INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Doctors Hospital at Renaissance 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Doctors Hospital at Renaissance 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Doctors Hospital at Renaissance 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of

Certified Public Accountants

801 QUINCE AVENUE • P.O. BOX 3125 • McALLEN, TEXAS 78502-3125

the Financial Statements section of our report. We are required to be independent of Doctors Hospital at Renaissance 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Doctors Hospital at Renaissance 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Doctors Hospital at Renaissance 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Doctors Hospital at Renaissance 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and the supplemental Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Doctors Hospital at Renaissance 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Doctors Hospital at Renaissance 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by certified by State Street Bank and Trust Company, the trustee of the Plan, and by Transamerica Financial Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee and from the custodian as of December 31, 2020 that the information provided to the plan administrator by both the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally

DOCTORS HOSPITAL AT RENAISSANCE 401(K) PLAN
Notes to Financial Statements
December 31, 2021

Note 1 – Description of Plan

The following description of the Doctors Hospital at Renaissance (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established December 1, 2004 and most recently amended and restated effective December 11, 2020. It covers all eligible employees of the Company who have completed at least 30 days of service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In September 2019, the IRS published final regulations amending the rules governing hardship distributions from 401(k) plans pursuant to changes contained in the Bipartisan Budget Act of 2018. Among other things, the final ruling updates the administrative process required to document that the distribution is necessary to meet the financial need. Provisions under this ruling are effective as of January 1, 2020. The Plan has been amended accordingly.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act are effective as of January 1, 2020.

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants.

Contributions – Each year participants may contribute a percentage of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan was amended in 2018 to allow for Roth elective deferrals and Roth rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers five mutual funds, thirteen collective trust funds, and one fixed income account as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Under the provisions of the Plan, the Company may make a discretionary matching contribution. For 2021 and 2020 the Company’s matching contribution was 25 percent of a participant’s salary deferral up to a 6 percent deferral. The Company may also contribute a discretionary non-elective contribution based on each participant’s taxable wage base. No discretionary non-elective contributions were made in 2021 or 2020.

Participant accounts – Each participant’s account is credited with the participant’s voluntary contribution and allocations of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of (a) Plan losses and (b) administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service subject to a five-year graded vesting schedule.

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance incurred by the participant during the 12-month period ending on the day before the date on which the loan was made or 50 percent of their vested account balance. An active participant shall make loan scheduled payments through payroll deduction with the frequency of such payments established in the loan application. A former participant shall be provided with coupons to submit with their scheduled payments by the prescribed due dates. The loans are secured by the vested balance in the participant’s account and bear interest at rates ranging from 4.25 percent to 6.50 percent. Effective January 1, 2016, the loan interest is the Wall Street Journal Prime Rate plus one percent. Any changes in the Prime Rate will be reflected on the first business day of the following month. A participant must wait 15 days after a loan is paid off before initiating a new loan. In accordance with the CARES Act provisions, the Plan adopted provisions for a period of time during 2020 to temporarily increase the participant loan limit for qualified individuals to borrow up to the lesser of 100% or \$100,000 of their vested balance.

Payment of benefits – On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. For termination of service due to other reasons, a participant with an account balance greater than \$5,000 may elect to receive the value of the vested benefit in his or her account as a lump sum distribution, or may make the election to receive distributions in installment payments or partial payments, before the date it would normally be distributed (upon death, disability or retirement). The Plan will make involuntary cash outs of terminated vested participants with account balances of \$1,000 or less. In addition, eligible rollover distributions of account balances greater than \$1,000 but not greater than \$5,000 will be subject to automatic rollover requirements.

In accordance with the CARES Act provisions, distributions for qualified individuals were allowed for a period of time during 2020 and required minimum distributions were waived for the 2020 plan year.

Effective beginning in the 2020 Plan year, final ruling governing hardship distributions pursuant to changes contained in the Bipartisan Budget Act of 2018 eliminates the six-month suspension of contributions subsequent to a hardship distribution and the requirement to obtain all available plan loans prior to receiving a hardship distribution. Among other provisions, the final ruling also expands on the types of contribution sources available.

Forfeited accounts – Forfeitures will first be used to restore previously forfeited amounts to participant accounts if certain requirements are fulfilled as set forth in the Plan. Any remaining forfeitures may be used to reduce employer matching or non-elective contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements of the Plan are prepared on the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of estimates – In preparing the financial statements, the plan administrator is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment valuation and income recognition – The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly

transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income on these notes receivable is recorded as earned on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of benefits – Benefits are recorded when paid.

Excess contributions payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Contributions – Contributions from employees are recorded as they are withheld from the participant's wages.

Operating expenses – The Plan permits the payment of all reasonable Plan administration expenses to be paid out of the Plan assets, unless paid for by the Company. The Plan will assess against an individual Participant's account certain Plan expenses that are incurred by, or are attributable to, a particular Participant based on the use of a particular Plan feature. Expenses in excess of those fees are paid by the Company.

Date of management's review – Subsequent events were evaluated through October 14, 2022 which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Collective Trust Funds: Valued at the net asset value (NAV) calculated by the fund manager based on the underlying investments.

Mutual Funds: Valued at a daily calculated NAV and is traded at a quoted price through the National Securities Clearing Corporation.

Transamerica Financial Life Insurance Company's (TFLIC) Fixed Income Accounts: Valuation is based upon observable inputs.

Transamerica Financial Life Insurance Company's (TFLIC) Guaranteed Pooled Fund (guaranteed pooled separate account): Valuation is based upon significant observable inputs.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

December 31, 2021	Total	Fair Value Measurements at Reporting Date Using:	
		Level 1	Level 2
Collective Trust Funds	\$ 164,583,477	\$ -	\$ 164,583,477
Mutual Funds	8,038,459	8,038,459	-
TFLIC - Fixed Income Accounts	211,462	-	211,462
Total investments at fair value	<u>\$ 172,833,398</u>	<u>\$ 8,038,459</u>	<u>\$ 164,794,939</u>

December 31, 2020	Total	Fair Value Measurements at Reporting Date Using:	
		Level 1	Level 2
Collective Trust Funds	\$ 136,238,282	\$ -	\$ 136,238,282
Mutual Funds	3,875,136	3,875,136	-
TFLIC - Fixed Income Accounts	198,956	-	198,956
Total investments at fair value	<u>\$ 140,312,374</u>	<u>\$ 3,875,136</u>	<u>\$ 136,437,238</u>

The Company evaluates the significance of various inputs to assess the appropriate classification of the Plan's investments within the fair value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Transfers between levels are evaluated for their significance based upon the nature of the investment and size of the transfer relative to the net asset available for benefits.

Note 4 – Concentrations

All investments of the Plan are placed with Transamerica Financial Life Insurance Company, the custodian of the Plan. The investments are largely held in collective trust funds with the remaining funds held in either mutual funds or in fixed income accounts maintained by Transamerica Financial Life Insurance Company.

Note 5 – Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$129,404 and \$95,482, respectively. Forfeited participant accounts were used to reduce the Company's contributions by \$544,460 and \$220,881 in 2021 and 2020, respectively.

Note 6 – Related Party Transactions

Participants are responsible for variable asset charge fees, loan processing fees, distribution fees, and overnight check mailing fees, which totaled \$400,790 for the Plan year ended December 31, 2021. The Company also established an Expense Budget Account (EBA) which is funded with revenue generated from the investment funds and is used to pay investor advisory, audit, and other professional fees. Professional fees and advisory fees totaled \$74,543 for the Plan year ended December 31, 2021. These transactions are exempt party-in-interest transactions.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 8 – Information Prepared and Certified by Trustee and Custodian

The following information, included in the accompanying financial statements and supplemental schedule of assets as of and for the years ended December 31, 2021 and 2020, was obtained from data that has been prepared and certified to as complete and accurate by State Street Bank and Trust Company, the trustee of the Plan, and by Transamerica Financial Life Insurance Company, the custodian of the Plan:

	2021	2020
Collective trust funds	\$164,583,477	\$136,238,282
Mutual funds	8,038,459	3,875,136

Employer match contribution receivable	-	105,311
Notes receivable from participants	5,700,991	6,818,695

	2021	2020
Net gain from collective trust funds	20,249,313	15,038,597
Net (loss) gain from mutual funds	(63,032)	339,785
Net gain from pooled separate accounts	-	44,349
Interest on fixed income account	1,967	1,380
Dividends	176,647	95,728
Interest on notes receivable from participants	295,541	363,653

Note 9 – Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 10 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500.

	December 31,	
	2021	2020
Net assets available for benefits per financial statements	\$ 179,068,458	\$ 147,762,398
Net assets available for benefits per Schedule H of Form 5500	\$ 179,068,458	\$ 147,762,398

Note 11 – Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, market, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12 – Prohibited Transactions

Late remittances of participant contributions totaled \$0 and \$2,107,126 for the plan years ending December 31, 2021 and 2020, respectively. These amounts are included in the attached Schedule of Delinquent Participant Contributions. All contributions were remitted during the respective Plan years. The late remittance of funds is a technical violation of the provisions of ERISA even though the Company does not profit from the transactions. The Company has remitted lost earnings that the contributions would have earned if they had been deposited timely for current year late remittances.

Note 13 – Subsequent Events

The Plan is currently reviewing the impact of provisions under the SECURE Act and the final rulings pursuant to changes contained in the Bipartisan Budget Act of 2018. Plan amendments that are deemed necessary will be made in a timely manner. The Plan has until the last day of the plan year beginning on or after January 1, 2022 to make applicable amendments.

The Plan has adopted certain provisions as allowed under the CARES Act. While plans may immediately adopt and implement these provisions, formal plan amendments are not required until the last day of the plan year beginning on or after January 1, 2022. The Plan will make necessary amendments in a timely manner.

Note 14 – Recent Pronouncements

In August 2018, FASB issued ASU 2018-13 Fair Value Measurement (*Topic 820*): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement* (“ASU 2018-13”) to streamline the disclosure requirements of ASC Topic 820 – Fair Value Measurement. ASU 2018 removes certain disclosure requirements, including the valuation process for Level 3 fair value measurements, and adds certain quantitative disclosures around Level 3 fair value measurements. This ASU is effective for annual reporting periods beginning after December 15, 2019. The Plan adopted ASU 2018-13 as of January 1, 2020. The standard had no material impact on its financial statements and related disclosures.
