60.

Forfeitures

Forfeitures of contributions shall first be made available to pay administrative expenses under the Plan. Any remaining forfeitures will be used to reduce future employer contributions. As of December 31, 2021 and 2020, the amount of forfeited nonvested accounts was \$26,263 and \$14,018, respectively.

Notes receivable from participants

Participants may borrow against the vested value of their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may not have more than three loans outstanding at any time. The funds required to satisfy a loan request are withdrawn on a pro-rata basis from the participant's account in the various investment funds. The loans generally must be repaid within five years, unless the loan is for the purchase of a principal residence in which case the loan must be repaid within 10 years. Interest and principal repayments are credited directly to the borrower's respective account and are repaid by payroll deductions. The loans bear interest equal to local prevailing interest rates as determined by the Plan administrator.

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a deemed distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit to which a participant would otherwise be entitled to from the Plan.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code ("IRC") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants on April 6, 2022 and in October 2022. The Plan distributed the 2020 excess contributions to the applicable participants on March 9, 2021.

**DECEMBER 31, 2021 AND 2020**

**1. DESCRIPTION OF PLAN (CONTINUED)**

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or a life annuity, as described in the Plan document. The participant may defer receipt of their distribution until a later date. However, the participant cannot postpone this deferral if their vested account balance is \$5,000 or less, in which case the Plan administrator will direct the trustee that any account exceeding \$1,000 be distributed to an Individual Retirement Account or Annuity. If the participant's vested account balance is \$1,000 or less, the Plan administrator will direct the trustee to distribute the vested account balance as a lump-sum distribution without their consent. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions may be made if a participant reaches age 59½.

In addition, the Plan provides for participant withdrawals in the event of hardships, as defined in the Plan document.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer or settle a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Certain management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected in the net appreciation or depreciation in the fair market value of such investments.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits

Benefits are recorded when paid to the Plan participants.

Administrative expenses

Substantially all of the Plan's administrative expenses are paid by the Plan Sponsor.

Subsequent events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 10, 2022, the date on which these financial statements were available to be issued. There were no other material subsequent events that required recognition or additional disclosure in these financial statements other than as disclosed in Note 1.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**3. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that were prepared by, or derived from, information prepared by Fidelity Management Trust Company (the "Trustee") and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

**5. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**6. FAIR VALUE MEASUREMENTS**

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the tables below. The valuation techniques are as follows:

- (a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

**6. FAIR VALUE MEASUREMENTS (CONTINUED)**

During the years ended December 31, 2021 and 2020, there were no transfers between levels of the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

*Mutual Funds:* are valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund:* is valued at the daily closing prices, as reported by the fund, which is required to publish its daily NAV and to transact at that price.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**7. TAX STATUS**

The Company adopted a non-standardized pre-approval profit sharing plan with cash or deferred arrangement ("CODA") sponsored by Fidelity Management & Research Co., Inc. ("Fidelity"), effective April 26, 2021 (the "profit sharing plan"). Fidelity received an opinion letter from the IRS dated June 30, 2020, stating that the profit sharing plan is designed in accordance with the applicable sections of the IRC. Prior to the adoption of the profit sharing plan, the Company had a volume submitter plan document sponsored by Fidelity. Fidelity received an opinion letter from the IRS dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. Although the Plan has been modified, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**7. TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Certain Plan investments are managed by the Trustee. Accordingly, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee aggregated \$4,622 for the year ended December 31, 2021.

## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Trustee  
KLD Associates, Inc. 401k Plan

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of KLD Associates, Inc. 401k (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNI).

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Information Required by ERISA**

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**1. DESCRIPTION OF PLAN**

The following description of the KLD Associates, Inc. 401k Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on March 1, 1976, as amended on April 26, 2021, that covers eligible employees of KLD Associates, Inc. (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") (see Note 10) and the Setting Every Community Up for Retirement Enhancement Act of 2019. These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning for eligible individuals who turn 70-1/2 after January 1, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable laws and Internal Revenue Service ("IRS") guidance.

Eligibility

Employees of the Plan Sponsor, except (i) employees covered by a collective bargaining agreement, and (ii) nonresident aliens who do not receive any earned income from the Plan Sponsor that constitutes United States earned income, are eligible to participate in the Plan upon completing at least three months of service. The entry dates to the Plan are the first day of the first, fourth, seventh, and tenth month after becoming eligible.

Participant contributions

Participants may elect to defer up to 90% of their eligible compensation, as defined in the Plan document, on a pre-tax or post-tax (Roth) basis, up to amounts established under IRS regulations. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions, up to 90% of their eligible compensation, not to exceed IRS limits. Participants may also rollover contributions from other qualified plans, excluding Roth plans.

Employer contributions

The Sponsor makes safe harbor contributions to the Plan in an amount of not less than 3% of participant's compensation, subject to limitations as defined by the Plan. In addition, the Sponsor may make other discretionary contributions to the Plan.

Effective January 1, 2022, the Sponsor revised their safe harbor contributions to the Plan to be 3.75% of participant's compensation.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the Sponsor's matching contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with certain administrative expenses based on specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All contributions made to these accounts are directed by the participant into investments

**1. DESCRIPTION OF PLAN (CONTINUED)**

offered by the Plan and the allocations between investments can be changed at will.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon, the Sponsor's safe harbor contributions and amounts transferred from other plans. The Sponsor's discretionary matching contributions, plus actual earnings thereon, are vested based on the following schedule:

| <u>Years of Vested Service</u> | <u>Nonforfeitable Percentage</u> |
|--------------------------------|----------------------------------|
| Less than 1                    | 0%                               |
| 1                              | 50%                              |
| 2 or more                      | 100%                             |

Participants may also become 100% vested in their accounts upon death, disability, or upon attaining normal retirement age of 60.

Forfeitures

Forfeitures of contributions shall first be made available to pay administrative expenses under the Plan. Any remaining forfeitures will be used to reduce future employer contributions. As of December 31, 2021 and 2020, the amount of forfeited nonvested accounts was \$26,263 and \$14,018, respectively.

Notes receivable from participants

Participants may borrow against the vested value of their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may not have more than three loans outstanding at any time. The funds required to satisfy a loan request are withdrawn on a pro-rata basis from the participant's account in the various investment funds. The loans generally must be repaid within five years, unless the loan is for the purchase of a principal residence in which case the loan must be repaid within 10 years. Interest and principal repayments are credited directly to the borrower's respective account and are repaid by payroll deductions. The loans bear interest equal to local prevailing interest rates as determined by the Plan administrator.

If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a deemed distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit to which a participant would otherwise be entitled to from the Plan.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code ("IRC") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants on April 6, 2022 and in October 2022. The Plan distributed the 2020 excess contributions to the applicable participants on March 9, 2021.

**DECEMBER 31, 2021 AND 2020**

**1. DESCRIPTION OF PLAN (CONTINUED)**

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or a life annuity, as described in the Plan document. The participant may defer receipt of their distribution until a later date. However, the participant cannot postpone this deferral if their vested account balance is \$5,000 or less, in which case the Plan administrator will direct the trustee that any account exceeding \$1,000 be distributed to an Individual Retirement Account or Annuity. If the participant's vested account balance is \$1,000 or less, the Plan administrator will direct the trustee to distribute the vested account balance as a lump-sum distribution without their consent. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions may be made if a participant reaches age 59½.

In addition, the Plan provides for participant withdrawals in the event of hardships, as defined in the Plan document.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer or settle a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Certain management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected in the net appreciation or depreciation in the fair market value of such investments.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits

Benefits are recorded when paid to the Plan participants.

Administrative expenses

Substantially all of the Plan's administrative expenses are paid by the Plan Sponsor.

Subsequent events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 10, 2022, the date on which these financial statements were available to be issued. There were no other material subsequent events that required recognition or additional disclosure in these financial statements other than as disclosed in Note 1.

**KLD ASSOCIATES, INC. 401k PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**3. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that were prepared by, or derived from, information prepared by Fidelity Management Trust Company (the "Trustee") and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

**5. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**6. FAIR VALUE MEASUREMENTS**

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the tables below. The valuation techniques are as follows:

- (a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

During the years ended December 31, 2021 and 2020, there were no transfers between levels of the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

*Mutual Funds:* are valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund:* is valued at the daily closing prices, as reported by the fund, which is required to publish its daily NAV and to transact at that price.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**7. TAX STATUS**

The Company adopted a non-standardized pre-approval profit sharing plan with cash or deferred arrangement ("CODA") sponsored by Fidelity Management & Research Co., Inc. ("Fidelity"), effective April 26, 2021 (the "profit sharing plan"). Fidelity received an opinion letter from the IRS dated June 30, 2020, stating that the profit sharing plan is designed in accordance with the applicable sections of the IRC. Prior to the adoption of the profit sharing plan, the Company had a volume submitter plan document sponsored by Fidelity. Fidelity received an opinion letter from the IRS dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. Although the Plan has been modified, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

**DECEMBER 31, 2021 AND 2020**

**7. TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. PARTY-IN-INTEREST TRANSACTIONS**

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Certain Plan investments are managed by the Trustee. Accordingly, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee aggregated \$4,622 for the year ended December 31, 2021.

On March 27, 2020, the CARES Act was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. The Plan adopted the provision to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to \$100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period.
