Independent Auditor's Report

Plan Administrator
JFK International Air Terminal LLC Employees 401(k) Savings & Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements
We have performed an audit of the financial statements of the JFK International Air Terminal LLC Employees 401(k) Savings & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Plan Description

The following description of JFK International Air Terminal LLC Employees 401(k) Savings & Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution multiple-employer profit-sharing plan established on May 13, 1997, covering substantially all employees of JFK International Air Terminal LLC (the Plan Sponsor) and Schiphol Consulting Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Massachusetts Mutual Life Insurance Company (MassMutual) serves as custodian and recordkeeper of the Plan. The Plan is administered by the JFK International Air Terminal LLC Benefits Committee (the Plan Administrator).

Eligibility: All full-time employees of the Plan Sponsor and Schiphol Consulting Inc. are eligible to participate in the Plan upon reaching 21 years of age, with the exception of leased employees and non-resident aliens. The entry date into the Plan is the first day of the month following date of employment.

Contributions: Participants may contribute a portion of their eligible compensation, as defined in the Plan on a pretax and/or post-tax (Roth) basis, limited to a maximum amount in any calendar year, as adjusted annually, pursuant to the Internal Revenue Code (IRC) ($19,500 in 2021 and 2020). Participants age 50 and above who have contributed the maximum contributions for a year may make additional catch-up contributions ($6,500 in 2021 and 2020). Participants may increase or decrease their existing salary deferral elections on the first day of each calendar quarter. Salary deferral elections may be revoked or stopped at any time. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan Sponsor may also make a discretionary matching contribution and profit-sharing contributions to the Plan on behalf of those participants who have made salary deferral contributions. The amount of the discretionary matching contribution is determined annually. For the year ended December 31, 2021, the matching contribution was equal to 50% of participant contributions, excluding catch-up contributions.

There were no discretionary profit-sharing contributions made in 2021 and 2020.

Investment options: Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment allocations at any time.

Participant accounts: Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions and allocations of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are valued on a daily basis.

Vesting: Participants are immediately vested in their elective deferral contributions, qualified non-elective employer contributions, if any, and rollover contributions plus actual earnings thereon. Participants attain a vested interest in 20% of the Plan Sponsor's matching and profit-sharing contributions and earnings thereon after one year of service, and an additional 20% per year thereafter. Effective August 1, 2019, the Plan's vesting provisions were amended to allow Plan participants to become fully vested in employer matching and profit-sharing contributions ratably over a three-year vesting period. Eligible employees must work at least 1,000 hours during the Plan year to be eligible for Plan Sponsor discretionary profit-sharing contributions.

Note 1. Plan Description (Continued)

Forfeitures: Forfeited balances of terminated participant's non-vested accounts must first be used to pay administrative expenses of the Plan and then to reduce the Plan Sponsor's contributions. At December 31, 2021, and 2020, the forfeited nonvested accounts totaled approximately $13,000 and $5,000, respectively. During the year ended December 31, 2021, $144 of the forfeited nonvested accounts was used to reduce administrative expenses and $1,574 was used to reduce employer contributions.

Payment of benefits: Benefits are payable upon termination, death, attainment of 59½ years of age or earlier in the case of financial hardship, as defined in the Plan. If the total benefit is greater than $5,000, the participant must consent to the distribution before it is made and may choose to receive a lump sum, monthly installments or defer receiving payments until age 72 or 70½ if they attained age 70½ before January 1, 2020. By deferring payments, the account will continue to be invested the way the participant chooses and will be adjusted for any gains or losses which occur. If the total benefit is $5,000 or less, the entire amount will be paid out in a lump sum unless the participant elects otherwise.

Notes receivable from participants: Participants may borrow from their vested accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loan terms cannot exceed five years unless the loan is for the purchase of the participant's primary residence, in which case it may be repaid over a period not to exceed 30 years. Loans are secured by the participant's account and bear interest at the prime rate plus 2%. Participants are allowed up to two loans outstanding. The interest rate remains fixed throughout the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Subsequent events: The Plan Administrator has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

Note 2. Summary of Significant Accounting Policies

A summary of the Plan's significant accounting policies follows:

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP).

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2. Summary of Significant Accounting Policies (Continued)

Risks and uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant notes are recorded as distributions based upon terms of the Plan document surrounding default.

Contributions: Contributions from Plan participants and matching contributions from the Plan Sponsor are recorded in the year in which the underlying compensation is paid to the participants. Discretionary profit-sharing contributions, if any, are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant-directed. Participant contributions in excess of amounts allowed by regulation are recorded as a liability with a corresponding reduction in contributions.

Benefits paid: Benefits are recorded when paid.

Expenses: Costs to administer the Plan are paid by the Plan or the Plan Sponsor, as provided in the Plan document. Investment related expenses are included in net appreciation of fair value of investments.

Note 3. Information Certified or Provided by Massachusetts Mutual Life Insurance Company (Custodian)

The following is a summary of the Plan's asset information as of December 31, 2021, and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule that were prepared by or derived from information provided by the custodian, MassMutual, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from MassMutual that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and supplemental schedule related to the following assets:

	December 31	
	2021	2020
Investments at fair value:		
Pooled separate accounts	$ 17,899,225	$ 14,103,442
Investment at contract value:		
Guaranteed investment contract	7,213,784	7,290,816
Total investments	$ 25,113,009	$ 21,394,258
Notes receivable from participants	$ 215,248	$ 212,826

Note 3. Information Certified or Provided by Massachusetts Mutual Life Insurance Company (Custodian) (Continued)

MassMutual also certified to the completeness and accuracy of $2,221,499 of net appreciation in fair value of investments, $211,415 of interest and dividend income and $13,864 of interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

At December 31, 2021, and 2020, the Plan's assets measured at fair value are invested in publicly traded mutual funds held in pooled separate accounts. The pooled separate accounts are valued at the net asset value (NAV) of units in each account held by the Plan at year-end, as provided by the custodian. The NAV is not a publicly quoted price in an active market. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. In accordance with Subtopic 820-10, such investments that were measured at NAV per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy.

Such method of valuation may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following table sets forth the Plan's investments whose fair value is estimated using NAV per share or its equivalent as of December 31, 2021, and 2020:

	Fair Value		Unfunded	Redemption	Redemption
	2021	2020	Commitment	Frequency	Notice Period
Pooled separate accounts	$ 17,899,225	$ 14,103,442	$ -	Daily	None

Pooled separate accounts consist of accounts that each invest in mutual funds, which primarily hold equities and fixed income securities, including certain target dated funds that produce a blended portfolio structure. The pooled separate account is a direct filing entity that is valued on a daily basis. Withdrawal from the pooled separate account is based on the pooled separate account's unit value on that day. Each individual mutual fund within the pooled separate account has a diversified basket of the respective securities that the fund strategy employs.

Note 5. Guaranteed Investment Contract With MassMutual

The Plan holds a traditional, fully benefit-responsive guaranteed investment contract with MassMutual that is reported at contract value. MassMutual maintains the contributions in a general investment account. This account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon by the issuer, but it may not be less than 3%. Under the terms of the contract, the crediting rate is currently reset on a semiannual basis. The contract cannot be terminated before the scheduled maturity date. The crediting interest rate was 3.0% as of December 31, 2021 and 2020.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan and (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

Note 6. Exempt Party-in-Interest Transactions

MassMutual is the recordkeeper and custodian of the Plan; therefore, transactions between the Plan and MassMutual qualify as exempt party-in-interest transactions. The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts, which also constitute exempt party-in-interest transactions.

Certain officers and employees of the Plan Sponsor who are participants in the Plan perform administrative services related to the operation, recordkeeping, and financial reporting of the Plan. No such officer or employee receives compensation from the Plan. Some of the Plan's expenses were paid by the Plan Sponsor, and personnel and facilities of the Plan Sponsor are used by the Plan at no charge.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Tax Status

The Plan has adopted a defined contribution profit-sharing volume submitter plan sponsored by MassMutual. The volume submitter plan has received an opinion letter dated March 31, 2014, from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving its opinion letter; however, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
