INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Leading Solutions, LLC 401(k)
Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Leading Solutions, LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Leading Solutions, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Leading Solutions, LLC 401(k)
Profit Sharing Plan and Trust

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Leading Solutions, LLC 401(k)
Profit Sharing Plan and Trust

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Leading Solutions, LLC 401(k)
Profit Sharing Plan and Trust

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter- 2020 Financial Statements

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the statement of net assets available for benefits as of December 31, 2020. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2020 financial statement.

LEADING SOLUTIONS, LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of Leading Solutions, LLC 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan, which was established on January 1, 2015, is classified as a defined-contribution plan, covering all employees of Leading Solutions, LLC (“LS”). All employees of LS, which are age 18 or older are eligible to participate in the Plan, effective the first day of the month following the date upon which the requirements are met. There are no eligibility service requirements in order to become a participant of the Plan and make elective deferrals and receive matching contributions. The Plan’s funds are held by MidAtlantic Trust Company (the “Plan Custodian”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each participant may contribute to the Plan (any combination of Pre-Tax Elective Deferrals and Roth Elective Deferrals) an amount which is no more than 92% of the participant’s compensation subject to Internal Revenue Code (“IRC”) rules and regulations. In accordance with IRC, the maximum deferral of pretax earnings was \$19,500 for years ended December 31, 2021 and 2020.

Employees of LS are automatically enrolled in an elective deferral percentage of 4% of their compensation upon their first day of hire. Elective deferrals will be increased automatically each year for LS employees who were automatically enrolled in the Plan, by 1% up to a maximum of 10%; the date of increase will be based on the date of hire. In addition, LS may also make discretionary matching and profit-sharing contributions to the Plan, which are determined on a year-to-year basis. There were no discretionary matching or profit-sharing contributions made during 2021.

LS contributions to the Plan are recorded in the period in which they become obligations of LS.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant’s account is credited with the participant’s contributions, employer contributions (if any), allocations of Plan earnings, and is charged with an allocation of administrative expenses (if any). Participant contributions and employer matching contributions are allocated, at the participant’s election, to investment funds held at the Plan Custodian. Participants may change their investment options at any time with certain exceptions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts (Continued)

Plan earnings are allocated based on the actual earnings of the respective participant's investments. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Forfeited Accounts

Forfeited balances of participants' non-vested accounts are used to reduce future LS contributions or may be used to pay Plan expenses. There was no forfeiture balance to offset LS contributions for the year ended December 31, 2021.

Participants Notes Receivable

Participants may borrow from their accounts an amount up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. No loan will exceed the present value of the vested portion of a participant's individual account. The notes must be adequately secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through monthly payroll deductions, generally repaid over a period of five years from the date of the loan.

Participant notes receivable are recorded at their unpaid balance, plus accrued but unpaid interest. If collection of the participants' notes is in default, foreclosure on the note and attachment of security will not occur until a distribution eligibility requirement is met under the Plan.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service.

LS matching and discretionary profit-sharing contributions vesting is as follows:

Years of Service	Percentage Vested
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants also become 100% vested in LS contributions when termination of employment is the result of death or total disability.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Administrative Expenses

Certain administrative expenses are paid directly by LS at its discretion and are not reimbursed by the Plan. Investment fees, commissions, and related expenses are included in net change in fair value of investments in these financial statements. Plan administration costs charged to the Plan for the year ended December 31, 2021, was approximately \$8,000.

Payment of Benefits

Upon termination of employment by reason of death, disability, a participant is entitled to the entire participant account balance, which includes all the vested employer contributions allocated to the participant's account and all gains or losses attributed thereto. Terminating participants may elect to receive a distribution of their vested benefits in the following forms of payment: lump sum, nonrecurring partial payment, installment payments (as a series of regularly scheduled recurring partial payments) or applied to the purchase of an annuity contract. As of December 31, 2021, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid. Benefits are recorded when paid.

Plan Termination

Although it has not expressed any intent to do so, LS has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the amounts credited to the accounts of all affected participants become fully vested.

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and due to market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

As of December 31, 2021 and 2020, the Plan's funds were invested in various registered investment companies.

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments held in registered investment companies are recorded at their reported net asset value ("NAV"), which is computed based on the estimated fair value of the funds' underlying securities, less any fund liabilities.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits included in net change in fair value of investments.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net change in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as held during the year.

Information Certified by the Plan Custodian

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment information disclosed in the financial statements and the accompanying supplemental schedule, including investments held at December 31, 2021, net change in fair value of investments, and interest and dividend income for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

Subsequent Events

In preparing these financial statements, LS has evaluated events and transactions for potential recognition through October 14, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Registered investment companies	\$ 601,487	\$ -	\$ -	\$ 601,487
Money market account	260	-	-	260
Total investments at fair value	<u>\$ 601,747</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 601,747</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2020 (unaudited):

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Registered investment companies	\$ 515,799	\$ -	\$ -	\$ 515,799
Money market account	409	-	-	409
Total investments at fair value	<u>\$ 516,208</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 516,208</u>

NOTE 4 - INCOME TAX STATUS

The Plan is designed to be a qualified trust under Section 401 of the IRC and is subject to the provisions of ERISA. The Plan adopted a volume submitter profit sharing plan prepared and maintained by the Plan administrator. The Plan administrator received a favorable determination letter dated April 10, 2014, from the Internal Revenue Service ("IRS"). The Plan administrator believes that the adopted and amended Plan is designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's accompanying financial statements.

NOTE 5 - PROHIBITED TRANSACTIONS

In 2022, it was discovered that LS incorrectly calculated certain employee deferrals. This is considered a prohibited transaction per ERISA.

IRS guidelines require that the Plan sponsor remedy the underfunding, including lost earnings, for those participants who were impacted. In October 2022, LS made a corrective contribution to the Plan of approximately \$30, which represents 25% of the missed employee deferrals from date of missed deferral through December 31, 2021, as well as the related computed lost earnings.
