ATTEST SERVICES

**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the
Alliance Technical Services, Inc. 401(k) Profit Sharing Plan and its Participants:

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Alliance Technical Services, Inc. 401(k) Profit Sharing and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 10, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## 1. DESCRIPTION OF THE PLAN

The following description of the Alliance Technical Services, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan, which was established by Alliance Technical Services, Inc. (the Company) effective January 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended August 1, 2021 to change the trustees of the plan due to the acquisition of the Plan Sponsor (Note 8).

### Eligibility

The Plan allows employees of the Company who are covered by the Plan, with the exception of non-resident aliens, to make participant contributions. Union employees are not eligible to make participant contributions in the Plan or receive Company contributions except for required contributions stipulated by a collective bargaining agreement. Employees must be at least 19 years of age and have completed 6 months of service to participate in the Plan. Employees are eligible to enter the Plan on the first day of the Plan year or the first day of the 7$^{th}$ month of the Plan year once the other eligibility requirements are met. Union employees are eligible to receive prevailing wage contributions immediately upon hire, in the amount determined by their prevailing wage contract and are not subject to the age or service requirements.

### Participant Contributions

Participants may contribute up to 75% of their pre-tax annual compensation, as defined by the Plan. Participant pre-tax contributions are subject to Internal Revenue Code (the Code) limits, which totaled $19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled $6,500 for the year ended December 31, 2021. Participants are permitted to make rollover contributions to the Plan.

### Company Contributions

The Company contributes to the Plan on behalf of eligible employees. The Company will make a contribution for each employee's service contract act service or prevailing wage service based on the hourly contribution rate for the employee's employment classification, net of the amount utilized for health care benefit payments. Prevailing wage contributions totaled $418,950 for the year ended December 31, 2021.

The Plan allows the Company to make discretionary profit sharing contributions to employees. A discretionary profit sharing contribution may be made to eligible employees at a ratio of the participant's eligible compensation to the total compensation of all eligible participants. No profit sharing contributions were made to the Plan during the year ended December 31, 2021.

## 1. DESCRIPTION OF THE PLAN – cont'd.

### Company Contributions – cont'd.

The Plan allows the Company to make discretionary matching contributions equal to a percentage of a participant's elective deferrals determined by the Company. In order to receive a Company contribution, an employee must work 1,000 hours during the Plan year and be employed on the last day of the Plan year. The discretionary matching contributions are calculated on an annual basis and invested in the same manner as those directed by the participant. No discretionary matching contributions were made to the Plan during the year ended December 31, 2021.

### Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by each participant. Plan earnings, losses, and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are immediately vested in participant, rollover and prevailing wage contributions plus earnings thereon. Participants vest in Company matching and profit sharing contributions plus actual earnings and losses thereon based on years of service according to the following schedule:

| Years of Service | Vested Percentage |
|---|---|
| Less than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 | 100% |

### Forfeitures

Forfeitures of Company matching and profit sharing contributions may be applied to reduce future Company matching and profit sharing contributions. During the year ended December 31, 2021, there were no forfeitures used to reduce Company contributions. There were no forfeitures available to the Plan as of December 31, 2021 and 2020.

### Payment of Benefits

Upon termination of service due to death, disability, or retirement, or attainment of age 59 ½, a participant, or the participant's beneficiary, in the event of death, is entitled to a distribution of the participant's vested account balance. Distributions from the Plan are payable only in the form of a lump sum payment. Upon termination, if a participant's account balance is less than $5,000, the Plan administrator may elect to automatically distribute the participant's account balance.

## 1. DESCRIPTION OF THE PLAN – cont'd.

### Payment of Benefits – cont'd.

Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts may be withdrawn for a hardship purpose. Hardship withdrawals must be taken for a minimum of $1,000, can only be taken by a current employee and may only be taken from a fully vested account.

Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. Distributions are subject to the applicable provisions of the Plan agreement. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan that had not received such distributions.

### Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Custodian with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2021, the Company paid a portion of Plan expenses and the Plan paid direct expenses of $864. Distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation of fair value of investments.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### Use of Estimates

The preparation of financial statements in conformity accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

### Risks and Uncertainties

The Plan provides for investments in assets that are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investment securities may occur in the near term that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurement**

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820, *Fair Value Measurement* (ASC 820), defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement levels within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.**

**Fair Value Measurement – cont'd.**

The following is a description of the valuation methodologies used for assets measured at fair value:

*Interests in pooled separate accounts:* Valued using the net asset value (NAV) of share held by the Plan at year end as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Total assets in the fair value hierarchy | $ - | $ - | $ - | $ - |
| Interests in pooled separate accounts (a) | - | - | - | 1,653,017 |
| Total investments, at fair value | $ - | $ - | $ - | $ 1,653,017 |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Total assets in the fair value hierarchy | $ - | $ - | $ - | $ - |
| Interests in pooled separate accounts (a) | - | - | - | 1,701,463 |
| Total investments, at fair value | $ - | $ - | $ - | $ 1,701,463 |

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent practical expedient) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

### Fair Value Measurement – cont'd.

The following table presents investments measured at fair value using the NAV per share as a practical expedient as of December 31,:

| | 2021 | 2020 | Redemption Frequency | Redemption Notice Period | Unfunded Commitment |
|---|---|---|---|---|---|
| Pooled Separate Accounts (b) | $ 1,653,017 | $ 1,701,463 | Daily | Daily | n/a |

(b) Funds in this category invest in a diversified portfolio of domestic and international stocks, bond funds and/or money market funds to achieve a long-term rate of return.

### Payment of Benefits

Benefits are recorded when paid.

### Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 17, 2022, the date the financial statements were available to be issued, and determined that there were no material subsequent events that required disclosure, except as disclosed in Note 8.

## 3. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2021 and 2020 and interest and dividend income and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by the Custodian of the Plan, John Hancock Life Insurance Company (U.S.A.).

## 4. PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by John Hancock Financial, a related party of the Plan's Custodian. The Company provides the Plan with certain accounting and administrative services to the Plan for which no fees are charged. All such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

## 5. PLAN TERMINATION

Although it has not expressed the intent to do so, the Company has the right under the Plan to discontinue, modify, amend, or terminate the Plan in total, or in part, subject to the provisions of ERISA. In the event of Plan termination, affected participants will immediately vest in all unvested accounts. While not a Plan termination, as further described in Note 8 below, the Plan did merge into the Valiant Integrated Services 401(k) Plan effective August 2, 2022.

## 6. INCOME TAX STATUS

The Plan operates under a volume submitter document, which received a favorable opinion letter on March 31, 2014. The Plan has been amended and restated since receiving the favorable opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

The Plan is subject to routine audits by the Internal Revenue Service and Department of Labor; however, there are currently no audits for any periods in progress.

## 7. RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31,:

| | | 2021 | 2020 |
|---|---|---|---|
| Net assets available for benefits reported on the financial statements | $ | 1,635,080 | $ 1,688,039 |
| Excess contributions payable | | 17,937 | 13,424 |
| Net assets available for benefits reported on the Form 5500 | $ | 1,653,017 | $ 1,701,463 |

## 7. RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500 – cont'd.

The following is a reconciliation of the change in the net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

| | | |
|---|---|---|
| Net decrease in net assets available for benefits reported on the financial statements | $ | (52,959) |
| Change in excess contributions payable | | 4,513 |
| Net decrease in net assets available for benefits reported on the Form 5500 | $ | (48,446) |

## 8. PLAN MERGER

Effective June 30, 2021, the Company was acquired by and became a wholly-owned subsidiary of Valiant Integrated Services, LLC. (Valiant). As part of the acquisition, Valiant also acquired and maintained the Plan.

On May 1, 2022, the Plan was frozen and all participants transferred from the Plan to the Valiant Integrated Services 401(k) Plan (the Valiant Plan). Effective August 2, 2022 the Plan merged with the Valiant Plan. In conjunction with this Plan merger, the Plan's investments totaling $1,509,974 held by John Hancock Life Insurance Company (U.S.A.), were transferred to the Valiant Plan, held by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Custodian and Trustee of the Valiant Plan. As a result of this change, there was a blackout period from July 27, 2022 through August 14, 2022 for distribution and allocation changes. During this time participants were unable to access their accounts or obtain a distribution from the Plan and the Valiant Plan. Furthermore, participants were unable to direct or diversify their investments in the Valiant Plan. Participants were, however, able to make contributions to the Plan during the blackout period.

## 9. EXCESS CONTRIBUTIONS PAYABLE

During the year ended December 31, 2021, the Plan failed to comply with certain non-discrimination rules. As a result, the Plan was required to refund certain excess contributions to affected participants. As of December 31, 2021, corrective distributions totaling $17,937 were required to be made and are included in excess contributions payable in the accompanying statement of net assets available for benefits. The corrective contributions were made in 2022.
