INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Memphis Goodwill, Inc. 403(b) Retirement Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Memphis Goodwill, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Memphis Goodwill, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Memphis Goodwill, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Memphis Goodwill, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Memphis Goodwill, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Memphis Goodwill, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at Year End) and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Memphis Goodwill, Inc. 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

General

The Memphis Goodwill, Inc. 403(b) Retirement Plan is a defined contribution plan covering employees of Memphis Goodwill, Inc. (the Company). The plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan is a prototype plan with an effective date of January 1, 2009, and a restatement date effective January 1, 2010. Avantax Retirement Plan Services administers the Plan. The Plan assets are held by Avantax as custodial trustee.

Participation

An employee becomes eligible to make voluntary elective contributions into the plan on their date of hire. Employees are eligible to receive employer contributions when they have reached age 21 and worked 1,000 hours or more during the plan year. Participants who are not employed on the last day of the Plan year are not eligible for an allocation of Plan Sponsor contributions to the Plan for such year. For a more complete description of participation requirements, refer to the summary plan description for the Plan.

Contributions

Employees may contribute any percentage of their eligible annual compensation not to exceed Internal Revenue Code (IRC) limitations. In addition, participants who are 50 years of age or older during the Plan year may make catch-up contributions, not to exceed IRC limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. These rollover amounts plus earnings thereon may be withdrawn from the Plan as a lump-sum distribution during employment.

The employer may make discretionary matching contributions of eligible compensation. Matching contributions are at the sole discretion of the trustees.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocation of the Company's contributions and plan earnings. Allocations are based on a participant's earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants' accounts are participant-directed.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of the loans from the Plan to the Participant during the one year period ending on the day before the date the loan is made or 50% of their account balance. The loans are secured by the balance in the participant's account and must bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions is determined as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	25%
2	50%
3	75%
4	100%

Payment of Benefits

Upon attaining normal or disability retirement, a participant may apply for retirement benefits. If a participant dies before retirement, the death benefit will be paid to his/her beneficiary in a lump-sum payment. On termination of service, a participant is allowed to receive a lump-sum payment. Generally, all participants must begin withdrawing benefits no later than April 1 following the year age 70-1/2 is attained. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship or upon attainment of age 59 1/2 as defined in the plan document.

Forfeitures

Forfeitures will be used to reduce employer contributions or plan expenses for the same plan year in which the forfeiture occurred. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$89 and \$2,566, respectively. For the year ended December 31, 2021, \$595 was used to reduce plan expenses. For the year ended December 31, 2020, \$2,392 of forfeitures was used to reduce employer matching contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Recordkeeping and other administrative expenses may be charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Additional fees are charged to participants based on their use of certain plan features.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan's investments are stated at fair market value (except for the fully benefit responsive investment contract, which is reported at contract value) as defined by generally accepted accounting principles. See Note 3 for disclosure related to fair value measurement.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which consists of realized gains (losses) and the unrealized appreciation (depreciation) on investments.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Benefits are recorded when paid.

Date of Management's Review

The plan sponsor evaluated its December 31, 2021 financial statements for subsequent events through October 17, 2022, the date the financial statements were available to be issued. Other than the events described in Note 12, the plan sponsor is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Money market accounts: Valued at amortized cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund.

Pooled separate accounts: Valued at the net asset value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money Market	\$ -	\$ 9,798	\$ -	9,798
Mutual funds	1,155,130	-	-	1,155,130
	<u>\$ 1,155,130</u>	<u>\$ 9,798</u>	<u>\$ -</u>	<u>\$ 1,164,928</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 466,647	\$ -	\$ 466,647

NOTE 4 – PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to participant accounts will become 100% vested in their accounts and Plan assets will be used solely to provide benefits for participants. The net assets of the Plan are to be distributed in accordance with the Plan document in a uniform and nondiscriminatory manner.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments held at December 31, 2020 are units in a guaranteed interest account or pooled separate accounts managed by AUL. AUL is the asset custodian as of December 31, 2020 as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, certain plan expenses that are paid directly by the plan sponsor and notes receivable from participants also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction provision of ERISA and the Internal Revenue Code.

NOTE 7 – TAX STATUS

The plan sponsor adopted a 403(b) Prototype Plan document effective January 1, 2009. Effective June 28, 2013, the IRS began accepting applications for 403(b) plan opinion and advisory letters and will issue favorable letters to plans that meet the applicable IRC requirements. The plan has not requested a determination letter of its own. The plan administrator believes that the Plan is operating in conformity with the applicable sections of the IRC and is therefore, not considered to be subject to tax under present income tax law. The administrator also believes that the Plan has not generated any taxable income and no federal or state income tax returns have been filed. Federal and state taxing authorities could request an examination of the financial records of the Plan to ascertain if any such taxable income exists, but no such examination has occurred or is pending.

NOTE 8 – SUMMARY OF INFORMATION CERTIFIED BY THE ASSET CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodians have certified that the following data included in the accompanying financial statements and supplemental information is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment activity as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- The schedule of assets (held at end of year) as of December 31, 2021
- Notes receivable from participants as of December 31, 2021 and 2020

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental information.

NOTE 9 – EXCESS CONTRIBUTIONS PAYABLE

Contributions received from participants for 2021 and 2020 are net of payments of \$9,271 and \$8,793, respectively, made subsequent to the respective plan year end to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. As of December 31, 2021 and 2020, \$9,271 and \$8,793, respectively are included in the Plan's statements of net assets available for benefits as excess contributions payable.

NOTE 10 – RECONCILIATION TO FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 1,200,602	\$ 954,485
Less: Contributions receivable - employer	-	(2,392)
Less: Contributions receivable - employee	-	(82)
Add: Excess contribution payable	9,271	8,793
Net assets available for benefits per the Form 5500	<u>\$ 1,209,873</u>	<u>\$ 960,804</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the years ended December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Net change in net assets available for benefits per the financial statements	\$ 246,117	\$ 63,377
Less: Employer contributions	-	(2,392)
Less: Employee contributions	-	(82)
Add: Employer contributions	2,392	23,559
Add: Employee contributions	82	-
Add: Current year excess contributions	9,271	8,793
Less: Prior year excess contributions	(8,793)	(9,012)
Net change in net assets available for benefits per the Form 5500	<u>\$ 249,069</u>	<u>\$ 84,243</u>

The above differences arise from the financial statements being prepared on an accrual basis and the Form 5500 on a cash basis.

NOTE 11 – PROHIBITED TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company remitted all employee contributions to the Plan, contributions of \$14,321 and \$13,513 were not remitted within the required time period for the year ended December 31, 2021 and 2020, respectively. The lost earnings associated with the delinquent contributions were remitted to the Plan during the year.

NOTE 12 – SUBSEQUENT EVENTS

As a result of current market conditions, the fair value of Plan investments has declined by approximately \$259,000 as of October 10, 2022.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
