## Independent Auditor's Report

The Plan Administrator and Participants  
Hirsh Industries, LLC 401(k) Retirement Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Hirsh Industries, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to benefits provided under the Plan or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hirsh Industries, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that these financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to benefits provided under the Plan or assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Hirsh Industries, LLC 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Hirsh Industries, LLC 401(k) Retirement Plan Notes to Financial Statements**

### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Hirsh Industries, LLC 401(k) Retirement Plan ("Plan") is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a participant-directed defined contribution 401(k) plan covering full-time employees of Hirsh Industries, Inc. ("Plan Sponsor") who have attained the age of 18, worked in excess of 1,000 hours, and been employed by the Plan Sponsor in excess sixty days. Employees from the Plan Sponsor's operations in Mexico are not eligible to be included as Plan participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### **Contributions**

Each year, participants may contribute a percentage of their annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common stocks, bonds, government securities, and an insurance investment contract as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with default deferral rates set at 3% and 4% of eligible compensation for bargaining and non-bargaining participants, respectively. Contributions are automatically invested in a designated balanced fund until changed by the participant. For bargaining participants, the Sponsor's matching contributions are discretionary but are not to exceed 6% of employee compensation. For non-bargaining participants, contributions meet the safe harbor qualified matching contributions of 100% but not to exceed 4% of employee compensation. Contributions are subject to certain statutory limitations.

#### **Rollover Transfers**

With the consent of the Plan administrator, the insurance company may receive and invest amounts transferred in from other qualified plans. Total rollover contributions for 2021 and 2020 were \$96,258 and \$44,308, respectively.

#### **Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is adjusted for the participant's contributions, Plan Sponsor contributions, withdrawals, allocations of the Plan earnings (losses), and allocations of administrative expenses. Allocations of earnings (losses) and administrative expenses are based on participant account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Hirsh Industries, LLC 401(k) Retirement Plan  
Notes to Financial Statements**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. For bargaining participants, the Plan Sponsor's matching contributions are vested at 20% per year, commencing with two years of service. For non-bargaining participants, the Plan Sponsor's safe harbor qualified matching contributions are vested 100% immediately. In any event, participants are 100% vested upon attainment of normal or early retirement age. Upon a participant's termination of employment before normal retirement, disability, or death, the portion of their Company contributions not then vested will be forfeited. The forfeited portion of any participant's account will be used to reduce future Company contributions.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Interest income is recorded on the accrual basis. Principal and interest is paid ratably through payroll deductions. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as benefit payments based on the terms of the Plan document.

**Payment of Benefits**

Under the terms of the Plan, participants are eligible for distributions upon death, permanent disability, retirement, termination of employment for other than the preceding reasons, and certain financial hardships as described in the Plan. Participants are eligible for early retirement at age 55, upon completion of six years of employment. Normal retirement is at age 65. Benefit payment options are described in the Plan document, with benefits of \$5,000 or less payable in a lump-sum.

**Forfeitures**

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$3 and \$-0-, respectively. These accounts will be used to reduce future Plan Sponsor contributions. Forfeited balances of \$23,983 and \$6,168, respectively, were used to reduce the Plan Sponsor contributions for the years ending December 31, 2021 and 2020.

**CARES Act**

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement.

The Plan has implemented the following relief provisions, however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.

**Hirsh Industries, LLC 401(k) Retirement Plan  
Notes to Financial Statements**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

Participant loans: Qualified participants could elect to suspend loan repayments due through December 31, 2020. Repayments resume in January 2021. Loans will be re-amortized to extend payoff period by one year and will include accrued interest for suspension period.

A temporary waiver of the required minimum distribution rules for distributions required in 2020 was available.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

**Presentation of Participant-directed Funds**

The Plan's presentation of participant-directed investments is in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plans*.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the certain reported amounts and disclosure. Actual results may differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participants account and included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Hirsh Industries, LLC 401(k) Retirement Plan**  
**Notes to Financial Statements**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payments of Benefits**

Benefit payments to participants are recorded upon distribution.

**Administrative Expenses**

Certain administrative expenses of the Plan are paid by the Company. Fees paid to Principal to administer the investments of the Plan are paid from Plan assets.

**Subsequent Events**

Management has evaluated subsequent events through October 10, 2022, the date which the financial statements were available for issue.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices of similar assets or liabilities in active markets or quoted prices for identical or similar assets in inactive markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

*Level 1 Fair Value Measurements*

The fair value of registered investment accounts is based on quoted net asset values of the shares as reported by the fund. The registered investment accounts held by the Plan are registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The registered investment accounts held by the Plan are considered to be actively traded.

**Hirsh Industries, LLC 401(k) Retirement Plan**  
**Notes to Financial Statements**

**NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 2 Fair Value Measurements*

The fair value of pooled separate accounts are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from observable market data.

*Level 3 Fair Value Measurements*

The Plan has no level 3 inputs.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

|                                |                      | Fair Value Measurements Using |                     |              |

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, respectively, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers into or out of level 3.

**NOTE 4 – INVESTMENT CONTRACTS WITH INSURANCE COMPANY**

The Plan offers an investment in Principal Stable Value Fund, which is an investment in a common collective trust, and in Principal Pension Builder, which is a fixed income annuity based on assumptions of the investor such as age and current interest rate market. The Stable Value Fund and Pension Builder are deemed to be benefit-responsive investment contracts with Principal Global Investors Trust Company, a wholly owned subsidiary of the Principal Financial Group, Inc., and with Principal Life Insurance Company, respectively. The Stable Value Fund has various types of investment contracts, including but not limited to, guaranteed investment contracts, synthetic investment contracts and cash equivalents. The net asset value of each fund is determined each business day by Principal Trust Company. Principal Trust Company maintains the contributions in accounts which are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by Principal Trust Company. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at December 31, 2021 and 2020 was \$1,274,333 and \$1,295,517, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such rates are reviewed on a monthly or quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal Trust Company. Such events include the following: (a) amendments to the plan document (including complete or partial plan termination or merger with another plan), (b) merger or consolidation of investors, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs that cause a significant withdrawal from the plan), (d) termination or partial termination of the Fund, (e) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

**NOTE 5 – INFORMATION CERTIFIED BY CUSTODIAN**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company (the custodian of the Plan).

**NOTE 6 – TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain expenses of the Plan are paid by the Company. Certain investments in Schedule H, line 4(i), schedule of assets (held at year end) are managed by Principal Life Insurance Company and Principal Global Investors Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA. Fees paid by the Plan for the investment management services amounted to \$106,898 and \$94,112 for the years ended December 31, 2021 and 2020, respectively.

**NOTE 7 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions

**NOTE 8 – INCOME TAX STATUS**

The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**NOTE 10 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
