INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Fairway Lawns, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fairway Lawns, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Fairway Lawns, Inc. 401(K) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General and Eligibility. The Plan is a defined contribution plan established January 1, 1993, with a profit-sharing provision covering substantially all employees of Fairway Lawns, LLC (the “Employer” or “Company”) who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The assets of the Plan are managed and administered under the terms of agreements between the Company and Nationwide Trust Company, FSB and Nationwide Life Insurance Company (the “Custodians”). The Custodians are responsible for the investment of such assets and the accounting for all related receipts and disbursements. The Custodians are qualified institutions pursuant to ERISA.

Contributions. Participants may voluntarily elect to contribute a percentage or fixed amount of their pre-tax compensation as defined in the Plan, subject to maximum amounts established by the Internal Revenue Code (“IRC”). Participants who reach age 50 by the end of the Plan year may make additional catch-up contributions.

The Company makes Employer matching contributions equal to 100% of the first 3% of participant elective deferral plus 50% of the next 2% of the salary deferral.

Additional discretionary Employer profit-sharing contributions, if any, may be contributed annually at the discretion of the Company to eligible participants. The Employer elected not to make any profit-sharing contributions for the year ended December 31, 2021.

In no event shall the contributions credited to a participant’s account for any Plan year, either separately or when combined with Employer contributions, exceed the allowable deductions for federal income tax purposes.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, any Employer contributions, and the participant’s earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balance as described in the Plan document. Any Employer matching contributions are allocated to participants’ accounts based on participants’ eligible compensation. All Employer contributions are invested among investment funds in the same proportion as the participant’s contributions.

Investment Options. Each participant may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Vesting. Participants are fully vested in their participant contributions plus actual earnings or losses thereon. Vesting in Employer matching contributions and profit sharing contributions, if any, and earnings thereon, is based on years of service and is determined as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
2	20%
3	40%
4	60%
5	80%
6	100%

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Notes Receivable from Participants. Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. A loan is secured by the balance in the participant's account and bears interest at a rate as determined by the Company at the time of the loan. Principal and interest are paid ratably through monthly payroll deductions.

Payments of Benefits. Upon retirement, disability, or death, a participant or their beneficiary is eligible to receive a lump-sum equal to the value of the vested interest in their account, life annuity, or annual installments over a fixed period. Other withdrawals from participant's account balances may be made under certain circumstances, as defined in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures. Forfeitures from non-vested participant accounts are used to pay administrative expenses or reduce future Employer contributions. Forfeitures totaling \$661 were used to reduce administrative expenses for the year ended December 31, 2021. There were forfeited non-vested accounts totaling \$692 and \$669 as of December 31, 2021 and 2020, respectively.

Economic Conditions. In March 2020, government agencies announced warnings related to the Coronavirus ("COVID-19"). Any potential decline in economic activity in the U.S. and other regions of the world as a result of the virus may have an adverse impact on the Plan's Assets.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% which is commensurate with local prevailing rates as determined quarterly by the Plan administrator.

Payment of Benefits. Benefits are recorded when paid.

(Continued)

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Company, are provided by the Company at no charge to the Plan, and the Company has no plans to obtain reimbursement of these expenses from the Plan. The Plan's participants are liable for all administrative expenses that are not paid by the Company.

Recent Accounting Pronouncements. In June 2016, Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by the Custodians and furnished to the Plan administrator. The Plan administrator has obtained certification from the Custodians that such information is complete and accurate:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2021, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2.** Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3.** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(Continued)

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Pooled Separate Accounts. Valued at the net asset value of shares held by the Plan at year end ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments Measured Using the Net Asset Value per Share Practical Expedient. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Nationwide Fixed Selection Options	\$ 9,938,285	N/A	Daily	12 months
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Nationwide Fixed Selection Options	\$ 8,169,541	N/A	Daily	12 months

NOTE 5 – FULLY BENEFIT-RESPONSIVE CONTRACT

The Plan holds a traditional investment contract, Nationwide Life Insurance Company ("Nationwide"), which meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

(Concluded)

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 5 – FULLY BENEFIT-RESPONSIVE CONTRACT (Concluded)**

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

NOTE 6 – EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Custodians or their affiliates; therefore, these transactions qualify as party-in-interest transactions. Furthermore, the Custodians provide Plan administration services to the Plan. Certain employees of the Company provides administrative services to the Plan. These employees are compensated by the Company for such services.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 8 – INCOME TAX STATUS

The Plan is a non-standardized form of a prototype plan. The sponsoring organization has received an opinion letter covering the prototype plan, dated March 31, 2014. A separate determination providing that the Plan, as adopted, and the related trust are designed in accordance with applicable sections of the IRC has not been sought from the Internal Revenue Service. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

See Independent Auditor's Reports.

FAIRWAY LAWNS, INC. 401(k) PROFIT SHARING PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 9 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements and supplementary schedules.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2021 through October 6, 2022, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
