INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
T.Y. Lin International Employees' Savings and Retirement Plan
San Francisco, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of T.Y. Lin International Employees' Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 T.Y. Lin International Employees' Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of T.Y. Lin International Employees' Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T.Y. Lin International Employees' Savings and Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of T.Y. Lin International Employees' Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T.Y. Lin International Employees' Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of T.Y. Lin International Employees' Savings and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

T.Y. Lin International Employees' Savings and Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the T.Y. Lin International Employees' Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on October 1, 1985, restated on November 15, 2017, to provide retirement benefits for the employees of T.Y. Lin International (the "Company"). The Plan is a voluntary defined contribution plan that covers substantially all salaried and hourly domestic employees of the Company who have met the eligibility requirements. The Plan allows the employees of the Company for immediate entry upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the Internal Revenue Code ("IRC").

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law. The Plan is administered by the Company and a Retirement Committee appointed by the Board of Directors of the Company. The assets of the Plan are held by the custodian and trustee, Fidelity Management Trust Company ("Fidelity").

Eligibility

Employees may participate in the Plan after meeting the eligibility requirements as described in the Plan document. Eligible employees include those who have attained the age of 18, hold the status of a United States resident, and are considered to be a full-time or part-time employee, excluding leased and temporary employees, with the exception that the latter completes 1,000 hours during the eligibility period. Eligible employees may become participants in the Plan for purposes of making pre-tax or Roth contributions upon hire.

Participants are eligible to receive the safe harbor employer nonelective contribution under the Plan upon hire, given the eligibility requirements noted above are met. Eligible employees may receive this nonelective contribution as of the first date of the Plan year or the first day of the seventh month of the Plan year on the date coinciding with or next following the date eligibility requirements have been satisfied.

1. DESCRIPTION OF THE PLAN (continued)

Participant contributions

Each year, participants may elect to contribute up to 90% of pre-tax annual compensation, as defined in the Plan agreement, either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan agreement, not to exceed the dollar limitation contained in Section 402(g) of the IRC. For the years ended December 31, 2021 and 2020, the annual limitation was $19,500. Participants who reached at least 50 years of age by the end of the Plan year are permitted to make additional catch-up contributions limited to $6,500 for the years ended December 31, 2021 and 2020. Participants are also allowed to roll over contributions from other qualified retirement plans, subject to approval by the plan administrator.

Employer contributions

The Company may make discretionary matching contributions determined annually by the Company. For the years ended December 31, 2021 and 2020, the discretionary employer matching contribution was equal to $.50 for each $1.00 of salary deferral up to the first 6% of each participant's eligible compensation. The Company may also elect to make discretionary profit-sharing contributions to the Plan. Such contributions are allocated in the ratio that each participant's eligible compensation bears to the total compensation paid to all eligible participants for the Plan year. There were no such contributions for the years ended December 31, 2021 and 2020.

Participant accounts

The Plan maintains an account for each participant which is credited with the participant's contributions, the Company's discretionary matching contributions, allocations of the Company's discretionary profit-sharing contributions, Plan investment earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefits that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions plus actual earnings thereon. Participants of plans that were merged prior to 2011 as a result of acquisitions should refer to the Plan agreement for more specific vesting schedules of the Company's discretionary and profit-sharing contributions.

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

Participants in the Plan vest in the Company's discretionary matching and profit-sharing contributions according to the following schedule:

Years of Service	Percentage
Less than one year	0 %
1 year	50 %
2 years	100 %

A participant also becomes 100% vested upon disability, death or reaching normal retirement age while employed by the Company; when the Plan is terminated; or when contributions to the Plan are discontinued.

Investment options

Upon enrollment in the Plan, a participant may direct the investment of their account balance into the various funds offered through the Plan.

Notes receivable from participants

Eligible participants may borrow from their vested accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The terms of loan range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest in line with prevailing interest rates charged by persons in the business of lending money under similar circumstances. Principal and interest are paid ratably through bi-weekly payroll deductions. At December 31, 2021, the interest rates on outstanding loans range from 4.25% to 7.50%, and maturity dates ranged from January 2022 to August 2031.

Participants with an outstanding loan balance upon termination of employment with the Company, the outstanding principal and accrued interest on such loan will not be immediately due and payable. The participant has the option of continuing to repay the loan through Fidelity's electronic loan payment service even after separation with the Company.

For the 2020 calendar year, as a part of the adoption of the Coronavirus Aid, Relief, and Economic Security Act ("CARES" Act), the Plan allowed for a suspension of loan payments for all eligible employees until December 31, 2020. The suspended loan payments were restarted after January 1, 2021. Suspended loans were re-amortized, with new payment amounts and payoff dates.

1. DESCRIPTION OF THE PLAN (continued)

Benefits paid to participants

Participants are eligible to receive distributions from the Plan upon reaching normal or early retirement age, termination of service, disability or death, as a lump-sum distribution, a direct rollover distribution, a life annuity, or a combination of cash and a direct rollover distribution equal to the value of the participant's vested interest in his or her account. Participants may withdraw at any time their employee contributions, both pre-tax and Roth contributions, for certain financial hardships, subject to a $500 minimum. Participants may withdraw their entire vested account balance upon attaining the age of 59 ½. Participant accounts are payable at age 65 or upon disability, death, or termination of employment with the Company. If a terminated participant, who has a vested account of less than $1,000, has not provided distribution instructions to the Plan, the participant will automatically be paid a single lump-sum distribution. If the value of a terminated participant's account is less than $5,000 but more than $1,000, the balance will be automatically distributed to the Plan's designated individual retirement plan or annuity for the participant's benefit

For the 2020 calendar year, as a part of the adoption of the CARES Act, the Plan allowed for coronavirus related distributions for eligible employees of up to $100,000, without penalty. Eligible employees are not required to repay this distribution, but the Plan allows for them to repay their Plan account within three years of the date they received their distribution.

Forfeitures

Any portion of a terminated employee's account that is not vested is forfeited, subject to the possibility of reinstatement. Forfeitures may be used to pay any Plan administrative expenses or reduce future employer contributions. The forfeitures are held in a money market fund pending such application. Forfeited non-vested accounts amounted to $48,805 and $35,483 as of December 31, 2021 and 2020, respectively. Forfeitures used to reduce employer contributions during the years ended December 31, 2021 and 2020 were $34,147 and $40,797, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements is in accordance with U.S. GAAP require the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements, accompanying notes and the supplemental schedule. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the Trustee. Notes receivable due from participants are valued at their outstanding balances, which approximate fair value. See Note 4 for a discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of benefits

Benefit payments are recorded when paid.

Expenses

The Plan's administrative expenses including, but not limited to, trustee, custodial, audit, and legal fees are paid from the assets of the Plan. Fees related to participant-directed transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements are available to be issued.

3. CERTIFICATION OF INVESTMENT INFORMATION

For the years ended December 31, 2021 and 2020, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from Fidelity for the years ended December 31, 2021 and 2020, that all of the investment and note receivable from participant information provided by the trustee and included in the accompanying financial statements and supplemental Schedule of Assets (Held at end of year) is complete and accurate. Information as to the investments in the accounts of Fidelity, investment income, interest, and all information appearing in the accompanying statements and schedule is presented in reliance solely upon these certifications.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted pries that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end securities registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: The Plan's interest in the collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. The unit value, or net asset value ("NAV") equivalent, as provided by the Trustee, is used as a practical expedient to estimate fair value.

4. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 209,154,719	$ -	$ -	$ 209,154,719
Investments measured at net asset value (a)				11,673,593
				$ 220,828,312

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 190,395,312	$ -	$ -	$ 190,395,312
Investments measured at net asset value (a)				1,589,697
				$ 191,985,009

(a) In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT (continued)

December 31, 2021:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trust	$ 11,673,593	None	Daily	Daily

December 31, 2020:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trust	$ 1,589,697	None	Daily	Daily

6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Total fees paid to Fidelity for the years ended December 31, 2021 and 2020 amounted to $64,170 and $5,500, respectively.

8. TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. The Plan has adopted Fidelity's volume submitter plan that had received a favorable opinion letter dated June 30, 2020, stating that the volume submitter plan is designed in accordance with the applicable sections of the IRC. The Plan has not filed for a separate determination letter; however, the plan administrator believes that the Plan is intended to be designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

8. TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by Federal and State taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company had late employee deferral and loan repayment contributions totaling $3,293,364 and $6,983,854 for the Plan years ended December 31, 2021 and 2020, respectively. As of December 31, 2021, the Company has self-corrected the 2020 delinquent contributions with lost earnings and is currently in the process of correcting the 2021 delinquent contributions.
