INDEPENDENT AUDITOR'S REPORT

October 12, 2022

To the Trustees of
Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the accompanying financial statements of the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TULLY RINCKEY PLLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Tully Rinckey PLLC 401(k) Profit Sharing Plan & Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

On November 1, 2021, the plan sponsor changed the trustee of the Plan to Reliance Trust Company.

General

The Plan is a defined contribution plan covering substantially all employees of Tully Rinckey PLLC, referred to as "Company", who are age twenty-one or older. Effective November 1, 2021, the Plan was amended to require completion of two months of service in addition to attaining the age of twenty-one in order to become eligible to participate. The Plan entry date is the first day of the first month following the date the eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Changes

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has implemented include, among others, allowing Coronavirus related distributions, increased loan limits, loan repayment deferrals, and suspending required minimum distributions. Most of the provisions of the CARES Act related to employee benefit plans expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions

All employees subject to certain qualifications are eligible to participate in the 401(k) portion of the Plan. Employees can elect to defer from 1% up to 90% of their eligible compensation, subject to certain Internal Revenue Code limitations, to their 401(k) accounts.

Participants are 100% vested in their 401(k) contributions. The Company makes a safe harbor matching contribution to the Plan on behalf of the participants as a percentage of the employee's contribution. The percentage applied to contributions is a 100% match on the first 3% of the participants' eligible compensation and then a 50% match on the next 2% of the participants' eligible compensation. Employer matching contributions for the years ended December 31, 2021 and 2020 amounted to \$207,894 and \$218,461, respectively.

The employer may make a profit sharing contribution for eligible employees. The amount of the profit sharing contribution, if any, is determined by the partners of the Company at their sole discretion each year. The employer is not required to make any profit sharing contribution for any year and there were no profit sharing contributions for the years ended December 31, 2021 and 2020.

Rollover contributions from other plans and certain IRAs are permitted.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with an allocation of (a) the employee's contributions (b) the Company's contribution, and (c) Plan earnings/losses less an allocation of administrative expenses. Allocations are based on participant earnings/losses or account balances, as defined. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's account.

Vesting

Vesting in the Company's contributions, including profit sharing and the 401(k) match, plus earnings and losses thereon, is based on years of continuous service. A participant is 100 percent vested in employer safe harbor matching contributions after two years of credited service. A participant is 100 percent vested in any profit-sharing contributions after six years of credited service. Participants are immediately vested in their voluntary contributions plus actual earnings/losses thereon.

Investment Options

The Plan currently offers twenty-seven (27) mutual funds through a regulated investment company and three collective investment trust funds. Participants may change their investment options and transfer funds amongst investments daily.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of their account balance. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of the participants vested accounts for those loans established from March 27, 2020 through September 22, 2020. Generally, loan terms range from 1-5 years. If the loan is used to purchase a primary residence, the loan may be repaid over a reasonable period of time that may be longer than 5 years. The loans are secured by the balance in the participant's account and bear interest at The Wall Street Journal's prime rate plus 1 percent determined at the time of the loan. Principal and interest is paid ratably through payroll deductions, which cannot be less frequently than quarterly.

Payment of Benefits

On termination of service, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a qualified joint and survivor annuity, unless the participant elects to receive the amount in a lump sum, installment arrangement, or life annuity.

Administrative Expenses

Administrative expenses of the plan (including third party administration and recordkeeping, and investment advisory fees) are generally allocated among the accounts of the plan participants. However, the Plan sponsor may, at its discretion, absorb certain administrative expenses of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with generally accepted accounting principles.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits to terminated participants are recorded when paid.

Forfeitures

Forfeitures are used to partially fund the employer profit sharing or matching employer contributions. During 2021 and 2020, there was \$67,892 and \$49,414 from nonvested accounts used to fund employer contributions, respectively. As of December 31, 2021 and 2020, the balance of forfeited nonvested accounts available to be used to reduce future employer contributions was \$20,193 and \$106,319, respectively.

Investment Valuation Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds. The collective investment trusts are measured using the net asset value (NAV) per share practical expedient as determined by the issuer based on current fair values of the underlying assets of the funds as of December 31, 2021 and 2020.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies assets into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value of shares held at year end based on quoted market prices.

Collective investment trusts: Valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 31, 2021, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Mutual funds	<u>\$ 6,876,503</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 6,876,503
Investments measured at net asset value as a practical expedient				<u>710,458</u>
Total investments, at fair value				<u>\$ 7,586,961</u>

3. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2020, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 6,241,080	\$ -	\$ -	\$ 6,241,080
Investments measured at net asset value as a practical expedient				551,709
Total investments, at fair value				\$ 6,792,789

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.

Investments Measured using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient (Continued)

Fisher Investments U.S. Fixed Income Fund is a bank maintained collective fund available to qualified retirement plans only. The objective of the fund is to meet or exceed the return of BofA Merrill Lynch U.S. Broad Market Index, which tracks the performance of investment grade debt publicly issued in the U.S. domestic market, while maintaining a similar level of risk. The fund invests in a diversified portfolio of fixed income-related securities.

Fisher Investments All World Equity Collective Fund is a bank maintained collective fund available to qualified retirement plans only. 4. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares in the registered investment funds managed by Reliance Trust Company, the trustee. The Company is the Plan sponsor. As such, transactions between the trustee, the Company, and the Plan qualify as party-in-interest transactions.

The Plan has allowed employees who are participants to borrow from their plan account under specific circumstances. The borrowing transactions and notes receivables qualify as party-in-interest transactions.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

6. TAX STATUS

The Plan obtained its latest determination letter on October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. TRANSFERS

During 2020, employees with plan assets totaling \$4,340 were transferred from the Plan to the Tully Rinckey America Service 401(k) Profit Sharing Plan & Trust. There were no such transfers during 2021.
