Independent Auditor's Report

To the Plan Administrator
Medisys Health Network, Inc. Cash Balance Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Medisys Health Network, Inc. Cash Balance Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 22, 2021 (in Liquidation) and the related statement of changes in net assets available for benefits for the period from January 1, 2021 to December 22, 2021 (in Liquidation) (date of termination), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 22, 2021, and for the period from January 1, 2021 to December 22, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Notes 1 and 8 to the financial statements, the governing body of the Plan approved a plan of liquidation on September 21, 2020, and management determined liquidation is imminent. As a result, the Plan is presenting the financial statements using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Cash Balance Retirement Plan**

**Notes to Financial Statements
December 22, 2021 and December 31, 2020**

Note 1 - Description of Plan

The following brief description of Medisys Health Network, Inc. Cash Balance Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan was established, effective January 1, 2010, for the benefit of certain eligible employees of Medisys Health Network, Inc. as well as eligible employees of certain Medisys Health Network, Inc. subsidiaries and affiliates (collectively, "Medisys" or the "Company") as a merger of two former plans. The former plans were frozen to new participants prior to the merger that created this Plan. Effective December 31, 2011, the Plan was amended to freeze the accrual of all future benefits.

The Medisys subsidiaries and affiliates that currently participate in the Plan are the Jamaica Hospital Medical Center, Jamaica Hospital Nursing Home Co., Inc., Jamaica Hospital Medical Center Diagnostic Treatment Center, Advanced Center for Psychotherapy and Ambulance Services, Medisys Management, LLC and Medisys Ventures, Inc., Jamaica Psychiatric Services, TJH, Advanced Center for Psychotherapy, Inc., Medisys Ambulance Service, FRR Recovery, Inc., Flushing Hospital Medical Center and Hi Tech Medical Equipment, Inc.

The Company's management is responsible for oversight of the Plan. The Company's management determines the appropriateness of the Plan's investments, monitors investment performance and reports to the Plan's Board of Trustees.

Plan termination

On September 21, 2020, it was resolved by the Board of Trustees to terminate the Plan. As a result of the Plan termination, in accordance with accounting principles generally accepted in the United States of America ("GAAP"), the financial statements are presented on the liquidation basis of accounting (see Note 2). All assets were distributed to participants during 2021 and the Plan was terminated on December 22, 2021.

Pension benefits

Benefits are determined based on the participant's hypothetical account balance. Participants are fully vested in the Company's contributions, and earnings thereon, in the Plan after three years of credited service. On termination of service due to death, disability or attainment of age 65 (normal retirement age), the participant's account is considered fully vested. Under the terms of the Plan, participants fully vested would receive either an annuity payment dependent on their marital status or a lump sum payment.

Note 2 - Summary of significant accounting policies

Basis for presentation

In accordance with GAAP, due to the Plan sponsor's decision to terminate the Plan on September 21, 2020, the financial statements as of and for the period from January 1, 2021 to December 22, 2021 and for the year ended December 31, 2020 were prepared using the liquidation basis of accounting to determine the amounts at which Plan assets are stated.

Medisys Health Network, Inc.
Cash Balance Retirement Plan

Notes to Financial Statements
December 22, 2021 and December 31, 2020

Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions relating to the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates and assumptions.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Concentrations of credit risk

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of cash and cash equivalents. The Plan maintains its cash and cash equivalents with high-credit quality financial institutions. At times, such amounts may exceed federally insured limits.

Subsequent events

The Plan has evaluated subsequent events through October 14, 2022, which is the date the financial statements were available to be issued.

Note 3 - Funding policy

The Company's funding policy is to make contributions to the participant's cash balance account in amounts in accordance with the Plan agreement, which is based on participant's age, years of service and compensation. In addition, contribution amounts by the Company are determined by the Plan's independent actuary. The Company met the minimum funding requirement for the period from January 1, 2021 to December 22, 2021 and the year ended December 31, 2020.

Note 4 - Actuarial present value of accumulated plan benefits

The actuarial present value of accumulated plan benefits as of December 31, 2020 was not prepared, as the Plan received a favorable determination letter on June 13, 2016 related to the termination of the Plan and all assets related to the Plan have been distributed as of December 22, 2021.

Note 5 - Certified investments

The Plan has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Investments held at December 31, 2020, and investment income (loss) for the year then ended, that are disclosed in the accompanying financial statements, were obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Matrix Trust Company, the custodian of the Plan.

Note 6 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**Notes to Financial Statements
December 22, 2021 and December 31, 2020**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 22, 2021 and December 31, 2020:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at fair value as of December 22, 2021				
	Level 1	Level 2	Level 3	Total
None	\$ -	\$ -	\$ -	\$ -
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
Assets at fair value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,353,652	\$ -	\$ -	\$ 11,353,652
Total assets at fair value	<u>\$ 11,353,652</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,353,652</u>

Note 7 - Related party and party-in-interest transactions

Fees incurred by the Plan for the investment management services are included in administrative expenses. As described in Note 2, the Plan made a direct payment to the third-party administrator of \$0 for the period from January 1, 2021 to December 22, 2021 and \$44,083 for the year ended December 31, 2020, respectively, which was not covered by revenue sharing.

Note 8 - Plan termination

As discussed in Note 1, the Plan sponsor made the decision to terminate the Plan effective September 21, 2020, subject to the provisions of ERISA. The net assets of the Plan were distributed to the participants, as prescribed by ERISA and its related regulations.

Note 9 - Tax status

The IRS has determined and informed the Plan by letter dated December 18, 2013, that the Plan and related trust are designed in accordance with the applicable sections from the Internal Revenue Code (the "Code"). The Plan administrator believes that the Plan is currently being operated in compliance with the applicable sections of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
