INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Wilson Creek Winery 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Wilson Creek Winery 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section -

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

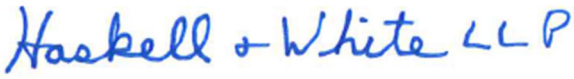

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified investment information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the Wilson Creek Winery 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan and trust established as of January 1, 2005 to provide retirement benefits for eligible employees of Wilson Creek Winery (the "Company" or "Plan Sponsor"). The Plan covers all eligible employees of the Company who have attained age 21 and have completed one year of service and at least 1,000 hours during a 12-month period from hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Transamerica Life Insurance Company ("Transamerica") was the asset custodian of the Plan's investment assets through May 31, 2020. Massachusetts Mutual Life Insurance Company ("MassMutual") became the asset custodian of the Plan's investment assets effective June 1, 2020.

Contributions

Each year, participants may contribute up to the maximum allowed by law of pre-tax annual compensation, as defined in the Plan agreement. For 2021, the contribution limit was $19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to $6,500 in 2021. Participants may not begin making salary deferrals under the Plan until election is made designating an amount to be deferred. The deferral election must be a minimum of at least 1% of eligible compensation. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may elect to make a discretionary matching contribution and/or a discretionary profit sharing contribution, subject to certain statutory limits. During the year ended December 31, 2021, the Company elected to contribute an amount equal to 100% of employee contributions up to 2% of eligible compensation. No additional discretionary profit sharing contribution was made during the year ended December 31, 2021. All employer contributions are invested in the same manner that the participant directs his or her investments.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, and allocations of the Company discretionary profit sharing contributions, if any, and the earnings or losses those contributions may accumulate based on the investments the participant has selected. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. The portion of the participant's account attributable to the Company's discretionary matching contributions, plus earnings, becomes 20% vested every year following a full year of service, as defined, and continues to vest at the rate of 20% for each successive year of service until 100% vested after five (5) years of service. The portion of the participant's account attributable to the Company's discretionary profit sharing contributions, plus earnings, becomes 20% vested after two years of service, as defined, and continues to vest at the rate of 20% for each successive year of service until 100% vested after six (6) years of service. Participants who reach normal retirement age while still employed with the Company will automatically become 100% vested in all employer contributions made. Additionally, in the event that a participant dies or becomes disabled during their period of employment, and/or if the Plan is terminated, participants will automatically become 100% vested in all employer contributions.

Forfeitures

If in the event participant benefits are forfeited, the amounts may be used to pay any Plan expenses or to reduce Company contributions. Cumulative forfeitures were $4,480 and $626 as of December 31, 2021 and 2020, respectively. No forfeitures were used to pay Plan expenses in 2021.

Investment Options

Participants may direct their salary deferral contributions to selected investments as made available and determined by the Plan administrator. If the participants do not direct the investment of their applicable Plan accounts, then their accounts will be invested in accordance with the default investment alternatives established under the Plan. The Plan currently offers 20 investment options for participants.

1. Description of the Plan (continued)

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as deemed distributions. Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance. Per the Plan document, participants are limited to a maximum two loans outstanding at any time, with a minimum loan amount of $1,000. Notes receivable from participants bear a reasonable rate of interest based on prime rate plus 1%, which is fixed for the duration of the loan. The loans are secured by the participant's vested account balance. The loan must be repaid within five years, unless the loan is used to purchase principal residence then payback period may exceed five years. The interest rate on participant loans ranged between 4.25% and 6.50% as of December 31, 2021.

Payment of Benefits

On termination of service due to death, disability, termination or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, payment in the form of annuitized series of payments, or a rollover of the account balance into another qualified account. However, if the participant's vested account balance is $5,000 or less, and the participant does not consent to distribution of his or her vested account balance, the participant's vested benefit will automatically be rolled over into an IRA selected by the Plan administrator. If participant's total vested account balance exceeds $5,000, no distribution will be made from the Plan without participant's consent. Participants may withdraw any part of their vested account upon attaining age 59 ½. The Plan permits hardship withdrawals in certain circumstances. Following a hardship withdrawal, a participant must wait six months before making additional contributions to the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balances.

1. Description of the Plan (continued)

Risks and Uncertainties

The Plan offers for investment various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the accompanying statements of net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared based upon the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the asset custodian. See Note 3 for discussion of fair value measurements.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation)/appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company.

3. Fair Value Measurements

Plan investments are reported at fair value on the accompanying statements of net assets available for benefits. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements - Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value ("NAV") of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements - Fair values are based on observable inputs other than publicly quoted prices in active markets for identical or similar assets.

Level 3 Fair Value Measurements - Fair values are based on unobservable inputs used for valuing the assets.

The Plan's investments in mutual funds are stated at fair value. Shares of mutual funds are valued daily at quoted market prices, which represent the NAV of the shares held by the Plan at year end.

3. Fair Value Measurements (continued)

Management fees and operating expenses are charged to the Plan for investments in the mutual funds and are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Fair value measurements as of December 31, 2021:

	December 31, 2021			
Description	**Level 1**	**Level 2**	**Level 3**	**Total**
Cash and money markets	$ 4,480	$ -	$ -	$ 4,480
Mutual funds	2,341,127	-	-	2,341,127
Total investments at fair value	$ 2,345,607	$ -	$ -	$ 2,345,607

Fair value measurements as of December 31, 2020:

	December 31, 2020			
Description	**Level 1**	**Level 2**	**Level 3**	**Total**
Cash and money markets	$ 626	$ -	$ -	$ 626
Mutual funds	1,862,876	-	-	1,862,876
Total investments at fair value	$ 1,863,502	$ -	$ -	$ 1,863,502

4. Investments and Information Certified by Asset Custodians

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5 of the U.S. DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified by Transamerica and MassMutual, except for comparing such information certified by the asset custodians to information included in the Plan's financial statements and supplemental schedules. The following unaudited information regarding the Plan is included in the financial statements and supplementary information as of December 31, 2021 and 2020 and for the year ended December 31, 2021, and was obtained from data that has been prepared and certified as complete and accurate by the asset custodians: (1) the total value of investments as of December 31, 2021 and 2020, as indicated on the accompanying statements of net assets available for benefits; (2) all investment information, as indicated on the accompanying statement of changes in net assets available for benefits; and (3) all information on the supplementary schedule of assets held at end of year for investment purposes.

5. Federal Income Tax Status

The Plan is operated under the terms of a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service ("IRS") dated March 31, 2014, indicating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The prototype plan has been amended since receipt of the determination letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Parties-In-Interest

The following transactions qualify as exempt party-in-interest transactions. Certain Plan investments were or are managed by Transamerica or MassMutual, the custodians of these assets. Certain expenses of the Plan are paid for by the Company. The Company is the sponsor of the Plan. The most significant of these costs paid by the Company are the salaries for the employees responsible for Plan administration and fees paid to a third party administrator. The Plan issues notes receivables to participants, which are secured by the balances in the participants' accounts.

7. Prohibited Transactions and Operational Errors

Untimely Remittance of Employee Contributions

During the year ended December 31, 2020, employee contributions and loan repayments totaling $14,732, were not remitted timely by the Company as required by the DOL's rules and regulations. These delinquent contributions are considered nonexempt prohibited transactions under the regulations of the DOL. The estimated lost earnings were approximately $41 for the year ended December 31, 2020. Cumulative late remittances of $126,879 plus lost earnings were self-corrected during 2021. The Plan and/or the Plan Sponsor may be subject to various fines, penalties, and interest.

7. Prohibited Transactions and Operational Errors (continued)

Operational Errors

Plan management identified the following operational errors:

- Failure to withhold proper contribution amount or percentage of pretax annual compensation for certain participants and failure to provide appropriate Company matching contribution to those participants.
- Failure to withhold contributions for certain participants from certain eligible wages and failure to provide Company matching contribution to those participants.

The Plan administrator is in the process of taking the appropriate corrective actions to remedy these errors, ensure they do not recur, and remit to the Plan and participants any lost earnings. The Plan and/or the Plan sponsor may be subject to various fines, penalties and interest. The accompanying financial statements do not include any accruals or provisions related to the outcome of this uncertainty.

8. Subsequent Events

Subsequent events were evaluated by management for accrual and disclosure through October 13, 2022, which is the date the financial statements were available to be issued.
