Report of Independent Auditors

Plan Administrator
Dodgeland of Columbia, Inc. 401(k) Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 (“ERISA”) Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Dodgeland of Columbia, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended, and the related notes to the financial statements (“2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Plan Administrator
Dodgeland of Columbia, Inc. 401(k) Plan

Opinion on the 2021 Financial Statements (continued)

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedules as of December 31, 2021, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – 2021 Supplemental Schedules Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the accompanying 2020 financial statements of the Plan, which comprise the statement of net assets available for Plan benefits as of December 31, 2020, and the related statement of changes in net assets available for Plan benefits for the year then ended, and the related notes to the financial statements. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

Dodgeland of Richland, LP; Dodgeland of Columbia, Inc.; JT Automotive LP dba JT's Kia; JT Automotive of Lexington dba JT's Chrysler Jeep Dodge; JT's Automotive of Rock Hill LP dba JT's Kia of Rock Hill; JDB of Columbia, Inc. dba JD Byrider of Columbia; JDB of Charleston, LLC dba JD Byrider of Charleston; JDB of Greenville, LLC dba JD Byrider of Greenville; collectively referred to as the "Company" have adopted the Dodgeland of Columbia, Inc. 401(k) Plan (the "Plan") to provide retirement benefits to substantially all of their employees. The following description of the Plan provides only general information. Participants may refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who are 20.5 years of age or older. Employees are required to first complete six months of service, which includes at least 1,000 hours of service. Open enrollment is offered semi-annually on January 1st and July 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for the operation and administration of the Plan.

Contributions

Participants may contribute any percentage or amount of pretax annual compensation to the Plan, up to the maximum annual amount permitted by statute. Participants may also contribute rollover distributions from other qualified benefit plans. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into any of the investment options offered by the Plan. Participants may change their investment options at any time.

The Company may make discretionary matching contributions determined as a percentage of participant salary deferrals. The amounts of these contributions, if any, are determined at the discretion of the Company. During 2021 and 2020, the Company matched 25% of the first 8% of compensation that each participant contributed.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings or losses, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (continued)

Participant Notes Receivable

Participants may borrow from their vested funds up to a maximum amount equal to the lesser of \$50,000 or fifty percent of their vested account balance. Note terms range from one to five years, except for notes made for the purchase of a primary residence. The notes receivable are collateralized by the balance in the participants' accounts and bear interest at rates ranging from 4.50% to 6.50% at December 31, 2021. Interest rates are established on the date of the loan based on rates charged for similar types of loans by other lenders. A participant may have no more than one note due to the Plan at any time. Principal and interest are paid ratably through payroll deductions. Notes receivable are measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as participant distributions based on the terms of the Plan document.

Vesting

All participants are immediately vested in their contributions plus actual earnings thereon. For participants whose employment is terminated prior to normal retirement age for any reason other than death or disability, vesting in Company contributions is in accordance with the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	100%

Forfeitures

Forfeitures are used to reduce future employer contributions. The amount of forfeitures allocated to participant accounts for the years ended December 31, 2021 and 2020 amounted to \$19,164 and \$5,599, respectively. The amount of unallocated forfeited accounts was \$0 at December 31, 2021 and 2020.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their designated beneficiary may elect to receive either a lump-sum amount, equal to the value of the participant's vested interest in his or her account, or installment payments over a fixed time in accordance with the Plan document.

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan (continued)

Payment of Benefits (continued)

For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Certain account balances represent terminated employees who elected to defer payment of their vested benefits. These participants participate in the earnings of the Plan, but are not allowed to contribute to their accounts nor are employer contributions allocated to these accounts. Subject to certain conditions, participants are permitted to make hardship withdrawals from their vested account balance in the Plan in cases of severe financial hardship while employed.

Plan Amendments

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act of 2019, which allow certain eligible individuals to suspend required minimum distributions, and delay the commencement date for required minimum distributions. A CARES Act provision allowed the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Management expects to retroactively adopt the required plan amendments for the provisions of the CARES Act by December 31, 2025, which is within the IRS guidelines.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States (“US GAAP”).

Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

The Plan pays all custodial, investment consulting, and recordkeeping fees. All other professional fees are paid by the Company.

Dodgeland of Columbia, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. Basis of Presentation and Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan may invest in investment securities that are exposed to various risks, including interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values in investment securities will occur in the near term and that such changes could materially affect the amounts reported in the 2021 statement of net assets available for plan benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Custodian Certification

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2021 and 2020 related to investments, participant notes receivable, cash, and net appreciation in fair value of investments, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Retirement Plan Services ("John Hancock"), the custodian of the Plan.

4. Fair Value Measurements

The methods used to measure fair values may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair values of certain financial instruments could result in different fair values at the reporting date.

Dodgeland of Columbia, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

4. Fair Value Measurements (continued)

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan's mutual fund investments were valued using Level 1 inputs, based on quoted market prices of the shares held by the Plan.

The Plan's investments include the John Hancock 3 Year Compound group insurance contract, the John Hancock 5 Year Compound group insurance contract, and the John Hancock 10 Year Compound group insurance contract, all of which are collective trusts. Contributions under the group insurance contracts are allocated to guaranteed interest accounts, which are not, by definition, investment contracts, but rather are investment options offered under the John Hancock group insurance contracts. The John Hancock Stable Value Fund is an investment option within the group insurance contracts. The John Hancock Stable Value Fund sub-account invests in the John Hancock Stable Value Fund Collective Investment Trust, which is a fully benefit-responsive collective trust. The collective trusts are valued at the net asset value ("NAV") of the contracts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV of the contracts is based on the fair value of the underlying investments held less the contracts' liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the contracts, the account provider reserves the right to temporarily delay withdrawal from the accounts in order to ensure that security liquidations will be carried out in an orderly business manner.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Dodgeland of Columbia, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

6. Party-in-Interest Transactions

Certain Plan investments are mutual funds and collective trusts managed by John Hancock. All transactions with this company qualify as party-in-interest transactions. For the years ended December 31, 2021 and 2020, fees paid by the Plan to John Hancock amounted to \$54,647 and \$40,195, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Income Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

During 2021, operational errors were discovered relating to certain employee and employer contributions, which resulted in an underpayment of contributions and lost earnings to the Plan. As of the date the financial statements were available to be issued, management's estimate of the impact of the errors to the Plan's 2021 financial statements is not significant. Management expects to have corrected amounts determined and corrections made during 2022.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified at December 31, 2021 and 2020. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.
