INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Brett DiNovi & Associates, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Brett DiNovi & Associates, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Brett DiNovi & Associates, LLC 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Brett DiNovi & Associates, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brett DiNovi & Associates, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brett DiNovi & Associates, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about Brett DiNovi & Associates, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets for the year ended December 31, 2021, is presented for purposes of additional analysis and are not a required part of financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Brett DiNovi & Associates, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BRETT DINOVI & ASSOCIATES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – PLAN DESCRIPTION:

The following description of the Brett DiNovi & Associates, LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. **General:** The Plan, which was established effective January 1, 2013, is a defined contribution plan under Section 401(k) of the Internal Revenue Code, which covers substantially all employees of Brett DiNovi & Associates, LLC (Company). The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).
2. **Eligibility:** All employees of the Company, who are age 21 or older and complete at least one year of service (1,000 hours or more within the year) are eligible to join the Plan. For newly enrolled participants, the contribution period will begin on the first day of the following start of the quarter (January, April, July and October).
3. **Contributions:** Each year, participants of the Plan may elect to defer a portion of their compensation as Pre-tax elective deferrals or may designate all or a portion of their deferral contributions as Roth elective deferral contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Catch-up contributions are 401(k) elective deferral contributions in excess of any limit on such contributions under the Plan. Participants may also contribute amounts representing distributions from other qualified Plans in the form of rollover contributions. The Company, the employer sponsoring the Plan, may make a matching contribution to the Plan on behalf of the employees. For the years ended December 31, 2021 and 2020 the Company's matching contribution was equal to 25% of each participant's elective deferral, limited to 3% of the participant's elective deferral for all persons who were active participants at any time during that payroll period. The Company may also make a discretionary contribution each Plan year. This contribution is divided among participants eligible for a share on December 31 and is available for any participant who was active at any time during the Plan year. As of December 31, 2021 and 2020, no such discretionary contribution was made. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a fixed income guaranteed option, various mutual funds and collective investment trust funds as investment security options for participants.
4. **Participant Accounts:** Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses) and, (c) the Company's profit sharing contribution, if applicable, and are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances and activity, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to one or more investment options offered pursuant to the provisions of the Plan.
5. **Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. The funds contributed by the Company and related earnings thereon vest based on continuous service at 20% per year after the second full year and become 100% vested after six years of

credited service. In addition, a participant becomes 100% vested upon reaching normal retirement age, become totally disabled, as defined in the Plan or on the date of death.

6. **Notes Receivable from Participants:** Participants may borrow from their fund accounts at minimum of \$1,000 and a maximum of the lesser of 50% of their vested account balance or \$50,000, reduced by any outstanding note balance. Only one note may be outstanding at a time. The notes are secured by the balance in the participant's vested account and bear interest at rates which are commensurate with similar notes from commercial lending institutions. The note which included principal and interest are repaid through payroll deductions when applicable at least quarterly. The terms of the note cannot exceed five years. As of December 31, 2021 and 2020, the outstanding notes bear interest at 4.25% to 6.50%, depending on the origination date. Interest on notes receivable as of December 31, 2021 and 2020 were \$1,137 and \$1,980, respectively.
7. **Payment of Benefits:** Participants may withdraw funds allocated to employee contribution accounts, including earnings on those accounts, upon reaching retirement age, termination of employment with the Company or if you have a financial hardship, pursuant to Plan provisions. Participants may only withdraw funds allocated to Employer Contribution Accounts after termination of employment, cases of financial hardship, pursuant to Plan provisions and reaching age 59 ½. If at termination, your vested account is \$5,000 or less, the benefits will be paid at that time.
8. **Forfeited Accounts:** Forfeitures which occur during a Plan year may be first applied to pay Plan expenses and then to reduce the funding requirements of the Company. If any such forfeitures remain, such forfeitures will be reallocated. Total forfeitures during the years ended December 31, 2021 and 2020, that were not applied to pay Plan expenses, reduced the funding requirements of the Company for \$1,773 and \$1,862, respectively.
9. **Excess Contributions Payable:** For the years ended December 31, 2021 and 2020, there were excess participant contributions payable of \$36,376 and \$83,916, respectively. These balances were recorded as a decrease to employee contributions in the accompanying statement of changes of net assets available for benefits and were reflected as a liability in the statements of net assets available for benefits at December 31, 2021 and 2020 in order to satisfy ERISA requirements.
10. **Other Income:** The total other income for the years ended December 31, 2021 and 2020 were \$3,175 and \$4,379, respectively. The balance consists of a prior period deemed distributable note for a participant in default in 2020. The balance represents the note placed back into the total notes receivable balance as of December 31, 2021.
11. **Plan Expenses:** The total Plan administrative expenses for the years ended December 31, 2021 and 2020 were \$51,761 and \$26,304, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

BRETT DINOVI & ASSOCIATES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for the discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make note repayments and the Plan administrator considers the participant note to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

Excess Contributions Payable

Amounts payable to participants totaling \$36,376 and \$83,916 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to 2021 and 2020 contributions. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All operating expenses of the Plan, such as professional fees and administrative expenses related to the maintenance of the Plan's books and records, are paid by the Company and therefore excluded from these financial statements.

Employer and Employee Contributions

All employer and employee contributions are paid by the Company to Principal Trust Company (Custodian) following the pay period in which they were earned/deducted.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C – FAIR VALUE MEASUREMENTS:

The Plan's investments, with the exception of the fully benefit-responsive investment contract which is reported at contract value, are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the period presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2021 and 2020.

Level 1: Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. The fair value of collective investment trust funds and sundry assets consist of a group of pooled accounts and pooled separate accounts which consist of multiple mutual funds.

The following tables illustrate the fair value hierarchy for the Plan's investments at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Fair Value</u> <u>(Level 1)</u>	<u>Total</u>
Noninterest Bearing Cash	\$ 3,968,287	3,968,287
Total Assets at Fair Value	<u>\$ 3,968,287</u>	<u>3,968,287</u>

BRETT DINOVI & ASSOCIATES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

<u>December 31, 2020</u>	<u>Fair Value</u> <u>(Level 1)</u>	<u>Total</u>
Collective Investment Trust Funds	\$ 2,829,101	2,829,101
Sundry Assets	129,586	129,586
Mutual Funds	55,153	55,153
Total Assets at Fair Value	\$ 3,013,840	3,013,840

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation/(depreciation) in fair value of investments.

NOTE D – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

In 2017, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company totaling \$45,673 and \$49,844 for 2021 and 2020, respectively. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported by the Plan by Principal, represents contributions made under this contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 4%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to scheduled maturity date.

NOTE E – INVESTMENTS:

All investment balances at December 31, 2021 and 2020 are certified by Principal Trust Company and are valued at fair and contract value as stated by Principal Trust Company.

BRETT DINOVI & ASSOCIATES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value as follows:

	<u>2021</u>	<u>2020</u>
Net appreciation/(depreciation) in Fair value of investments	<u>\$ 557,174</u>	<u>433,189</u>

NOTE F – NOTES RECEIVABLE FROM PARTICIPANTS:

The notes receivable are maintained by the Principal Trust Company (Custodian). The individual participant accounts are restricted to the amount of the outstanding note at any time. Since the notes are secured by the participants' vested account balances, there is no risk of non-payment on the notes. Notes issued in 2021 had an original rate of 4.25% and 5.25% depending on the origination date. The activity for the years are as follows:

	<u>Beginning Balance</u>	<u>Originations</u>	<u>Payments</u>	<u>Ending Balance</u>
2021	\$ 37,432	16,600	18,826	\$ 35,206
2020	\$ 26,526	37,704	26,801	\$ 37,432

NOTE G – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE H – TAX STATUS:

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine tax audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE I – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Certain investment options in the Plan are mutual funds, collective investment trust or pooled accounts managed by Principal Trust Company. Principal Trust Company, a subsidiary of Principal Life Insurance Company, is the Plan custodian as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

* difference is attributed to rounding.		

NOTE K – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities and funds. Investment securities and funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits, however no estimated gain or loss is measurable.

NOTE L – INFORMATION PREPARED AND CERTIFIED BY PLAN'S CUSTODIAN:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation(depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal Trust Company (the custodian of the Plan). As noted in the Auditor's Report, the audit performed was an ERISA Section 103(a)(3)(C) audit.

NOTE M – ROLLOVERS:

The Plan allows for rollovers of employee contributions from qualified plans. In the years ended December 31, 2021 and 2020, there were rollovers from qualified plans of \$5,083 and \$88,896, respectively.

BRETT DINOVI & ASSOCIATES, LLC 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE N – CHANGE IN PLAN TRUSTEE

Beginning on January 1, 2022 the Plan elected to change their Plan trustee from Principal Trust Company to ADP, Inc. On December 31, 2021, all of the assets of the Plan were transferred from Principal Trust Company to ADP, Inc., however due to the timing of the transfer, the funds were not received by ADP, Inc. until January 3, 2022. Prior to the transfer, the majority of the funds were moved from their respective asset accounts to a noninterest bearing account, which is noted on the accompanying Schedule H. This change did not affect the financial statements of the Plan.

NOTE O – SUBSEQUENT EVENTS:

The Company has evaluated subsequent events through October 17, 2022, the date which the financial statements were available to be issued. It was noted the Plan has elected to change their Plan trustee from ADP, Inc. to the Vanguard Group. This change is expected to occur November 1, 2022 and is not expected to affect the financial statements of the Plan.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. On March 21, 2020, the Governor of New Jersey declared a health emergency and issued an order to close all nonessential businesses until further notice. There was no immediate impact to the Company's operations. If further government orders mandate that the Company reduce or cease operations, the results of operations could be negatively affected, and the impact cannot be reasonably estimated at this time. No adjustments have been made to the financial statements due to this uncertainty.

Additionally, as a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have. No adjustments have been made to the financial statements due to this uncertainty.
