Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of Selking International 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Selking International 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Selking International 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Selking International 401K Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Selking International 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Selking International 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets Held At Year End for December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Selking International 401K Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note A - Description of Plan

The following description of the Decatur Truck & Tractor, Inc. (the "Company", the "Employer"), Selking International 401K Plan (the "Plan") provides only general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document and amendments.

General

The Plan, which was effective January 1, 2007 and amended from time to time thereafter, is a defined contribution safe harbor plan available to all eligible full and part-time employees of Decatur Truck & Tractor, Inc. (the "Company"), Selking International 401K Plan (the "Plan") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers employees who have completed six months of service, that are 18 years of age and completed 83.33 hours of service per month. The Plan entry dates are January 1st and July 1st following eligibility satisfaction.

Plan Administration

The Plan is administered by ProTPA (the Plan Administrator), which was appointed by the Board of Directors of the Company. Matrix Trust Company (the Plan's Custodian), is responsible for the custody and management of the Plan's assets.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan, subject to certain limitations established by the Internal Revenue Code. As defined in the Plan, Roth deferrals are permitted, and participants may elect both pre-tax and Roth deferrals. Participants may also contribute amounts representing rollover distributions from other qualified plans. The Plan allows participants who have attained the age of 50 by the end of the Plan year to make catch-up contributions in accordance with the provisions of Internal Revenue Code Section 414(v). Participants direct these contributions into various investment options offered by the Plan.

The employer safe harbor match is 75% of salary deferrals up to 4% (0% to 3% salary deferral receives 100% Safe Harbor match and salary deferrals of 3% to 5% receives 50% Safe Harbor match up to 4%) Safe Harbor match of compensation.

Note A - Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with withdrawals and an allocation of plan losses and administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability

A participant is entitled to 100% of their account balance upon retirement, death or disability.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Safe harbor non-elective contributions, plus actual earnings thereon, vest 100% immediately. Discretionary non-elective profit sharing contributions, plus actual earnings thereon vest at 100% after six years. Employer matching contributions, plus actual earnings thereon vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan in 1% increments. Participants may change their investment options at any time. The Plan may change and provide additional investment options at any point.

Note A - Description of Plan (continued)

Notes Receivable - Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may not have more than two loans outstanding at any time and no new loans may be made to a participant when in default on any payment required to be made on a previous loan. The notes receivable, which are secured by the balance in the participant's account, generally bear interest at Federal Reserve Bank Prime rate plus 1%, as defined. Interest rates for new loans are determined on the date of the loan. Interest rates were between 4.25% and 6.50% as of December 31, 2021. Maturities were between July 1, 2022 and December 3, 2026 as of December 31, 2021. Principal and interest are paid ratably through weekly payroll deductions. All loans are repaid within five years.

Payment of Benefits

The entire vested balance of a participant's account may be distributed at the date of the participant's retirement from the Company, termination from service from the Company, death, or permanent and total disability. The normal retirement age, as defined by the Plan, is the date at which participants reach the age of 65. If a participant terminates before retirement, the participant will receive either a lump sum payment of their account balance or if the account exceeds \$5,000, participant may elect to any distribution date up to age 70 1/2.

Forfeited Accounts

Forfeitures of terminated non-vested amounts are eligible to reduce employer discretionary, employer match contributions and are eligible to pay for Plan expenses. During 2021, no forfeitures were used to offset employer contributions. There were no remaining balances of forfeitures available to offset future employer contributions as of December 31, 2021 and 2020.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Note B - Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Notes Receivable - Participant Loans

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make scheduled repayments and the Plan administrator deems the participant note receivable to be in default, the outstanding loan including accrued interest will become taxable and treated as a deemed distribution.

Contributions

Participant contributions are recognized when the participant contributions are withheld from the participant's earnings. Discretionary employer contributions are recognized when declared by the Employer.

Payments of Benefits

Benefits are recorded when paid.

Administrative and Investment Management Expenses

The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan sponsor and include audit fees and legal fees. Administrative expenses incurred by the Plan include investment advisory fees, custodian fees, recordkeeping fees and loan fees charged directly to the participants' accounts and are allocated on a pro-rata basis based upon participant account balance, as provided by the Plan's provisions.

Note C -Information Certified and Provided by Matrix Trust Company

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. Accordingly, the Matrix Trust Company, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

As of December 31,:

	<u>2021</u>	<u>2020</u>
Investment values certified by the custodian	<u>\$ 11,051,089</u>	<u>\$ 9,052,498</u>

For the year ending December 31,:

	<u>2021</u>
Investment income certified by the custodian:	
Net appreciation in fair value of investments	\$ 930,755
Net investment gain from common collective trusts	23,040
Interest and dividend income	458,580
Total investment income	<u>\$ 1,412,375</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

Note D - Fair Value Measurements

ASC topic *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to valuation methodology are unobservable and significant to the fair value measurement. Valuation is generated from model-based techniques that use significant assumptions not observable in the market. These unobservable assumptions would reflect our own estimates of assumptions that market participants would use in pricing the asset or liability. Such valuation techniques include the use of option pricing models, discounted cash flow models and similar techniques.

The asset or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual Funds:

The fair values of mutual fund investments are determined by obtaining quoted net asset values of the shares on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust:

The fair values of participant units held in collective trusts are based on the net asset values per unit as reported by fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirements.

December 31, 2021 and 2020

Note D - Fair Value Measurements (Continued)

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31 2021 and 2020:

		2021		
		Quoted Prices in Active Markets for Identical Assets	Significant Observable Inputs	Significant Unobservable Inputs
		Level 1	Level 2	Level 3
		Fair Value		
<u>Investments</u>				
Mutual Funds	\$ 9,877,108	\$ 9,877,108	\$ 0	\$ 0
Collective Trust*	1,173,981	0	0	0
	<u>\$ 11,051,089</u>	<u>\$ 9,877,108</u>	<u>\$ 0</u>	<u>\$ 0</u>
		2020		
		Quoted Prices in Active Markets for Identical Assets	Significant Observable Inputs	Significant Unobservable Inputs
		Level 1	Level 2	Level 3
		Fair Value		
<u>Investments</u>				
Mutual Funds	\$ 7,937,610	\$ 7,937,610	\$ 0	\$ 0
Collective Trust*	1,114,888	0	0	0
	<u>\$ 9,052,498</u>	<u>\$ 7,937,610</u>	<u>\$ 0</u>	<u>\$ 0</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables such for investments are intended to permit reconciliation of the fair value to the investments at fair value line presented in the statement of net assets available for benefits.

Note E - Tax Status

The Plan sponsor adopted the restated version of a non-standardized Prototype Plan Document. The Internal Revenue Service has determined and informed the prototype plan sponsor, by a letter dated June 30, 2020, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (the “IRC”). Although the Plan has been amended from the original prototype document, Plan management believes the Plan is designed and is currently being operated in accordance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F - Related-Party and Party-In-Interest Transactions

Parties in interest are defined under the Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative and fiduciary functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. ProTPA provides administrative services, Matrix Trust Company provides custodian services and Lincoln Investments/Shepherd Financial provides investment advisory services for the Plan. Fees paid by the Plan for recordkeeping, custodian and investment advisory services qualify as party-in-interest transactions. During 2021, the Plan paid \$30,742 for contract administrative fees (consisting of \$25,818 to ProTPA and \$4,924 to Matrix Trust Company) and \$29,541 in investment advisory and management fees (Lincoln Investments/Shepherd Financial) for these services. Certain professional fees of the Plan were paid on behalf of the Plan by the Company. Notes receivable from participants also reflect party-in-interest transactions.

Note G - Plan Termination and Amendment

Although the Company has not expressed any intent to do so, the Company has the right, under the Plan agreement, to amend any or all provisions of the Plan, as well as terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note H - Reconciliation to IRS Form 5500

The following is a reconciliation of the financial statement's and IRS Form 5500 as of December 31, 2020.

	2021
Net income (loss) per IRS Form 5500	\$ 1,999,191
Less: employer contributions recorded in prior year per financial statements	(2,201)
Net increase per the financial statements	<u>\$ 1,996,990</u>

Note I - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note J - Subsequent Event

Plan management has performed an analysis of the activities and transactions subsequent to December 31, 2021 to determine the need for any adjustments to and/or disclosures within the financial statements for the year ended December 31, 2021. Plan management has performed their analysis of subsequent events through October 13, 2022, the date the financial statements were available to be issued and determined no adjustments were needed.
