## REPORT OF INDEPENDENT AUDITORS

Board of Directors  
HealthNet, Inc. 401(k) Plan  
Indianapolis, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of HealthNet, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement's section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

### 1. DESCRIPTION OF THE PLAN

The following description of the HealthNet, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General and Eligibility

The Plan is a non-standardized 401(k) profit sharing plan, sponsored by HealthNet, Inc. (the Plan Sponsor). The Plan was effective October 1, 2017. All full-time employees, excluding union employees and any employed residents, age twenty-one or older are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Recent Legislative Changes for Retirement Plans

The Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 was effective on January 1, 2020. The SECURE Act is intended to address the difficulty in saving and investing for retirement for Americans. Provisions include, but not limited to, incentives for employers to offer retirement plans by providing tax credits, delaying the commencement date for required minimum distributions, providing benefits to part-time employees, and allowing penalty free withdrawals for certain life changing events. The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed in March 2020. The CARES Act primarily enhances the ability of participants to access their funds through increased loan limits and hardship distributions among others. The optional features within these Acts are currently being assessed by the Plan. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and federal guidance.

#### Contributions and Funding Policy

Participants may elect to make pre-tax deferrals or Roth deferrals, based on compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor will make qualified safe-harbor non-elective contributions in an amount equal to the sum of 100% of the amount of the participant's elective deferrals that do not exceed 4% of the participant's eligible compensation.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment account options available include various funds noted above. Each participant has the option of directing their contribution into any of the separate investment accounts and may change the allocation daily.

## HEALTHNET, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

#### Compensation

Participant compensation is defined by the Plan as wages, tips and other compensation reported on the Federal Form W-2, Wage and Tax Statement, increased by elective deferrals.

#### Vesting and Forfeitures

Participants are immediately vested in their contributions and any safe-harbor contributions plus actual earnings thereon.

At December 31, 2021 and 2020, forfeited accounts totaled approximately \$6,500 and \$6,400, respectively. These accounts can be used to reduce future employer contributions or pay plan expenses; however, due to this plan being a safe harbor plan, forfeitures are infrequent. In 2021, forfeited accounts of \$-0- were used to reduce employer contributions.

#### Participant Loans

The Plan does not permit participant loans.

#### Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum or installment payment in the amount equal to the value of the participant's vested interest in his or her account. The Plan may make involuntary distributions of account balances of terminated vested participants of \$5,000 or less. Hardship distributions are permitted within the Plan with a minimum amount of \$500.

#### Plan Termination

Although Plan sponsor has not expressed intent to discontinue the Plan, it may do so at any time, upon resolution by Plan Sponsor's Board of Directors. The Plan provides that in the event of termination of the Plan, all amounts credited to the participant accounts will be fully vested and will be paid as directed in the Plan text and regulations.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

## HEALTHNET, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the management to make estimates and assumptions that affect the reported amounts of assets and disclosure of contingent assets at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Accordingly, actual results may differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value for investments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

#### Payment of Benefits

Benefits are recorded when paid.

#### Administrative Expenses

The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and generally include audit and legal fees. The expenses paid by the Plan Sponsor are excluded from these financial statements. Administrative expenses incurred by the Plan generally include certain administrative fees charged directly to the participants' accounts.

#### Reclassifications

Certain amounts in the prior year financial statements have been reclassified to conform with the current year presentation. The reclassifications relate mainly to investment categories between mutual funds and collective trust funds. The reclassifications had no impact on previously reported net assets available for benefits or changes in net assets available for benefits.

#### Subsequent Events

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

## HEALTHNET, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

#### 3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Great-West), the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

#### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Collective trust funds*: Valued at the NAV of the shares held by the Plan at year end provided by the plan trustee. The NAV is quoted on a private market that is not active. However, the unit price is based on underlying investments, which are traded on an active market.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

| December 31, 2021          |                      |            |         |         |
|----------------------------|----------------------|------------|---------|---------|
| Investments at fair value  | Total                | Level 1    | Level 2 | Level 3 |

| Collective trust funds (a) | 16,995,672           |            |         |         |
|                            | <u>\$ 17,118,254</u> |            |         |         |

- a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statements of net assets available for benefits.

### Investments Measured Using the NAV per Share Practical Expedient

The following table summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

## HEALTHNET, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

---

#### 5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Key Guaranteed Portfolio Fund (Key Guaranteed Fund) is a group annuity contract issued by Great-West and is backed by the full faith and creditworthiness of the issuer. Guarantees are based on the claims-paying ability of Great-West and not on the value of the securities within the insurer's general account. The credit rating of the issuer as of December 31, 2021 and 2020 was considered investment grade and there are no reserves against contract value for credit risk of the contract issuer or otherwise. Only an event causing liquidity constraints at Great-West could limit the ability of the Plan to transact at the contract value to be paid within 90 days or, in rare circumstances, the contract value to be paid over time. There are not any events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value to be paid either within 90 days or over time. The Plan considers this contract to be benefit responsive. The Key Guaranteed Fund does not operate like a mutual fund, variable annuity product, or conventional fixed rate individual annuity product. Under the group annuity contract that supports this product, participants may ordinarily direct a permitted withdrawal or transfer of all or a portion of their account balance at contract value, within reasonable timeframes. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. Interest is credited on contract balances using the "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the product regardless of the timing of these contributions. Interest crediting rates are reviewed on a quarterly basis for resetting by the trustee. When establishing interest crediting rates for this product, the trustee considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio within the general account. These rates are established without the use of a specific formula. The minimum crediting rate under the contract issued by Great-West is 0.90% and 1.04% as of December 31, 2021 and 2020.

Because the guaranteed investment contract meets the criteria to be considered fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by the trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

#### 6. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others. Transactions with parties-in-interest included administrative fees to the trustee of the Plan, investment advisors, and recordkeepers in the approximate amount of \$151,000 for 2021. Blue & Co., LLC is the independent auditor of the Plan and receives payment for those services. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## HEALTHNET, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

#### 7. INCOME TAX STATUS

On July 16, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. However, the plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC and is, therefore, tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions.

The Plan has filed its tax returns for periods through December 31, 2020. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions). There were no audits in progress as of December 31, 2021.

#### 8. COVID-19

In March 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national and global economies. The extent to which COVID-19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Potential impacts include, but are not limited to, reduced employee participation, decreases in employer discretionary contributions, and investment portfolio declines. Management believes the Plan is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.

The CARES Act was signed into law in March 2020 and allows eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These include adverse financial consequences due to being quarantined, furloughed, laid off or having hours reduced, and being unable to work due to a lack of childcare. Participants may repay the amount withdrawn and the tax on the income from the withdrawal over a three-year period. Repayments will not be subject to the retirement plan contribution limits. Participants should inquire with the Plan Sponsor and or the third-party administrator for addition information.
