INDEPENDENT AUDITORS' REPORT

To the Trustees of
Empire State Realty Trust 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Empire State Realty Trust 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by (See Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by the qualified institution. Their report dated October 14, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Empire State Realty Trust 401(k) Plan**Notes to Financial Statements****NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Empire State Realty Trust 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all full-time employees of Empire State Realty OP, L.P., Empire State Realty Trust, Inc., and ESRT Observatory TRS, L.L.C. (together the "Companies"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

Reliance Trust Company (the "Trustee") serves as the Plan's recordkeeper and provides various administrative services as well as manages a variety of investment options in regulated funds.

Summary of Plan Provisions

Effective Date - January 1, 1992, as amended and restated.

Plan Year - January 1 to December 31.

Eligibility for Participation

Employees shall become eligible to participate in the Plan on the first day of the month following their three-month anniversary of employment. Employees covered by a collective bargaining agreement, leased employees, non-resident aliens and interns are not eligible to participate in the Plan.

Year of Service

A 12-month period of time beginning on the participant's employment commencement date and ending on the date on which eligibility service is being determined.

Normal Retirement Date

The normal retirement date is the date the participant reaches age 65.

Contributions

Each year, participants can contribute up to 90% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants can also make Roth deferrals in accordance with the Plan's provisions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation with a 1% increase each year thereafter up to a maximum of 10%. Contributions are invested in a designated balanced fund until changed by the participant. The Plan currently offers various mutual funds and a collective trust fund as investment options for participants. The Plan also previously offered an insurance investment contract as an investment option for participants which was terminated in the prior year.

Empire State Realty Trust 401(k) Plan

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

During 2021, the Companies matched 100% of each participant's contribution to the Plan up to a maximum of \$1,250. Additional profit-sharing amounts may be contributed at the option of the Companies and are invested in a portfolio of investments as directed by the Companies. No profit-sharing contributions were made during the year ended December 31, 2021. Contributions are subject to certain limitations.

Participant Accounts

Contributions are maintained within participant-directed investment accounts amongst a choice of 36 diverse investment funds. Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocation of Participant and Employer Matching Contributions

A separate account shall be maintained for each participant for all contributions. An amount shall be allocated to the participant's account for the participant's contribution and the employer's contributions as well as investment earnings as provided above.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of time.

For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Vesting in Accounts

A participant shall be 100% vested at all times in any contributions made through salary deferrals or rollovers, and any investment income earned on such contributions. A participant shall be vested for employer contributions in a percentage of the participant's account determined on the basis of the following schedule:

<u>Years of Credit Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more years	100%

For this purpose, a year of service means any Plan year in which the employee was credited with at least 1,000 hours of service.

Empire State Realty Trust 401(k) Plan**Notes to Financial Statements****NOTE 1 - DESCRIPTION OF THE PLAN (continued)***Notes Receivable from Participants*

Participants can borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$100,000 or 100% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates determined by the Plan's administrator and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence). Interest rates range from 4.25% to 6.5%. Principal and interest is paid ratably through weekly payroll deductions for current employees. A loan that is considered in default is reported as a deemed distribution, which is a taxable event to the participant.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$2,398 and \$4,137, respectively. These accounts will be used to reduce future employer contributions. There were no forfeitures used to pay Plan expenses for the year ended December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid. For the year ended December 31, 2021, corrective benefit payments in the amount of \$1,938 were paid to the participants.

Expenses

Certain expenses of maintaining the Plan were included in administrative expenses. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are also included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Forfeitures are recorded as deemed distributions to the participants. For the year ended December 31, 2021, loan defaults and forfeitures in the amount of \$1,269 were recorded as deemed distributions to the participants.

Empire State Realty Trust 401(k) Plan

Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at year end), was certified as complete and accurate by the Trustee and was not subject to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

The following information was certified by the Trustee as complete and accurate as of December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$34,553,365	\$30,470,233
Notes receivable from participants	295,201	233,378

The following information was certified by the Trustee as complete and accurate for the year ended December 31, 2021:

Net appreciation in fair value of investments	\$3,261,997
Dividends	1,065,069
Interest income on notes receivable from participants	12,123

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Empire State Realty Trust 401(k) Plan

Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at their daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Collective trust funds are valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Self-Directed Brokerage Accounts

Accounts that primarily consist of common stock that are reported on the active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$30,226,732	\$ -	\$ -	\$30,226,732

Investments using NAV as a practical expedient				2,134,764
Investments, at Fair Value				<u>\$30,470,233</u>

As of December 31, 2021, the collective trust fund that is valued at NAV does not have any unfunded commitments or restrictions on redemptions.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective Trust Fund	\$2,134,764	\$ -	Daily	None

NOTE 5 - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 - TAX STATUS

The Companies adopted a non-standardized profit-sharing plan which has been determined by the Internal Revenue Service to be in accordance with applicable sections of the IRC by a letter dated July 16, 2014.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

On and effective June 1, 2022, the trustees of the Plan terminated the services provided by Reliance Trust Company, the Trustee of the Plan, and appointed Principal as the new Trustee. The Plan was also restated upon appointing Principal as the new Trustee.
