REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator and Participants of
Rockefeller Philanthropy Advisors 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Rockefeller Philanthropy Advisors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Rockefeller Philanthropy Advisors 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION

The following is a brief description of the Rockefeller Philanthropy Advisors 401(k) Plan (the "Plan"), which was adopted and commenced on January 1, 2011. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering eligible employees of Rockefeller Philanthropy Advisors, Inc. (the "Organization"), except leased employees, independent contract employees, and full-time students employed on a part-time basis. Full-time employees become eligible and may enroll as of the first day of the month following completion of six months of service. Part-time employees, who work less than 20 hours per week, are eligible to participate as of the first day of the month following completion of a 12-month period during which they are credited with 1,000 hours of service. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On March 1, 2020, the Plan was amended to add an auto-enrollment feature whereby eligible employees will be auto-enrolled effective April 5, 2020 into the Plan at a default deferral rate of 3%.

The Plan permits conversion of plan assets into a Roth feature within the Plan.

Effective July 6, 2021, the Plan Was amended and restated to reflect certain statutory changes.

Contributions

Each year, participants may make voluntary, elective pre-tax and/or after-tax contributions to the Plan, a percentage or dollar amount of their annual compensation, as defined in the Plan. Participants, who have attained 50 years old before the end of the Plan year, are eligible to make catch-up contributions. The maximum voluntary pre-tax contribution permitted by federal tax law was \$19,500 in 2021, and the maximum allowable catch-up contribution for 2021 was \$6,500 for a total maximum contribution of \$26,000 for eligible participants during 2021. Participants may also contribute amounts representing distributions from other qualified, defined benefit or defined contribution plans.

The Organization matched 100% of the first 3% of pre-tax contributions, including any catch-up contributions. The Employer match is subject to an annual true-up. The Organization made a safe-harbor non-elective employer contribution in the amount of 3% of eligible compensation, to allow the Plan to satisfy nondiscrimination tests under Section 401(k) of the Internal Revenue Code (the "Code"). Per the Plan document, there is also an employer basic contribution in which the Organization contributed 3% of eligible compensation for organization employees.

Contributions are subject to certain federal limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the allocation of the Organization's contributions and plan earnings thereon, and charged with certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rockefeller Philanthropy Advisors 401(k) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Vesting

Participants are always 100% vested in their accounts attributable to the following contributions: elective pre-tax deferrals including catch-up contributions, employee (after-tax) contributions, rollover contributions, and safe-harbor contributions.

All employees, irrespective of their years of service with the Organization, are 100% vested in their employer contributions.

The interest of each participant in their basic and matching contribution accounts is 100% vested upon normal retirement, death or disability.

Notes Receivable from Participants

Subject to terms and conditions imposed by applicable tax regulations, participants may borrow from their fund accounts a minimum of \$500, and up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Loan terms range from one to five years, or for a longer period if used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Loan repayments are made through payroll deductions. Interest rates on loans ranged from 4.25% to 6.5% at December 31, 2021 and 2020. A participant may have three loans outstanding at one time. A loan default resulting in a taxable distribution (and early withdrawal penalties, if applicable) will occur if payment is not made by the last day of the calendar quarter following the calendar quarter in which the loan repayment was due.

Payment of Benefit

Upon retirement, hardship or termination, or for termination of service for other reasons, vested benefits can be distributed in either a lump-sum benefit or an alternative form of payment, as permitted under the Plan. If the participant's vested benefit does not exceed \$5,000, the Plan administrator may direct the trustee to distribute, in a lump-sum payment, the participant's vested benefits. In accordance with Internal Revenue Service (the "IRS") regulations, participants must first exhaust all other assets available before obtaining a hardship withdrawal. All hardship withdrawals must be approved by the Plan administrator and may only be taken against employee deferral balances.

Investment Options

Contributions are invested according to the options elected by the participants among the then available investment options. The investment options include various funds, which provide participants the opportunity to select from various returns on investment alternatives. There are no non-participant directed accounts.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$ 7,017 and \$15,160, respectively. During 2021, \$ 1,651 was used to reduce administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units of the collective trust fund is valued at the net asset value ("NAV") as reported by the sponsor of the fund. Shares of mutual funds are valued at quoted market prices. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from such estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and asset management fees are charged directly to the participant's account and are included in administrative expenses. Other investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Total investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan follows guidance that establishes a single authoritative definition of fair value measurements used in financial statements, provides enhanced guidance for measuring the fair value of assets and liabilities and requires additional disclosures related to the extent to which assets and liabilities are measured at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. Fair value measurements are based upon the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants exclusive of any transaction costs

Rockefeller Philanthropy Advisors 401(k) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED

and are determined by either the principal market or the most advantageous market. The principal market is the market with the greatest level of activity and volume for the asset or liability. Absent a principal market to measure fair value, the Plan would use the most advantageous market, which is the market that the Plan would receive the highest selling price for the asset or pay the lowest price to settle the liability, after considering transaction costs. However, when using the most advantageous market, transaction costs are only considered to determine which market is the most advantageous, and these costs are then excluded when applying a fair value measurement.

The guidance creates a three-level hierarchy to prioritize the inputs used in the valuation techniques to derive fair values. The basis for fair value measurements for each level within the hierarchy is described below, with Level 1 having the highest priority and Level 3 having the lowest:

- Level 1 - Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities;
- Level 2 - Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar assets or liabilities; and
- Level 3 - Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker-traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There are no changes in the methodologies used at December 31, 2021 and 2020:

Collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 35,406,670	\$ -	\$ -	\$ 35,406,670
Collective trust fund measured at NAV ^(a)				796,933
Total assets				<u>\$ 36,203,603</u>

	Assets as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,799,815	\$ -	\$ -	\$ 27,799,815
Collective trust fund measured at NAV ^(a)				919,057
Total assets				<u>\$ 28,718,872</u>

^(a) Redemption of the collective trust is generally permitted daily and there are no unfunded commitments.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are units of a collective trust and shares of mutual funds managed by affiliates of Fidelity, the Plan's trustee. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments. In addition to the administrative expenses disclosed in the statement of changes in net assets available for benefits, the Organization also pays directly, fees related to the Plan's operations. The Plan also permits notes receivable from participants. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transactions rules under ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Code. Any employer adopting this form of the Plan is considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Rockefeller Philanthropy Advisors 401(k) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the Funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is possible that changes in market conditions in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits, as reported in financial statements	\$ 36,525,746	\$ 28,959,334
Less: employer contributions receivable	<u>(34,538)</u>	<u>(41,102)</u>
Net assets available for plan benefits, as reported in Form 5500	<u>\$ 36,491,208</u>	<u>\$ 28,918,232</u>

The following is a reconciliation of the net increase per the financial statements to the net income per Form 5500 for the year ended December 31, 2021:

Net increase, as reported in financial statements	<u>\$ 7,566,412</u>
Less: 2020 employer contributions receivable	41,102
Add: 2021 employer contributions receivable	<u>(34,538)</u>
Net income as reported in the Form 5500	<u>\$ 7,572,976</u>

NOTE 10 - SUBSEQUENT EVENTS

The Organization has evaluated events and transactions for potential recognition or disclosure through October 14, 2022, which is the date the financial statements were available to be issued, and determined that there were no circumstances that warranted recognition or disclosure of those events or transactions in the financial statements as of December 31, 2021.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator and Participants of
Rockefeller Philanthropy Advisors 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Rockefeller Philanthropy Advisors 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Rockefeller Philanthropy Advisors 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION

The following is a brief description of the Rockefeller Philanthropy Advisors 401(k) Plan (the "Plan"), which was adopted and commenced on January 1, 2011. Participants should refer to the Plan document for more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering eligible employees of Rockefeller Philanthropy Advisors, Inc. (the "Organization"), except leased employees, independent contract employees, and full-time students employed on a part-time basis. Full-time employees become eligible and may enroll as of the first day of the month following completion of six months of service. Part-time employees, who work less than 20 hours per week, are eligible to participate as of the first day of the month following completion of a 12-month period during which they are credited with 1,000 hours of service. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On March 1, 2020, the Plan was amended to add an auto-enrollment feature whereby eligible employees will be auto-enrolled effective April 5, 2020 into the Plan at a default deferral rate of 3%.

The Plan permits conversion of plan assets into a Roth feature within the Plan.

Effective July 6, 2021, the Plan Was amended and restated to reflect certain statutory changes.

Contributions

Each year, participants may make voluntary, elective pre-tax and/or after-tax contributions to the Plan, a percentage or dollar amount of their annual compensation, as defined in the Plan. Participants, who have attained 50 years old before the end of the Plan year, are eligible to make catch-up contributions. The maximum voluntary pre-tax contribution permitted by federal tax law was \$19,500 in 2021, and the maximum allowable catch-up contribution for 2021 was \$6,500 for a total maximum contribution of \$26,000 for eligible participants during 2021. Participants may also contribute amounts representing distributions from other qualified, defined benefit or defined contribution plans.

The Organization matched 100% of the first 3% of pre-tax contributions, including any catch-up contributions. The Employer match is subject to an annual true-up. The Organization made a safe-harbor non-elective employer contribution in the amount of 3% of eligible compensation, to allow the Plan to satisfy nondiscrimination tests under Section 401(k) of the Internal Revenue Code (the "Code"). Per the Plan document, there is also an employer basic contribution in which the Organization contributed 3% of eligible compensation for organization employees.

Contributions are subject to certain federal limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the allocation of the Organization's contributions and plan earnings thereon, and charged with certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Vesting

Participants are always 100% vested in their accounts attributable to the following contributions: elective pre-tax deferrals including catch-up contributions, employee (after-tax) contributions, rollover contributions, and safe-harbor contributions.

All employees, irrespective of their years of service with the Organization, are 100% vested in their employer contributions.

The interest of each participant in their basic and matching contribution accounts is 100% vested upon normal retirement, death or disability.

Notes Receivable from Participants

Subject to terms and conditions imposed by applicable tax regulations, participants may borrow from their fund accounts a minimum of \$500, and up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Loan terms range from one to five years, or for a longer period if used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Loan repayments are made through payroll deductions. Interest rates on loans ranged from 4.25% to 6.5% at December 31, 2021 and 2020. A participant may have three loans outstanding at one time. A loan default resulting in a taxable distribution (and early withdrawal penalties, if applicable) will occur if payment is not made by the last day of the calendar quarter following the calendar quarter in which the loan repayment was due.

Payment of Benefit

Upon retirement, hardship or termination, or for termination of service for other reasons, vested benefits can be distributed in either a lump-sum benefit or an alternative form of payment, as permitted under the Plan. If the participant's vested benefit does not exceed \$5,000, the Plan administrator may direct the trustee to distribute, in a lump-sum payment, the participant's vested benefits. In accordance with Internal Revenue Service (the "IRS") regulations, participants must first exhaust all other assets available before obtaining a hardship withdrawal. All hardship withdrawals must be approved by the Plan administrator and may only be taken against employee deferral balances.

Investment Options

Contributions are invested according to the options elected by the participants among the then available investment options. The investment options include various funds, which provide participants the opportunity to select from various returns on investment alternatives. There are no non-participant directed accounts.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$ 7,017 and \$15,160, respectively. During 2021, \$ 1,651 was used to reduce administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Units of the collective trust fund is valued at the net asset value ("NAV") as reported by the sponsor of the fund. Shares of mutual funds are valued at quoted market prices. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities. Actual results could differ from such estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and asset management fees are charged directly to the participant's account and are included in administrative expenses. Other investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity Management Trust Company, the trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Total investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan follows guidance that establishes a single authoritative definition of fair value measurements used in financial statements, provides enhanced guidance for measuring the fair value of assets and liabilities and requires additional disclosures related to the extent to which assets and liabilities are measured at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. Fair value measurements are based upon the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants exclusive of any transaction costs

Rockefeller Philanthropy Advisors 401(k) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED

and are determined by either the principal market or the most advantageous market. The principal market is the market with the greatest level of activity and volume for the asset or liability. Absent a principal market to measure fair value, the Plan would use the most advantageous market, which is the market that the Plan would receive the highest selling price for the asset or pay the lowest price to settle the liability, after considering transaction costs. However, when using the most advantageous market, transaction costs are only considered to determine which market is the most advantageous, and these costs are then excluded when applying a fair value measurement.

The guidance creates a three-level hierarchy to prioritize the inputs used in the valuation techniques to derive fair values. The basis for fair value measurements for each level within the hierarchy is described below, with Level 1 having the highest priority and Level 3 having the lowest:

- Level 1 - Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities;
- Level 2 - Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar assets or liabilities; and
- Level 3 - Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker-traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There are no changes in the methodologies used at December 31, 2021 and 2020:

Collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 35,406,670	\$ -	\$ -	\$ 35,406,670
Collective trust fund measured at NAV ^(a)				796,933
Total assets				\$ 36,203,603

	Assets as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,799,815	\$ -	\$ -	\$ 27,799,815
Collective trust fund measured at NAV ^(a)				919,057
Total assets				\$ 28,718,872

^(a) Redemption of the collective trust is generally permitted daily and there are no unfunded commitments.

NOTE 5 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are units of a collective trust and shares of mutual funds managed by affiliates of Fidelity, the Plan's trustee. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments. In addition to the administrative expenses disclosed in the statement of changes in net assets available for benefits, the Organization also pays directly, fees related to the Plan's operations. The Plan also permits notes receivable from participants. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transactions rules under ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Code. Any employer adopting this form of the Plan is considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Rockefeller Philanthropy Advisors 401(k) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the Funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is possible that changes in market conditions in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits, as reported in financial statements	\$ 36,525,746	\$ 28,959,334
Less: employer contributions receivable	<u>(34,538)</u>	<u>(41,102)</u>
Net assets available for plan benefits, as reported in Form 5500	<u>\$ 36,491,208</u>	<u>\$ 28,918,232</u>

The following is a reconciliation of the net increase per the financial statements to the net income per Form 5500 for the year ended December 31, 2021:

Net increase, as reported in financial statements	<u>\$ 7,566,412</u>
Less: 2020 employer contributions receivable	41,102
Add: 2021 employer contributions receivable	<u>(34,538)</u>
Net income as reported in the Form 5500	<u>\$ 7,572,976</u>

NOTE 10 - SUBSEQUENT EVENTS

The Organization has evaluated events and transactions for potential recognition or disclosure through October 14, 2022, which is the date the financial statements were available to be issued, and determined that there were no circumstances that warranted recognition or disclosure of those events or transactions in the financial statements as of December 31, 2021.
