INDEPENDENT AUDITOR'S REPORT

To the 401(k) Plan Investment Committee and Plan Fiduciaries of
CC Metals and Alloys, LLC 401(k) Plan
Calvert City, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of CC Metals and Alloys, LLC 401(k) Plan ("Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CC METALS AND ALLOYS, LLC 401(k) PLAN
(FORMERLY GEORGIAN AMERICAN ALLOYS, INC. 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of CC Metals and Alloys, LLC 401-K Plan (“Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

A. General

The Plan is a defined contribution savings plan adopted on January 1, 2011 to provide eligible employees an opportunity to save for retirement on a tax-advantaged basis. Effective January 1, 2013, the Plan was amended to include employees of sister companies Felman Production, LLC and Felman Trading, Inc. and parent company Georgian American Alloys, Inc. (the “Companies”). The plan sponsor is CC Metals and Alloys, LLC. Capital Bank and Trust Company served as the plan trustee until June 15, 2021 and Reliance Trust Company began serving as the plan trustee thereafter. The plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). A 401(k) committee controls and manages the operations and administration of the Plan. As of July 31, 2018, Felman Trading, Inc. ceased operations and no longer has employees. As of May 1, 2021, Felman Production, LLC is no longer a part of the Plan. Effective June 1, 2021, the Georgian American Alloys, Inc 401(k) Plan was renamed CC Metals and Alloys, LLC 401-K Plan.

B. Contributions

Each year, participants may contribute up to 50% of their annual compensation, as defined in the Plan, not to exceed the maximum amount allowed under the provisions of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. CC Metals and Alloys, LLC contributes 50% of the salary reduction amount contributed during the Plan year up to 10% of compensation received during the Plan year. Only CC Metals and Alloys, LLC employees are eligible for the match as other participating companies do not match participant contributions. Each year, the companies may make a discretionary contribution to the Plan. Contributions are subject to certain limitations.

C. Participant Accounts

Each participant’s account is credited with the participant’s contributions and the employer’s matching contribution (if applicable) as well as allocations of Plan earnings and charged an allocated administrative fee. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in CC Metals and Alloys, LLC 401-K Plan’s matching contribution portion of the participant’s account is based on years of continuous service. A participant is 100% vested after one year of credited service.

Note 1 – Description of Plan (Concluded)

E. Payment of Benefits

Upon termination, a participant may take a lump sum distribution of the account or can choose installments over a period of not more than their life expectancy. Upon the death of a participant, the beneficiary is entitled to distribution of the total value of the participant's account to be paid in cash. If the participant is over the age of 72, the participant must take annual required minimum distributions of their account. If the participant terminates employment or becomes totally disabled, the participant is entitled to a distribution of the total vested value of that participant's account. If the participant's vested account balance is greater than \$5,000, the participant may choose to leave their account in the Plan. Under certain circumstances, hardship withdrawals are permitted by a participant who is under age 59 ½. After age 59 ½, a participant may make a withdrawal without a need to prove serious financial hardship.

F. Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0 and \$2,536, respectively. These accounts will be used to reduce employer contributions or pay reasonable

G. Plan Amendment

Effective June 1, 2021, the Plan was amended to reflect a change in trustee from Capital Bank and Trust to Reliance Trust Company.

Note 2 – Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchase and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had no excess contributions payable at December 31, 2021 and 2020.

(FORMERLY GEORGIAN AMERICAN ALLOYS, INC. 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS**

Note 2 – Summary of Significant Accounting Policies (Concluded)

E. Payment of Benefits

Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan that had not been paid as December 31, 2021.

F. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant accounts and distributions to participants are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

G. Date of Management's Review of Subsequent Events

The Plan has evaluated subsequent events through October 17, 2022, the date which the financial statements were available to be issued.

Note 3 – Information Certified by Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Capital Bank and Trust, the trustee of the plan for the period January 1, 2021 to June 15 2021, and Reliance Trust Company, the trustee of the plan for the period June 15, 2021 to December 31, 2021, except of comparing such information certified by the trustee with information included in the plan's financial statements and supplemental Schedule H, line 4i – Schedule of Assets (Held at Year of Year):

	<u>2021</u>	<u>2020</u>
Participant-directed investments at fair value	\$ 18,226,462	\$ 17,619,685

The aggregate net investment income allocated to the Plan from Capital Bank and Trust Company for the period January 1, 2021 to June 15, 2021, and the year ended December 31, 2020, respectively were as follows:

	<u>2021</u>	<u>2020</u>
Interest and dividend income	\$ 6,110	\$ 609,437
Net appreciation (depreciation) in fair value of investments	1,366,784	2,216,387
Net investment income	<u>\$ 1,372,894</u>	<u>\$ 2,825,824</u>

NOTES TO FINANCIAL STATEMENTS

Note 3 – Information Certified by Trustee (Concluded)

The aggregate net investment income allocated to the Plan from Reliance Trust Company for the period June 15, 2021 to December 31, 2021 was as follows:

	<u>2021</u>
Interest and dividend income	\$ 1,019,335
Net appreciation (depreciation) in fair value of investments	29,079
Net investment income	<u>\$ 1,048,414</u>

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS**

Note 4 – Fair Value Measurements (Concluded)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Investments are represented by a “unit of account” and per unit values whose value is the result of underlying investments. These underlying investments are valued using the Net Asset Value (NAV) provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
As of December 31, 2021				
Mutual Funds	\$17,699,723	\$ -	\$ -	\$ 17,699,723
Collective Trust Fund measured at NAV as a practical expedient	-	-	-	526,739
Total Investments at fair value	<u>\$17,699,723</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,226,462</u>
As of December 31, 2020				
Mutual Funds	\$17,160,057	\$ -	\$ -	\$ 17,160,057
Collective Trust Fund measured at NAV as a practical expedient	-	-	-	459,628
Total Investments at fair value	<u>\$17,160,057</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,619,685</u>

Note 5 – Related Party Transactions and Party In Interest Transactions

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust or Reliance Trust. Capital Bank and Trust Company was the trustee as defined by the Plan until June 15, 2021 and, therefore, these transactions qualify as party-in-interest transactions. Reliance Trust became the trustee on June 15, 2021 and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan’s operations.

**CC METALS AND ALLOYS, LLC 401(k) PLAN
(FORMERLY GEORGIAN AMERICAN ALLOYS, INC. 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS**

Note 6 – Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7 – Income Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**CC METALS AND ALLOYS, LLC 401(k) PLAN
(FORMERLY GEORGIAN AMERICAN ALLOYS, INC. 401(k) PLAN)
NOTES TO FINANCIAL STATEMENTS**

Note 9 – Prohibited Transactions

During 2021 the plan sponsor failed to remit to the plan's trustee certain employee contributions totaling approximately \$16,488 within the period prescribed by Department of Labor regulations.

Note 10 – Subsequent Events

Effective May 20, 2022, the Plan completed its cycle 3 restatement. The plan will allow participants to contribute Roth deferrals following the restatement.
