INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Rango, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Rango, Inc. 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rango, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rango, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rango, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rango, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. - The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Rango, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 7, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of Rango, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Rango, Inc., Rango Honey Inc., Remington Construction Company LLC, and Remington East, Inc. (collectively, the “Plan Administrator” and “Employer”) who have completed 90 days of service. The Plan was established effective January 1, 2020, was amended and restated effective October 1, 2020, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may elect to defer up to 100% of their compensation, as defined in the Plan. There are two types of elective deferrals: pre-tax deferrals and after-tax Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (“rollovers”).

At its discretion, the Employer may make a matching contribution to the Plan. During 2021, the Employer made a matching contribution in an amount equal to the sum of 100% of the participant’s elective deferrals that do not exceed 3% of the participant’s compensation, plus 50% of the amount of the participant’s elective deferrals that exceeded 3% of the participant’s compensation but did not exceed 5% of the participant’s compensation, as defined by the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily. The Plan currently offers various mutual funds and a fixed annuity as investment options for participants.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and employer matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching contributions is based on credited service, as defined. A participant is vested 20% after one year of credited service and vests an additional 20% each year until fully vested after five years of credited service. If a participant reaches normal retirement age, dies, or becomes totally disabled, the participant becomes fully vested irrespective of years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates determined by the Plan Administrator, which are commensurate with local prevailing rates. The term on the loan is not to exceed five years but may be longer if used to purchase a principal residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or normal retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a defined period of time, or elect to roll his or her investment into another qualified plan or account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$2,900, respectively. Forfeited non-vested accounts may be used to reduce future employer contributions or to pay administrative expenses, which would otherwise be paid by the Plan. During the year ended December 31, 2021, approximately \$171,600 of forfeited non-vested accounts were used to reduce employer matching contributions and approximately \$6,000 of forfeited non-vested accounts were used to pay administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amount of net assets and the reported amounts of additions and deductions from net assets. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and investment advisor determine the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

3. Certification of Plan Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower"), qualified institutions, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule, Schedule H, Line 4i – Schedule of Assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

4. Related Party and Party-In-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Plan investments are shares of mutual funds and a fixed annuity held by Empower, the custodian. These investments and transactions in these investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA. As described in Note 2, expenses for benefits paid to participants and participant loan services are charged directly to the participant's account. Additionally, the Plan uses other service providers for professional services and transactions with these other service providers qualify as party-in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

5. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1* Quoted prices in active markets for identical assets or liabilities
- Level 2* Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3* Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,949,361	\$ -	\$ -	\$ 1,949,361
Fixed Annuity	-	5,964	-	5,964
Total investments at fair value	<u>\$ 1,949,361</u>	<u>\$ 5,964</u>	<u>\$ -</u>	<u>\$ 1,955,325</u>
2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 884,194.00	\$ -	\$ -	\$ 884,194
Fixed Annuity	-	3,806	-	3,806
Total investments at fair value	<u>\$ 884,194</u>	<u>\$ 3,806</u>	<u>\$ -</u>	<u>\$ 888,000</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

RANGO, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Mutual Funds

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities

Fixed annuity accounts are investment contracts issued by the custodian. Fixed accounts are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. Tax Status

The Plan operates under a standardized adoption agreement in connection with a prototype Defined Contribution Volume Submitter Plan sponsored by Great-West Trust Company, LLC. This prototype plan document has been filed with the appropriate agency and has obtained a determination letter from the IRS stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax exempt as of the financial statement date.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

10. Delinquent Participant Contributions

During the years ended December 31, 2021 and 2020, the Company was late remitting certain voluntary contributions within the period prescribed by the Department of Labor Regulations. These late remittances totaled approximately \$40,000 and \$103,600, for the years ended December 31, 2021 and 2020, respectively. The Plan Administrator has calculated lost earnings and corrected the 2020 late remittances during 2022 and is in the process of calculating lost earnings relating to the 2021 late deferrals.
